

TEACHING ASSISTANT/PARAPROFESSIONAL: PHOENIX (WEST VALLEY), AZ

We are currently hiring innovative, forward thinking, energetic individuals for Special Education Para Professional positions in Phoenix (West Valley), Arizona. We value collaboration, innovation, and teamwork! We believe in a society where all children have the right to a quality education and provide supports and professional development for our teaching staff to reach these goals. We are seeking individuals who have the interest and/or ability to work as a valued member of the classroom and school community team. We provide extensive professional development to assist our teaching staff in achieving these goals. We believe that paraprofessionals are essential professionals who can change the course of the child's life.

The Menta Group is a service organization that employs forward thinking, innovative personnel. Menta is a provider of special education programming with a proven track record for providing professionals the tools needed to provide a high quality education for children with disabilities. With over 40 years of experience in private special education, our organization has helped thousands of students who others have given up on to realize their full potential. Our staff work in collaboration to problem solve and develop innovative instructional interventions to meet the needs of all students. We will never say no to a child and we will work together with stakeholders to improve the outcomes of ALL CHILDREN! We are looking for like minded individuals and are willing to put the resources into providing our staff with the professional development necessary for students to reach their goals.

We believe that positive outcomes for children are the result of educators who are provided with high quality professional development and supports necessary to increase student achievement. As such **we offer tuition reimbursement to bachelor level staff who are interested and qualified in obtaining certification in the field of special education.** The Menta Group is committed to providing all our staff with ongoing professional development opportunities that will assist and support dedicated teaching staff who work with our children.

Qualifications

- Must be able to obtain a Level XYZ Arizona Fingerprint Clearance Card. (We pay for the application.)
- Experience working with children is a plus but not necessary.
- Must have a high school degree.
- Excellent attendance and on time to the job.
- Ability to problem solve and think outside of the box.
- Excellent work ethic
- Patience and a never give up attitude.
- Problem solver, creative and innovative thinker.

This position offers an access to medical, dental, vision plans, 403(b), sick pay, holiday pay, and personal/vacation days. The salary range is comparable for the position and area, depending upon certification and qualifications.
