## About Arizona Christian University (ACU)

ACU is a private, non-profit, Christian university in Glendale, Arizona with a wide variety of majors and areas of study preparing students for successful careers, but also remains committed to its vision of transforming culture with biblical truth.

All students are taught through a biblically-integrated, general education curriculum called "[The CORE](#)". Spiritual development is integrated within the University experience where all campus students receive a minor in Biblical Studies, attend chapel twice a week, and complete Spiritual Formation and service hours each semester.

For the second straight year, Arizona Christian University has been ranked among the nation's Best Colleges by U.S. News & World Report – the most respected and comprehensive college ranking system in the nation.

Arizona Christian University was ranked the [number one University in Arizona by College Consensus](#), finishing first ahead of 2) Arizona State University, 3) University of Arizona, 4) Northern Arizona University, and 5) Prescott College. No other Arizona university was ranked by College Consensus, which combines a review of all major national rankings with student experience surveys.

"Our students are getting one of the best educations in the country – one that combines academic excellence with a commitment to spiritual formation," said President Munsil. "We are grateful that the world is noticing what God is doing at ACU."

ACU is a culturally and theologically conservative university where students and their professors are serious about deepening their Christian faith and where relationships and community matter most.

## Mission Statement

Arizona Christian University provides a biblically-integrated, liberal arts education equipping graduates to serve the Lord Jesus Christ in all aspects of life, as leaders of influence and excellence.

## Vision Statement

Arizona Christian University exists to educate and equip followers of Christ to transform culture with the truth.

## A Place in History

Founded in 1960 as Southwestern Conservative Baptist Bible College, classes were initially held in the educational facilities of Bethel Baptist Church in Phoenix, Arizona. Plans for developing a new campus led to the construction of four new buildings and the remodeling of an existing structure on a residential plot in Phoenix. The land had been donated to the Arizona Baptist Convention with a stipulation that a Christian school be established on the property. The college moved to the new site in Phoenix in September of 1964.

Since its founding, the University has undergone a number of name changes, until it became Arizona Christian University in January 2011 in recognition of its growth from a small Bible college to a Christian liberal arts university. As an accredited, degree-granting institution, Arizona Christian University draws students from around the world.

As a result of ACU's rapid growth, ACU and Arizona State University (ASU) transacted a deed swap in November, 2018 between ACU's 22-acre Phoenix campus and ASU's 69-acre Glendale campus which for decades had been the home of the Thunderbird School of Global Management. This

property was the historic site of Thunderbird Airfield, on which 16,000 Air Corp Cadets were trained to support the USA and Allied forces, contributing to victory during World War II.

ACU's new campus provides students with a state-of-the-art educational environment to match the nationally ranked academic programs.

## Great Location

The new campus of Arizona Christian University is located in Glendale, Arizona close to many attractions in the greater Phoenix area, also known as the "Valley of the Sun".

Phoenix, capital of the state of Arizona and sixth largest city in the United States, is a rapidly growing metropolis of almost 5 million people, and a center of influence for a vast area of the Southwest.

A multitude of outstanding tourist attractions such as the Grand Canyon, Monument Valley, Sedona, Roosevelt Dam, Lake Havasu, Lake Mead, Lake Powell, the Petrified Forest, Montezuma's Castle, London Bridge, and many others are within driving distance from ACU's campus.

Cultural attractions in the Phoenix area are many and varied, including the Heard Museum, Phoenix Art Museum, Desert Botanical Garden, Phoenix Symphony, and Phoenix Zoo.

The Phoenix area is the home of many professional sports teams, including the Arizona Cardinals (football), Phoenix Suns (basketball), Arizona Coyotes (ice hockey), Arizona Diamondbacks (baseball), and the Cactus League spring training camps for 15 major league professional baseball teams.

The Phoenix area also benefits from numerous Christian faith communities and houses of Christian worship, offering ACU students significant opportunities to worship and serve.

## The Four Pillars of Our Core Values

### **FAITH**

The Bible is the foundation of faith and an ACU education. Every student at ACU earns at least 18 credits of Bible and learns to apply a biblical worldview. Spiritual formation through discipleship, worship, service, prayer, and accountability will always be essential for ACU students.

### **INFLUENCE**

ACU strives to grow in influence by graduating an increasing number of motivated and well-equipped students in an expanded group of professions on multiple campuses with enhanced facilities. It also uses strategic partnerships and alliances to recruit a more diverse student population, and promotes global thinking by attracting international students and offering missions and study abroad options.

### **RELATIONSHIP**

Classmates and professors who know your name is the traditional and relational model at the core of the ACU community. Undergraduates are taught, mentored, and inspired by faculty who love them for who they are in Christ. Students sign a community covenant signifying their willingness to be accountable, authentic and transparent. They also participate in local service projects in order to enhance relationships with the surrounding community. ACU faculty, employees and staff are well-cared for through excellent pay, health and retirement benefits, opportunities for personal and professional growth, and a nurturing, supportive team-oriented workplace.

### **EXCELLENCE**

ACU is committed to glorifying God by pursuing excellence in spiritual formation, academics, the performing arts and athletics. ACU prepares well-rounded leaders who love the Lord with all their heart, soul, mind, and strength. ACU administration, faculty, staff, coaches, and volunteers bring glory to God by using their gifts and striving to do things with excellence as unto the Lord.

## Core Commitments

  - the centrality of family
  - traditional sexual morality and lifelong marriage between one man and one woman
  - the sanctity of human life
  - compassion for the poor
  - biblical understanding of human nature
  - an understanding of God's purposes for limited government
  - personal, economic and religious freedom
  - free markets, capitalism, and property rights
  - natural law, the original meaning of the Constitution and judicial restraint

- Be a leading conservative Christian liberal arts university.

## Statement of Faith

The University shall be positively conservative in its stand regarding the Scriptures, in their 66 canonical books, as being the only trustworthy and authoritative written revelation of God. Its fellowship and discipline shall be predicated upon the following Declaration of Faith:

1. We believe in the Scriptures of the Old and New Testaments as being verbally inspired by God and therefore inerrant in their original writings and the only authority on all issues of faith, life, and practice. Psalm 19:7; Isaiah 8:20; 2 Timothy 3:16-17; 2 Peter 1:20-21
2. We believe in one Triune God, creator of all things, infinite and unchangeable in His being, eternally existent in three persons: Father, Son, and Holy Spirit. Deuteronomy 6:4; Isaiah 45:21-22; Jeremiah 10:10; Matthew 3:16-17; Matthew 28:18-19; I Corinthians 8:6
3. We believe that Jesus Christ, the second person of the Trinity, was conceived by the Holy Spirit, born of the Virgin Mary, is fully God and fully man in one person, and is the only Mediator between God and man. Isaiah 7:14; Matthew 1:18-25; Luke 1:26-38; Luke 2:1-7; John 1:1-14; 1 Timothy 2:5-6
4. We believe the Holy Spirit, the third person of the Trinity, who is from all eternity, is sent by the Father and the Son, as promised, to convict the world of sin, to glorify Jesus Christ and to transform the lives of believers into the likeness of Christ. Psalm 139:7; Matthew 28:19; John 15:26; John 16:8; I Corinthians 2:10-11; Ephesians 4:30
5. We believe that God created man and woman in His image and likeness, so they are thus endowed with immeasurable dignity and worth, but they sinned and therefore all human beings are born separated from God with a sinful nature. Genesis 1:26-28; Genesis 3:1-24; Genesis 9:6; James 3:9; Romans 5:12
6. We believe the Lord Jesus Christ died for our sins and that all who trust in Him alone are justified on the grounds of his shed blood. 2 Corinthians 5:15, 21; Romans 3:23-26, 5:1; 1 Peter 1:18-19; Acts 16:30-31
7. We believe that all who receive the Lord Jesus Christ by faith alone are born again of the Holy Spirit and are called to walk in a manner worthy of this salvation. John 1:12-13; 3:3-7; 14:16-17; Romans 12:1-2; 1 Corinthians 12:12-13; Ephesians 4:1; 4:20-24; Colossians 1:18, 24
8. We believe in the resurrection of the crucified body of our Lord and Savior Jesus Christ, and that He ascended into heaven where He is seated at the right hand of God the Father to rule and intercede for us. Romans 1:4; 6:1-11; 1 Corinthians 15:12-19; Acts 1:9; Hebrews 7:25; Romans 8:31-34
9. We believe in "that Blessed Hope" of Christ's second coming, which is the personal return of our Lord and Savior Jesus Christ. Psalm 110:1; Acts 1:11; Acts 2:34-35; 1 Corinthians 15:22-28; 50-55; Titus 2:13; Revelation 7:10
10. We believe the Church is made up of believers in Christ; which manifests itself in local assemblies, gifted by the Holy Spirit for the building up of one another in love and for engagement, service and influence in the world. Romans 12:4-8; I Corinthians 12:4-13; Ephesians 4:4-13; Philippians 1:1; Colossians 1:8

11. We believe in the bodily resurrection of the just and unjust; the everlasting blessedness of the saved and the everlasting conscious punishment of the lost along with Satan and other fallen angels. Matthew 25:34, 41, 46; Revelation 20:10-15; 2 Thessalonians 1:9

12. We believe God wonderfully and immutably creates each person as either male or female. These two distinct, complementary sexes together reflect the image and nature of God. We believe rejection of one's biological sex is a rejection of the image of God within that person, and is sinful and offensive to God. Gen. 1:26-27

13. We believe the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. We believe God intends sexual intimacy to occur only between a man and a woman who are married to each other. We believe God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman. We believe any form of sexual immorality (including adultery, fornication, homosexual conduct, bestiality, incest, or use of pornography) is sinful and offensive to God. Gen. 2:18-25; 1 Cor. 6:18; 7:2-5; Heb. 13:4; Matt. 15:18-20; 1 Cor. 6:9-10

14. We believe that in order to preserve the function and integrity of Arizona Christian University and to provide a biblical role model to students and the community, all persons employed by ACU in any capacity, or who serve as volunteers, affirm, agree to and abide by all elements of this Statement of Faith, including those relating to gender identity, marriage and sexuality. Matt. 5:16; Phil. 2:14-16; 1 Thess. 5:22

(Every Trustee, faculty member, and employee of the University shall be required to affirm and sign without mental reservation this Statement of Faith at the beginning of each academic year.)

# Community Covenant

Arizona Christian University embraces a Community Covenant based on the four pillars of our core values, which spell out the acronym FIRE (Faith, Influence, Relationship, and Excellence). As members of the ACU Firestorm, we covenant together to spread this same vision.

A significant aspect of the Christian college journey is being a part of a grace-filled community. As we follow Jesus together, we want to create an environment for authentic discovery of our true selves in Christ, holistic development of loving relationships and strengths-based discernment of our vocation as members of the body of Christ. We willingly enter into this community and value the following four core commitments.

## **FAITH**

We covenant together to love the Lord our God with all our heart, mind, soul, and strength. We love God by following the life and teachings of Jesus as revealed to us through God's Word by the work of the Spirit. Our response to receiving God's love is recognizing our privilege to worship and serve. Together, we seek to learn the wisdom and ways of God. Our faith compels us to seek understanding within the scope of orthodox, evangelical Christianity.

## **INFLUENCE**

We covenant together to live a lifestyle of integrity. We desire to create a safe environment where we can express authentically our identity in Christ and humanity with honesty. We seek purity of thought and action, uniting our theology with the reality of our lives, and as a result we make a difference in our world. As we grow in this identity – with confidence – we covenant together to pass on the best of ourselves to our community, our nation, and our world, leaving a legacy of commitment to the cause of Christ.

## **RELATIONSHIP**

We covenant together to love others as we love ourselves. We seek to cultivate this love as we celebrate individual strengths, encourage and challenge one another with truth and grace, and forgive one another when hurt or disappointed. As we seek wholeness and establish boundaries, we will pursue healthy relationships. Humility and respect for others are vital as we commit to seek truth together.

## **EXCELLENCE**

We covenant together to pursue excellence in every area of our lives. We want our words and actions to represent Christ and to express gratitude to God. We are committed to the wise use of our time, money, education and resources as good stewards of God's gifts and graces. Out of a heart of thankfulness to our Savior, we choose to live well in the strengths and talents he has granted, in order to bring Him deserved glory.

Our aim is that all faculty, staff and students will actively participate in our community and discover a place of safety, growth and opportunity. As we share life together, we give ourselves to the process of being transformed into the likeness of Christ Jesus, making His life in us attractive to the world.

## Student Development Division Mission Statement

The Student Development Division exists to support and enhance the academic setting by providing intentional opportunities that develop a diverse community of students who serve Jesus Christ.

## Student Development Division Vision Statement

The Student Development Division aspires to educate, challenge, and support every student for success in college and beyond.

## Student Development Division Objectives

Based on the Student Development Division's mission and goals, the following objectives will be pursued:

1. Students will mature in their Christian faith
2. Students will develop a deeper understanding of self
3. Students will succeed academically
4. Students will be leaders
5. Students will feel connected
6. Students will be good citizens
7. Students will grow in their cultural awareness
8. Students will be safe, healthy, and well
9. Students will make progress toward their career goals

## Statement of Commitment

After admission, all students are required to sign the ACU Statement of Commitment which states that they explicitly and implicitly agree to consistently work at upholding the University's policies and maintain a life style that is consistent with the student life philosophy of the University. Upholding the University's policies—as stated in the University catalog and other publications—and helping to keep fellow students accountable for their actions is the responsibility of every student. It is not acceptable to actively disobey because one disagrees, does not get caught, or is willing to accept the consequences of disobedience. These attitudes are destructive to one's personal integrity, detrimental to one's character in the University community, and potentially damaging to one's future life and ministry. These guidelines remain in effect for all currently enrolled students, living on or off campus.

In the spirit of community accountability, Arizona Christian University prohibits retaliatory behavior against anyone reporting perceived or actual violations of University policy. Any individual who retaliates against any individual who has either made a complaint or reported a University policy violation will be subject to disciplinary action.

## Academic Advising

Each student is assigned a faculty advisor who provides academic guidance as well as supportive care during the student's time at Arizona Christian University. Even though assistance is provided for academic planning, students must be aware that they are ultimately responsible for staying on track with the academic program so that graduation requirements will be met. Additional academic services are provided through the Academic Center.

## Academic Center (Tutoring and Testing)

The Academic Center (AC) consists of a Tutoring and Testing Center. Tutors are free and are available through the Director of Academic Services.

## Academic Integrity

Academic work is evaluated on the assumption that the work presented is the student's own, unless designated otherwise. Anything less is unacceptable and is considered academically dishonest. Academic honesty is expected of all ACU students. Violations may result in disciplinary actions, which are documented and maintained in a permanent file. Procedures vary according to circumstances. Actions that may be taken include a reprimand, a written warning, a failing grade for the work involved, failure of the course, suspension or expulsion from the academic program or University.

Incidents of academic dishonesty include but are not limited to: cheating; plagiarism; falsification of data, records, and official documents; collusion; malicious interference/tampering with University property; multiple submissions; and violations of course rules.

Faculty are permitted to handle incidents of academic dishonesty as they arise. Faculty are permitted to determine if a student can be held responsible for academic integrity violations and may issue reasonable consequences or sanctions that align with the course's rules or intended outcomes. After a decision is made and the process is final, an Academic Integrity Form must be completed and forwarded to the Dean of Students for official documentation. Forms are stored in a confidential, secure file. When reports of academic dishonesty reach the Dean's office, they are checked for prior offenses. Repeat offenders may necessitate further review and disciplinary action, as determined by the Dean of Students.

### **Standards of Academic Integrity<sup>1</sup>**

All students are strictly prohibited from the following academic violations:

**Cheating.** Cheating is committing fraud on an exam, report, paper, or other course assignment or requirement. Students shall not, without prior approval of the instructor, use or attempt to use material not intended for student use, information, instructor designated materials, or study aids in any form.

**Plagiarism.** Plagiarism is defined as representing another's work as one's own without acknowledgement or citation. Students shall not replicate or assume the ideas, thoughts, theories, formulas, illustrative work, or words of another person without proper acknowledgement and citation.

**Unauthorized Collaboration.** Many classes will emphasize working with a partner or in groups. Additionally, ACU encourages students to be supportive of one another. Unless otherwise approved by the course instructor it is assumed that all work submitted is the product of the sole student. Simply discussing assignments is not a violation of the Code. Students must submit work that is original to them and will only collaborate when given permission by the course instructor.

**Falsification of Data, Records, and Official Documents.** Altering or manufacturing information submitted for a grade, publication, admission (to the university or a class), or for an excused absence. Students shall not falsify or provide manufactured data on academic work, Admissions information, student records, grades, or documentation to or from instructors.

**Collusion.** Assisting another person in academic misconduct or allowing academic misconduct to happen while having knowledge of the act is equivalent to committing the specific act. The institution encourages students to be supportive of one another; however, we strongly discourage students from wholly sharing work. There is a difference between helping a fellow student work through a

problem and allowing that student to copy your work. Students who have knowledge of academic misconduct prior to or after its completion are expected to share that information with the instructor.

Malicious interference/tampering with University property. Stealing, changing, destroying, gaining unauthorized access to, or impeding another's work. It is considered a violation of academic integrity to steal, change, destroy, or in some way tamper with a person's work or computer access.

Multiple Submissions. Multiple submissions are defined as students submitting a graded assignment or course requirement more than once without prior approval from the instructor. Unless given specific prior permission, students are expected to only submit academic work once.

Violation of Course Rules. Instructors and academic programs and departments are tasked with creating courses that will challenge students and create an optimal learning experience. Syllabi and other instructions given by instructors are used to communicate course rules. A student shall not violate rules established by the course syllabus, verbal or written instructions, department or programmatic standards, or materials related to the content of the course.

### **Jurisdiction**

Arizona Christian University's Academic Integrity policy applies to all academic work completed by current and former students during their time of enrollment at ACU. The University reserves the right to revoke course credit or a degree from a former student or graduate who is found responsible for an academic integrity violation. The University reserves the right to withhold transcripts or not award a degree if a student fails to participate in the Academic Conduct Process.

### **Authority**

Arizona Christian University reserves the right to initiate the Academic Conduct Process for any reported incident related to Academic Integrity that occurs (or occurred) during any periods of the student's enrollment. Incidents of Academic Integrity fall under the authority of the Provost and Chief Operating Officer of Arizona Christian University. Under the direction of the Provost and Chief Operating Officer, the Student Development Division (via the Dean of Students and his/her designees) is charged with administrative oversight of the disciplinary process and collaborates with faculty members and the Dean of Academic Affairs to determine appropriate responses for alleged Academic Integrity Violations. Faculty members are responsible for conducting the Academic Conduct Process for incidents related to academic courses and the Student Development Division is responsible for incidents related to co-curricular requirements. Faculty members/instructors who choose to investigate incidents of Academic Integrity are assumed to be objective and free of bias.

### **Level of Proof**

Arizona Christian University's Academic Conduct Process is separate from Criminal or Civil Systems. As an educational institution, Arizona Christian University has created its Academic Conduct Process to promote the education, development, and spiritual growth of its students and it is not to be equated with Constitutional Due Process. With that, Arizona Christian University's Academic Conduct Process does not adhere to the standard rules of evidence used in Criminal Systems when determining guilt or responsibility (i.e. beyond a reasonable doubt). Instead, Arizona Christian University's Academic Conduct Process utilizes a Preponderance of Evidence standard (i.e. 51%; more likely than not) when determining responsibility.

### **Confidentiality**

Incidents involving academic integrity are part of student's educational record and are therefore protected under the Family Educational Rights and Privacy Act (FERPA) of 1972. Individuals involved in the Academic Conduct Process are permitted to only discuss the matter with the student, unless

permitted under FERPA, Title IX, Clery Act or other regulations related to student privacy. All individuals involved in the Academic Conduct Process are prohibited from making public comments on the matter. All requests for public comment should be referred to the President of the University.

### **Reporting an Academic Integrity Violation**

Any individual, both inside and outside the ACU community, may report an alleged violation of Academic Integrity by contacting the Student Development Division. In the report, individuals are asked to provide as much information as possible, including but not limited to:

- Description of the alleged violation.
- Date, time and place of the alleged violation.
- Name of the student(s) involved in the alleged violation.
- Name of the student organization(s) involved in the alleged violation (if applicable).
- Name of witness(es) to the alleged violation.
- Name, phone number, and email address of the individual filing the report.
- Any other supporting documentation or information related to the incident

Upon receiving a report, the Dean of Students (or his/her designee) will review the allegation and assign the case to an appropriate Hearing Officer. In general, all alleged violations by current students will be assigned to the instructor for the course in which the violation occurred. Alleged violations by former students, as well as egregious offenses by current students, will be collaboratively reviewed by the Dean of Students (or his/her designee), the Dean of Academic Affairs (or his/her designee), and the instructor of the course (if able). Faculty and other adjudicating administrators are trained by the Dean of Students to oversee the University's disciplinary processes. These individuals will serve as the official Conduct Officer(s) through the entire disciplinary process, from the time an incident is reported through completion.

### **Academic Conduct Process**

#### Review and Decision

When an instructor (or other designees) becomes aware of an alleged academic integrity violation, he/she may review and investigate the allegation and determine if the student is responsible based on a preponderance of evidence standard (50.1%, more likely than not). The decision of the instructor (or other designees) is considered final.

During an investigation, all individuals involved are expected to participate or risk being held responsible for the violations and/or risk further disciplinary action under the University's Failure to Comply Policy. Additionally, individuals may not obstruct the University's investigation process or risk further disciplinary action.

If the instructor determines the student is responsible, he/she may issue reasonable consequences or sanctions for the violation and notify the student of the decision. Students will be notified via their official university-issued email address or other reasonable form of communication. All students are required to check their official university-issued email regularly for official university communication. The incident is considered closed when the instructor notifies the student of the decision. If the instructor determines the student is not responsible, the instructor may dismiss the incident.

#### Outcome and Sanctions

Through the Academic Conduct Process, students found responsible may be issued specific consequences or sanctions. Arizona Christian University reserves the right to issue consequences or sanctions that achieve its educational objectives and are based on fairness, education, and respect. In most cases, potential consequences or sanctions for Academic Integrity Violations might include, but are not limited to:

- Verbal Reprimand
- Written Reprimand
- Reflection essay or other educational assignment
- Reduction of the coursework's grade by a percentage point or letter
- Failure of the assignment/coursework
- Reduction of the course grade by a percentage point or letter
- Failure for the course
- Failure of the co-curricular requirement/loss of credit
- Additional co-curricular requirements
- Disciplinary Probation\*. Disciplinary Probation is defined as a designated period of time in which any further disciplinary issues could put the student at risk for escalated sanctions by the University, including suspension or expulsion. At a minimum, the disciplinary probation period involves the rest of the current semester. The University reserves the right to determine the appropriate length of a disciplinary probation.
- Suspension\*. Suspension involves removal from the University community for a designated period of time with the possibility of readmission. Suspended students are prohibited from entering any University owned or operated property or attend any University function without written consent from the Dean of Students. At a minimum, the length of suspension generally includes the rest of the current semester plus one (1) full semester. Depending on the circumstance, the University reserves the right to determine the effective date and appropriate length of a suspension, including an indefinite suspension. If the suspension occurs after the Drop/Add period, suspended students will be involuntarily withdrawn and receive a grade of W for each course. Additionally, suspended students lose all tuition, housing/dining and University fees, coursework, or other privileges granted to enrolled students.
- Expulsion\*. Expulsion involves permanent removal from the University community without the possibility of readmission. Expelled students are prohibited from entering any University owned or operated property or attend any University function without written consent from the Dean of Students. If the expulsion occurs after the Drop/Add period, expelled students will be involuntarily withdrawn and receive a grade of W for each course. Additionally, expelled students lose all tuition, housing/dining and University fees, coursework, or other privileges granted to enrolled students.

\*Sanction option reserved for Dean of Students only.

### Completion

If an instructor (or other designees) finds a student responsible and issues consequences and sanctions accordingly, he/she must complete the process by notifying the Dean of Students office of the incident by submitting an Academic Integrity Form. The Dean of Students office officially documents all information related to incidents of Academic Integrity and records it to the student's permanent file.

### Failure to Complete Sanctions

Students found responsible for violations are expected to meet all requirements, obligations, and/or deadlines of the assigned sanction. Additionally, in cases where students are assigned educational sanctions (including, but not limited to, reflection essays, letters of apology, participating in a seminar, etc.), students are expected to put forth an honest, respectful, and thoughtful effort. Failure to complete sanctions under these standards may result in further disciplinary action under the University's Failure to Comply policy, with sanctions including disciplinary probation, suspension or expulsion.

## Appeals

Students wishing to appeal an Academic Integrity Violation decision must submit the request in writing to the Dean of Students no more than two (2) business days after the initial outcome and sanction decision is communicated. Appeal requests may only be considered if one of the following criteria are met:

- **Procedural error:** The University did not follow its own published procedures.
- **New Information:** New information not considered during the process becomes available and could significantly alter the outcome, including evidence of bias.

Written requests must include the grounds for which the appeal is being requested and any supporting documentation, including new information. The Dean of Students will respond to the appeal within five (5) business days of receipt. If criteria for an appeal are not met, the Dean of Students will notify the Appellant that the request is denied and the original outcome and sanction is final. Additional requests are not permitted. If criteria for an appeal are met, the Dean of Students will render a decision that will either:

- Uphold the original outcome and sanction(s)
- Uphold the original outcome and lessen the sanction(s)
- Reverse the original outcome
- The Dean of Students cannot increase sanctions

Students will be notified via email of the Dean of Students decision. The Dean of Students decision is final. Students are only permitted one (1) appeal.

## **Multiple Violations**

Students found responsible for committing a second (or more) violation will be subject to the Student Conduct Process under the direction of the Dean of Students. Students found responsible for violating the University's Academic Integrity policy on multiple occasions will be seriously considered escalated sanctions, including suspension or expulsion.

## **Academic Probation**

Please refer to the current Academic Catalog for information related to Academic Probation.

## **Accreditation**

Arizona Christian University is accredited by the Higher Learning Commission (HLC) and a member of the North Central Association. The HLC is located at 230 South LaSalle Street, Suite 7-500, Chicago, IL 60604-1411. The HLC can be reached at (312) 263-0456 or (800) 621-7440 or online at [www.hlcommission.org](http://www.hlcommission.org).

## **ACU Alumni Relations and Alumni Association**

ACU seeks to keep its alumni connected and updated on University news and events through newsletters, social media, email announcements, and periodic mailings. Homecoming provides an annual time of fellowship and opportunities to renew old ties with friends and members of the ACU family.

## **ACU Brand and Logo Usage**

The Arizona Christian University Advancement Department oversees the proper use of ACU's brand and logos. Campus groups (clubs, organizations, teams, etc.) or individuals wishing to use the ACU name, logo, implied name, or ACU brand for any purpose must seek prior approval through the

Advancement Department. To begin the approval process or for additional questions, please consult the University's Marketing Department.

## Administrative Withdrawal

Arizona Christian University is concerned with the health, safety, and wellness of all students and strives to assist students in being successful academically and socially. In some cases, it may be in the best interest of the student to withdraw from classes and take a leave of absence to focus on their health and well-being and/or protect the health and safety of the University community. In these cases, students will be contacted by Student Development to discuss appropriate steps in voluntarily withdrawing from courses. Decisions on Administrative Withdrawals are under the authority of the Dean of Students.

The University may initiate or consider requests for an administrative withdrawal when:

1. A student experiences serious medical or health related issues that impede their ability to be academically successful or meet minimal academic or community standards. This includes both physical and mental health.
2. A student experiences a significant event outside of their control that impedes their ability to be academically successful or meet minimal academic or community standards. Examples may include, but are not limited to, serious illness of a dependent child or spouse, death of an immediate family member, etc.
3. A student is suspended or expelled for failing to meet academic requirements or conduct standards.

In unique cases, Arizona Christian University may have to initiate an involuntary withdrawal or leave of absence when a student demonstrates physical, psychological, or emotional behavior that prevents them from meeting minimal academic or community standards. Decisions on Involuntary Withdrawals are under the authority of the Dean of Students.

This policy applies to students under the following criteria:

- The student's behavior poses a severe danger to the life, health and/or safety of the student or other members of the University community, or to the University, its property, or to the property of another member of the University community. Examples may include threats or attempts of suicide, homicide, self-mutilation, assault, vandalism, or theft.
- The student's behavior severely impedes or disrupts the physical, psychological, or emotional distress of other members of the University community or to the educational process or functions of the University.
- The student refuses to cooperate with a recommended evaluation or treatment procedure, and the student's physical, psychological, or emotional health would continue to deteriorate without the evaluation or treatment, resulting in disability, impairment, or inability to function.
- The student's physical, psychological, or emotional condition is so severe that it is beyond the treatment resources of the University and without outside treatment the student's condition would result in disability, impairment, or inability to function.

When the University has evidence of the behavioral problems listed above, a medical and/or psychological evaluation may be required, the results of which will be provided to the Dean of Students. In addition, the Dean of Students or his/her designee may consult with the student about his/her behavior and to the extent permitted by law may also notify the student's parent, guardian or other appropriate adult. The Dean of Students will make the final decision regarding approval of an involuntary withdrawal or leave of absence.

In the event an Involuntary Withdrawal is initiated:

- The student has the right to be informed of all pertinent information leading to the withdrawal/leave of absence decision.
- The length of the withdrawal/leave of absence will be disclosed. The University reserves the right to determine the appropriate length of the Involuntary Withdrawal on a case-by-case basis, including an indefinite period of time.
- The conditions under which a student may return to the University will be identified at the time of the withdrawal/leave of absence.

Students who are administratively withdrawn after the Drop/Add period will receive a grade of W for each course. Additionally, students who are administratively withdrawn after the Drop/Add period lose all tuition, housing/dining and University fees, coursework, or other privileges granted to enrolled students.

Students seeking readmission to the University after an Administrative Withdrawal should refer to the “Readmission after Administrative Withdrawal” section of this Student Handbook.

## Alcohol and Substance Abuse Policy

The Drug-Free Schools and Communities Acts Amendments of 1987, Public Law 101-226, requires that, as a condition of receiving funds or any other form of financial assistance under any Federal Program, an institution of higher education must certify that it has adopted and implemented a program to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees. This Federal mandate coincides with the strong desire of the Arizona Christian University administration to maintain a campus free from alcohol, illegal drugs or substances, and the misuse of legal drugs or substances.

### Alcohol<sup>2</sup>

The ACU campus is a dry campus, and it is expected that its underage students will not engage in behavior that includes alcohol consumption. Possession or use of alcoholic beverages in University owned or operated facilities, during University sponsored academic, athletic, or University trips (conferences, mission trips, athletic competitions or any trip in conjunction with Arizona Christian University), and during University sponsored activities, is prohibited, no matter what the age of the student. Contributing to the consumption of alcohol or being complicit to alcohol use by underage students at any time, any place is expressly prohibited. Alcoholic beverage containers (beer bottles, beer cans, wine bottles, and hard alcohol bottles), alcoholic paraphernalia (shot glasses, beer bong, etc.), posters, and other items promoting and advertising alcoholic beverages are not permitted in residence halls, or any other setting on campus.

Students violating any part of this policy may be subject to the disciplinary process as expressed in the Student Conduct Process outlined in this handbook, as well as subject to local, state, or federal authorities for prosecution. Intoxication or impairment of any student, regardless of age at any time, on campus property either owned or operated, or at any time off-campus will result in disciplinary sanctions.

Of-age students are allowed to use their discretion as to whether alcohol use will be a part of their lives in off-campus settings. It is the University’s hope that students will weigh this decision and pray earnestly about it, processing how alcohol use will affect their ministry and calling on their life. The University, however, will not tolerate underage drinking of any kind, and of-age students found in an environment where underage drinking is present will be entered into the discipline process at the

appropriate level. In this sense, the University is asking that its of-age students' role model the inappropriateness of underage drinking by confronting students in situations where illegal behavior is occurring. The University will not tolerate students, whether of legal drinking age or not, supplying or distributing alcohol to minors, contributing to an atmosphere where underage drinking can occur, or serving as the conduit to procure alcohol for minors. In addition students who are of legal drinking age and are found accountable for "knowledge of a violation of University policy" may face a higher sanction than those students under the legal drinking age.

In accordance with Arizona Christian University's Statement of Commitment, students are expected to help keep fellow students accountable for their actions and upholding all University's policies, including all elements of this Alcohol policy.

Students who find that they are struggling with alcohol, its use, and its role in their lives, are encouraged to come forward on their own will with no threat of disciplinary action, but instead will receive help, guidance, and love.

#### Potential Sanctions (Alcohol)

The University's response to alcohol violations can vary based on the severity and repetition of the violation(s). In general, a student's third alcohol violation for consumption, possession, or paraphernalia will result in separation from the university in the form of suspension. Students participating in distributing alcohol may be separated from the university on the first violation. For more information of potential sanctions, see the Student Conduct Process section.

#### **Illegal Drugs and Other Substances<sup>3</sup>**

This section describes the University's policy regarding the sale, manufacture, distribution, possession and use of illegal drugs on or off University property or at University-sponsored events or programs in accordance with federal, state and local laws. Examples of violations include:

- Misuse of over-the-counter drugs.
- Misuse or sharing of prescription drugs.
- Possessing, using, being under the influence of, distributing, or manufacturing any form of illegal drug.
- Possessing paraphernalia (i.e., rolling papers, pipes, bongs, etc.) for intended or implied use of any form of illegal drug.
- Possessing paraphernalia that contains or appears to contain illegal drug residue.
- Purchasing or passing illegal drugs from one person to another.
- Using mail services to purchase, pass, or distribute illegal drugs.

As a part of the campus commitment to be drug free, the University upholds all laws against distribution, use, knowing about, and possession of any controlled substance on- or off-campus, in University operated facilities and at University events or activities. Students engaging in activity, which include the presence of illegal drugs or the abuse of legal prescription drugs in any way on campus, or at any time in the off-campus community, will be dealt with swiftly and quickly. It is the University's solid belief that illegal drugs of any kind are wholly inappropriate in the lives of its students. The University will cooperate fully with local and federal authorities when dealing in situations involving them. It is the University's hope that any student who finds himself or herself faced in a situation where drugs are being used will immediately leave the situation or call the appropriate authorities.

---

<sup>3</sup> Elements of this policy were reprinted and adapted with permission from Colorado Christian University granted on March 7, 2017.

In addition to illegal drugs, students are prohibited from using prescriptions that are not prescribed to that individual and substances that are meant to illicit a feeling of being “buzzed”, high or intoxicated. The use of any substance to alter one’s personality, behavior, physical or emotional state or to enhance academic or athletic performance is strictly forbidden. Violators of this policy will be subject to disciplinary sanctions as outlined in the standards of conduct section of this handbook. Students who find themselves in a dependence situation involving drugs are encouraged to come forward to any faculty or staff member on their own with no threat of disciplinary action and a promise of help, assistance, and love.

### **Medical Marijuana**

Although Arizona state law permits the use of medical marijuana (i.e., use by persons possessing lawfully issued medical marijuana cards), federal laws prohibit marijuana use, possession, and/or cultivation at educational institutions and on the premises of other recipients of federal funds. The use, possession, or cultivation of marijuana for medical purposes is therefore not allowed in any Arizona Christian University housing or any other Arizona Christian University property; nor is it allowed at any University related event or activity on or off campus. Sanctions for violations related to marijuana will be consistent with all other illegal drugs and substances.

### **Potential Sanctions (Illegal Drugs and Substances)**

First violations related to illegal drugs and substances, in particular possession, use, and paraphernalia, is grounds for suspension and/or expulsion and other sanctions. The manufacture or distribution of illegal drugs or substances is grounds for expulsion on the first violation. For more information of potential sanctions, see the Student Conduct Process section.

### **Drug Testing and Searches**

The University exercises its right to require drug testing of any and all students at any time, and also students suspected of drug use, and as a potential sanction for previous drug use. Searches of students, their rooms, possessions, and automobiles will be conducted if reasonable cause exists to suspect possession of illegal drugs or substances and/or alcohol. In the event a drug test is required, the student will be charged for this screening process. Students who fail a drug test will be subject to escalated sanctions, including disciplinary probation, suspension, or expulsion. Refusal of a drug screen will be considered and treated as a drug test failure.

Note: Alcohol and Illegal Drugs or Substances may be turned over to local law enforcement, who may elect to pursue criminal charges separate from ACU’s Student Conduct Process.

### **Concerned Student Clause**

Arizona Christian University realizes that this Alcohol and Substance Abuse Policy may discourage students who are under the influence of alcohol and/or illegal drugs or substances from seeking medical or other professional attention for fellow students that are impaired by or under the influence of alcohol and/or illegal drugs and substances. In order to promote the health and welfare of the ACU community, ACU has established a “Concerned Student Clause” that will not subject Concerned Students to the standard Student Conduct Process, unless the situation puts the health and safety of the University community in substantial jeopardy. Following the incident, Concerned Students will still be required to meet with Student Development staff to discuss the incident. The Concerned Student may still receive some consequences for their involvement in the incident, but will not be placed on probation, suspended, or expelled. Information pertaining to a Concerned Student’s involvement will be kept for internal, University purposes, but will not go on their official University record or be shared with external parties. Permitted under FERPA, parents or guardians of students under the age of 21 found responsible in incidents involving alcohol and/or illegal drugs or substance incidents will be notified via letter.

### **Alcohol and Substance Abuse Notification Policy**

According to the Higher Education Amendments of 1998 to the Family Educational Rights and Privacy Act (FERPA), educational institutions are permitted to notify parents or guardians of students under the age of 21 found responsible in incidents violating federal, state, or local laws or institutional policies related to alcohol and/or illegal drugs or substances.

Arizona Christian University understands that parents and guardians play a vital role in student success and works to involve parents and guardians in situations related to alcohol and/or illegal drugs and substances. Parents or guardians of students under 21 may be notified in the following situations:

1. A student is found responsible for violating federal, state, or local laws pertaining to alcohol and/or illegal drug and substances.
2. A student is found responsible through the Student Conduct Process of violating University policy related to alcohol and/or illegal drug and substances.
3. A student is sent to a medical facility to receive treatment for alcohol and/or illegal drug and substance abuse.
4. A student inflicts harm to him/herself or others while under the influence of alcohol and/or illegal drug and substances.
5. A student is found responsible for vandalism while under the influence of alcohol and/or illegal drug and substances.
6. Other situations deemed appropriate by the Dean of Students.

### **Health Risks<sup>4,5</sup>**

In accordance with the Drug-Free Schools and Communities Act of 1989, this section provides students with information on the potential health risks associated with the use of alcohol, tobacco, and illegal drugs or substances.

#### Tobacco and Nicotine

Smokers are more likely than nonsmokers to contract heart disease. Lung, larynx, esophageal, bladder, pancreatic, and kidney cancers also strike smokers at increased rates. Thirty percent of cancer deaths are linked to smoking. Chronic obstructive lung diseases, such as emphysema and chronic bronchitis, are 10 times more likely to occur among smokers than among nonsmokers. Smoking during pregnancy also poses risks, such as spontaneous abortion, pre-term birth, and low birth weights. Fetal and infant deaths are more likely to occur when the pregnant woman is a smoker. Nicotine is both psychologically and physically addictive.

#### Alcohol

Low doses significantly impair the judgment and coordination needed to operate vehicles. Small amounts can also lower inhibitions. Moderate to high doses cause marked impairments in higher mental functions, and loss of memory and the ability to learn and remember information. High doses cause respiratory depression and death. Long-term consumption, particularly when combined with poor nutrition, can also lead to dependence and permanent damage to vital organs such as the brain and the liver. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described. Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation.

### Cannabis (Marijuana, Hashish, Hashish Oil, Tetrahydrocannabinol)

Physical effects of cannabis include increased heart rate, bloodshot eyes, dry mouth and throat, and increased appetite. Use of cannabis may impair or reduce short-term memory and comprehension, alter sense of time, reduce ability to perform tasks requiring concentration and coordination, and impair driving ability. Motivation and cognition may be altered, making the acquisition of new information difficult. Marijuana, hashish, THC, etc., can also produce paranoia and psychosis. Long term use may result in possible lung damage, reduced sperm count and sperm motility, and may affect ovulation cycles. Cannabis can also be psychologically addictive.

### Inhalants (Nitrous Oxide, Amyl Nitrite, Butyl Nitrite, Chlorohydrocarbons, Hydrocarbons)

Immediate effects of inhalants include nausea, sneezing, coughing, nosebleeds, fatigue, lack of coordination, and loss of appetite. Solvents and aerosol sprays also decrease the heart and respiratory rates and impair judgment. Amyl and butyl nitrite cause rapid pulse, headaches, and involuntary passing of urine and feces. Long-term use may result in hepatitis or brain damage. Deeply inhaling vapors, or using large amounts over a short time, may result in disorientation, violent behavior, unconsciousness, or death. High concentrations of inhalants can cause suffocation by displacing oxygen in lungs. Long-term use can cause weight loss, fatigue, electrolyte imbalance, muscle fatigue, and permanent damage to the nervous system.

### Cocaine (Crack)

Cocaine stimulates the central nervous system. Its immediate effects include dilated pupils and elevated blood pressure, heart rate, respiratory rate, and body temperature. Occasional use can cause nasal irritation; chronic use can ulcerate the mucous membrane of the nose. Crack or freebase rock is extremely addictive. Physical effects include dilated pupils, increased pulse rate, elevated blood pressure, insomnia, loss of appetite, tactile hallucinations, paranoia, and seizures. The use of cocaine can cause death by cardiac arrest or respiratory failure.

### Stimulants (Amphetamines, Methamphetamines, Crank, Ice)

Stimulants cause increased heart and respiratory rates, elevated blood pressure, dilated pupils, and decreased appetite. Users may experience sweating, headache, blurred vision, dizziness, sleeplessness, and anxiety. Extremely high doses can cause rapid or irregular heartbeat, tremors, loss of coordination, and physical collapse. Amphetamine injection creates a sudden increase in blood pressure that can result in stroke, very high fever, or heart failure. In addition to physical effects, feelings of restlessness, anxiety, and moodiness can result. Use of large amounts over a long period of time can cause amphetamine psychosis that includes hallucinations, delusions, and paranoia. The use of amphetamines can cause physical and psychological dependence.

### Depressants (Barbiturates, Methaqualone, Tranquilizers)

Small amounts can produce calmness and relaxed muscles, but somewhat larger doses can cause slurred speech, staggering gait, and altered perception. Large doses can cause respiratory depression, coma, and death. Combination of depressants and alcohol can multiply effects of the drugs, thereby multiplying risks. Babies born to mothers who abuse depressants during pregnancy may be physically dependent on the drugs and show withdrawal symptoms shortly after birth. Birth defects and behavioral problems may also result. The use of depressants can cause both physical and psychological dependence.

### Hallucinogens (PCP, LSD, Mescaline, Peyote, Psilocybin)

Phencyclidine (PCP) interrupts the functions of the neocortex, the section of the brain that controls intellect and instinct. PCP blocks pain receptors, and users can have violent PCP episodes resulting in self-inflicted injuries. Lysergic acid diethylamide (LSD), mescaline, and psilocybin cause illusions

and hallucinations. The physical effects may include dilated pupils, elevated body temperature, increased heart rate and blood pressure, loss of appetite, sleeplessness, and tremors.

Narcotics (Heroin, Methadone, Codeine, Morphine, Meperidine, Opium)

Narcotics initially produce a feeling of euphoria that often is followed by drowsiness, nausea, and vomiting. Users may experience constricted pupils, watery eyes and itching. Overdoses may produce respiratory depression, clammy skin, convulsions, coma and death. Addiction in pregnant women can lead to premature, stillborn, or addicted infants who experience severe withdrawal symptoms. Use of narcotics can cause physical and psychological dependence.

Designer Drugs (Analog of Fenatyl, Analog of Meperidine, MDMA, Ecstasy Analog of PCP)

Many "designer drugs" are related to amphetamines and depressants and have mild stimulant and depressant properties. Use can produce severe neurochemical damage to the brain. Narcotic analogs can cause symptoms such as those seen in Parkinson's disease: uncontrollable tremors, drooling, impaired speech, paralysis, and irreversible brain damage. Analog of amphetamines and methamphetamines cause nausea, blurred vision, chills or sweating, and faintness. Psychological effects include anxiety, depression, and paranoia. Analog of PCP cause illusions, hallucinations, and impaired perception.

Anabolic Steroids

Steroid users subject themselves to more than 70 side effects, ranging in severity from acne to liver cancer, including psychological as well as physical reactions. The liver and cardio-vascular and reproductive systems are most seriously affected by use. In males, use can cause withered testicles, sterility, and impotence. In females, irreversible masculine traits can develop along with breast reduction and sterility. Psychological effects in both sexes include very aggressive behavior, known as "road rage", and depression. While some side effects appear quickly, others, such as heart attacks and strokes, may not show up for years.

**Legal Sanctions**

In accordance with the Drug-Free Schools and Communities Act of 1989, this section provides students with information on the potential legal sanctions associated with alcohol, tobacco, and/or illegal drugs or substances.

#### **Annual Security and Fire Safety Report**

Arizona Christian University, in compliance with Violence Against Women Reauthorization Act of 2013, and The Campus Sexual Violence Elimination (SaVE) Act which amended the Clery Act, reports annually to its employees, current and prospective students the statistics for the past three (3) years pertaining to reported crimes that have occurred on-campus, in certain non-campus buildings used by Arizona Christian University, and on public property within, or immediate adjacent to and accessible from the campus. This report includes the University's policies concerning campus safety, crime prevention, reporting incidents, prevention and awareness training relating to violence, sexual violence, domestic violence, and victim's rights.

### **Campus Security Act of 1990 (Clery Act)**

In compliance with the Student-Right-To-Know and Campus Security Act, Arizona Christian University seeks to provide a safe living environment. The University is concerned about the safety and welfare of its students and personnel. Therefore, in compliance with the Crime Awareness and Campus Security Act of 1990, the most current annual report on campus crime is located in the Campus Safety office. Members of the University family may request to view this report at any time. It covers the past five (5) years of activity.

### **Emergency Communication**

Arizona Christian University has partnered with Punch Alert as our mass notification system to provide an emergency response and direct communications between our Department of Campus Safety, students, faculty, adjuncts, staff, and guests. You can report an emergency quickly by pressing the red button to on-site responders and then discreetly share any additional emergency information through a text, photo, video, or recording. When you report an emergency, your location is sent to responders providing connected campuses and organizations real-time location tracking at the time of the emergency, for the duration of the emergency, and ending when the emergency is resolved.

Punch Alert allows Campus Safety, law enforcement, and fire department personnel the ability to manage an emergency in a coordinated and efficient manner from the time the emergency is received until it is resolved. ACU's mass notification system has a feature called "Post Tips." Our community can provide tips to Campus Safety relating to crimes, safety concerns, etc. The user in the Punch Alert App has the ability to provide text messages or photographs to Campus Safety in the event of emergency or other reportable incidents. Download the "Punch Alert" app to your smart phone to get timely warnings and other University notifications.

### **Timely Warnings**

In the event that a situation arises, either on or off campus that in the judgment of our Chief of Campus Safety and Executive Cabinet constitutes an ongoing or continuing threat, a campus-wide timely warning will be issued. The timely warning bulletins must be related to a crime that is reportable under The Clery or SaVE Act and represents a threat to the campus community; i.e. murder, robbery, sexual assault, arson, etc. as defined under Code of Federal Regulations 668.46(e).

Persons with information warranting a timely warning should immediately report the circumstances to the Department of Campus Safety, 1 West Firestorm Way, Glendale, AZ, 85306 or other University supervisory personnel (602-489-5301). The University's President or designee, in consultation with the Chief of Campus Safety, will approve all timely warnings prior to posting.

Reasonable steps will be taken to notify campus personnel, including but not limited to emails, texting, cell phones, voice messages, and/or public postings, as appropriate to the situation. Students, staff and faculty who wish to sign up for Punch Alert, our University's mass notification system, can do so online by logging onto the ACU Campus Safety website, and following the prompts ([www.arizonachristian.edu/campussafety](http://www.arizonachristian.edu/campussafety)).

### **Emergency Response Plans**

Upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus, the University will use this process:

1. Confirm that such an emergency exists;
2. Determine the appropriate segment or segments of the campus community to receive a notification;

3. Determine the content of the notification; and
4. Initiate the notification system.

The Chief of Campus Safety, or designee, will initiate the content of the notification, and deploy a message to the University's community if life safety/exigent circumstances exist. Otherwise if time allows, the notification will be reviewed by the University's President, and once approved the notification will be sent out via the University's mass notification system. Campus Safety will respond to and attempt to contain the incident, or mitigate the emergency until law enforcement authorities arrive.

The University President or designee will consult with the Chief of Campus Safety as soon as possible for updates on the emergency response, evacuation, and follow up plan of action to return the University back to "normal" operations. The Chief of Campus Safety will conduct an annual test of the University's emergency response and evacuation procedures:

- Tests may be announced or unannounced
- Emergency response and evacuation procedures are available through the online Campus Safety Computer web-based training and our Punch Alert Mass Notification App
- Notification will be done through our University's mass notification system.

Emergencies, accidents, injuries and other unexpected events can occur at any time and in any place. Being prepared both mentally and physically for the unexpected is the first and best defense to minimize an accident. Each of us must take a pro-active approach to providing a safe environment and, although no guide can cover all situations, standard emergency procedures will help prepare you should an emergency arise.

Campus Safety has published detailed emergency response plans and procedures on its website for various incidents, including:

- |                                |                                |

Arizona DPS is responsible for maintaining the site and annually verifies the addresses of all registered sex offenders. For more information go to [www.azdps.gov/services/sex\\_offender/](http://www.azdps.gov/services/sex_offender/).

ACU Department of Campus Safety may notify the campus community of a registered sex offender as required by law. The notification process could be through safety alerts on the campus safety webpage or posted at the Campus Safety office.

In accordance with the Fair Housing Act (FHA), colleges and universities must make reasonable accommodations for students living in the residence hall who require an assistance animal. ## Marriage and Human Sexuality<sup>7</sup>

### **Preamble**

We believe that all matters of faith and conduct must be evaluated on the basis of Holy Scripture, which is our infallible guide. (2 Timothy 3:16–17) Since the Holy Bible does speak to the nature of human beings and their sexuality, it is imperative that we correctly understand and articulate what the Bible teaches on these matters.

We are committed to the home and family as set forth in Holy Scripture. We believe God has ordained and created marriage to exist between one man and one woman, with absolute marital fidelity. The Bible sets forth specific home and family values, which include the distinct roles of husbands and wives, fathers and mothers, and children. It is our firm conviction that we uphold the dignity of each individual as we embrace the unchanging and longstanding principles of scriptural truth. These principles have been consistently taught and enforced since the University was found in 1960, and are essential to ACU's religious and educational purposes.

### **Religious Beliefs**

Based on Holy Scripture and the constant moral teaching of the universal Church, we believe:

#### **Marriage**

Arizona Christian University defines marriage as the permanent, exclusive, comprehensive, and conjugal “one flesh” union of one man and one woman, intrinsically ordered to procreation and biological family, and in furtherance of the moral, spiritual, and public good of binding father, mother, and child. (Genesis 1:27-28, Genesis 2:18-24, Matthew 19:4-9, Mark 10:5-9, Ephesians 5:31-33).

#### **Sexual Immorality**

Arizona Christian University believes that sexual acts outside marriage are contrary to scriptural teaching and sinful. Consequently, Arizona Christian University community members should resist and refrain from any and all sexual acts outside marriage — including but not limited to adultery, fornication, incest, zoophilia, pornography, prostitution, masturbation, voyeurism, pedophilia, exhibitionism, sodomy, polygamy, polyamory, sologamy, or same-sex sexual acts. (Exodus 20:14, Leviticus 18:7-23, Leviticus 20:10-21, Deuteronomy 5:18, Matthew 15:19, Matthew 5:27-28, Romans 1:26-27, 1 Corinthians 6:9-13, 1 Thessalonians 4:3, Hebrews 13:4, Galatians 5:19, Ephesians 4:17-19, Colossians 3:5). However, as articulated in the section entitled “Sexual Redemption,” God is willing and able to forgive and heal all sexual sin.

#### **Gender**

Arizona Christian University believes God created mankind in His image: male (man) and female (woman), sexually different but with equal personal dignity. Consequently, Arizona Christian University community members must affirm their biological sex and refrain from any and all attempts to physically change, alter, or disagree with their predominant biological sex — including but not limited to elective sex-reassignment, transvestite, transgender, or non-binary “genderqueer” acts or conduct. (Genesis 1:26-28, Romans 1:26-32, 1 Corinthians 6:9-11).

<sup>7</sup> Adapted from the First Liberty Institute.

## **Human Sexuality**

Arizona Christian University believes that God created and ordered human sexuality to the permanent, exclusive, comprehensive, and conjugal “one flesh” union of man and woman, intrinsically ordered to procreation and biological family, and in furtherance of the moral, spiritual, and public good of binding father, mother, and child. Consequently, Arizona Christian University community members must affirm the sexual complementarity of man and woman and resist any and all same-sex sexual attractions and refrain from any and all same-sex sexual acts or conduct, which are intrinsically disordered. (Genesis 1:27, Genesis 2:24, Matthew 19:4-6, Mark 10:5-9, Romans 1:26-27, 1 Corinthians 6:9-11, Ephesians 5:25-27, Revelation 19:7-9, Revelation 21:2).

## **Sexual Redemption**

Arizona Christian University believes that all have sinned and fall short of the glory of God and should seek redemption through confession, repentance, baptism, and faith in Jesus Christ. Consequently, Arizona Christian University members must welcome and treat with respect, compassion, and sensitivity all who experience same-sex attractions or confess sexually immoral acts but are committed to resisting sexual temptation, refraining from sexual immorality, and conforming their behavior to the Arizona Christian University Statement of Faith. (Matthew 11:28-30, Romans 3:23, Ephesians 2:1-10, 1 Corinthians 10:13, Hebrews 2:17-18, Hebrews 4:14-16).

## **Celibacy**

Arizona Christian University believes that Holy Scripture grants two life-enhancing options for human sexual behavior: (1) the conjugal “one flesh” marital union of one man and one woman, and (2) celibacy. Either is a gift from God, given as He wills for His glory and the good of those who receive and rejoice in His gift to them. Celibacy and faithful singleness are to be celebrated and affirmed within Arizona Christian University. (Genesis 1:27-28; 2:18, 21-24; Matthew 19:4-6; Mark 10:5-8; Hebrews 13:4; 1 Corinthians 7:1-8; Matthew 19:12; 1 Corinthians 12:12-13; Romans 12:10; 1 Timothy 5:1-2).

### **Application**

All of our community members, including students, employees, and volunteers, must affirm and adhere to this Doctrinal and Religious statement on marriage and human sexuality to qualify for involvement with Arizona Christian University. This is necessary to accomplish our religious mission, goals and purpose. Behavior or counter-witnessing that does otherwise will impede and burden our integrity and religious mission. We believe that God’s grace can wipe clean the slate of guilt and sin, though the consequences are still incurred.

### **Authority**

The Bible is the inspired and infallible Word of God, acting as the source of authority over morality, our beliefs, Christian lifestyle and conduct. The Arizona Christian University Board of Trustees is charged with the ministerial responsibility of Biblical interpretation and promulgating religious policy.

The Arizona Christian University Board of Trustees will determine life application as well as final matters relating to church theology, philosophy, Christian practice, faith, divine truth, morality, and theological and doctrinal resolutions.

## Non-Disciplinary Policy

Arizona Christian University recognizes that students may struggle with real life issues that might conflict with the University's values, Student Handbook, or other issues that might negatively impact the University community or challenge a student's relationship with Christ. Examples include, but are not limited to, students struggling with issues related to alcohol or drug abuse, marriage and human sexuality, or forms of dishonesty.

ACU encourages students who are struggling with personal issues to voluntarily contact Student Development staff members for guidance and support via the University's Non-Disciplinary Policy. Students who voluntarily contact Student Development staff will be supported without fear of being disciplined under the University's disciplinary processes. Students pursuing the Non-Disciplinary Policy for incidents involving several students will be expected to disclose information about those students and participate in any formal disciplinary process involving those students.

Through the University's Non-Disciplinary system, the University desires to demonstrate and incorporate personal accountability and biblical restoration. We believe that a truly Christian community will be accepting of its members who are struggling with sin. At the same time, however, the community will not condone sin by ignoring it. We are committed to accountability and restoration by consistently speaking the truth in love. Our primary focus is the heart. Behavior is important, but only as an indicator of the condition of a person's heart. Our Non-Disciplinary Policy targets heart change, not mere external conformity or compliance.

Students pursuing the Non-Disciplinary Policy will be expected to agree and participate in various interventions designed to support the student, including, but not limited to, counseling sessions, mentoring sessions, random drug tests, accountability barriers, leaves of absence, or other appropriate directives. Students failing to uphold their agreement or continue in the undesired behavior may be subject to the formal disciplinary process.

Students may not attempt to pursue the Non-Disciplinary Policy if:

- The formal disciplinary process is already underway
- The student was involved in an incident involving law enforcement
- The issue is related to sexual assault or harassment

The Non-Disciplinary Policy is under the authority of the Dean of Students. Based on the nature of the issue, the Dean of Students reserves the right to deny a request for the Non-Disciplinary Policy.

## Non-Discriminatory Policy

Arizona Christian University does not discriminate on the basis of gender, genetic information, race, national or ethnic origin, mental and/or physical disability, or age in administration of its educational policies, admissions policies, financial aid programs, athletics, and other university-administered programs.

All financial accounts must be paid in full before diplomas, transcripts, and placement folders will be released.

## Photocopy Machines

Students who need to make photocopies may do so in the Library. The Library staff will provide students with any needed password for use. All photocopy charges must be paid in full at the time of production. It is considered to be unethical conduct for students to use unassigned photocopier passwords or neglect paying for production costs.

## Physical Conflict

All members of the ACU community have the right to live, learn, and function in an environment free of actual or threatened unwanted physical touching, physical harm or physical conflict. Examples of physical conflict can include, but not limited to, fighting, hitting, kicking, punching, unwanted touching, or any other form of physical conflict or altercation with the intent to cause harm. Students found responsible for physical conflict will be subject to escalated disciplinary action, including disciplinary probation, suspension, or expulsion.

Quiet hours apply to all areas surrounding the residence hall and apartments. Upper-floor residents are encouraged to be considerate of lower-floor residents at all times. Quiet hours are 10:00 p.m. to 7:00 a.m. daily. Residents who have concerns regarding quiet hour violations should respectfully address the issues with the person(s) in violation. If this fails, a Resident Assistant should be consulted. Not adhering to the quiet hours may result in disciplinary action.

## Readmission

Students who have stopped pursuing a degree after a specified amount of time may no longer be considered an active, enrolled student by the University. Students should consult Admissions to determine their status with the University and consult the Academic Catalog for proper policies and procedures for readmission.

### **Readmission after Academic Suspension**

In some cases, poor academic performance could result in a student being academically suspended. Please consult the Academic Catalog for information about academic suspension and the process for potential readmission after being academically suspended.

### **Readmission after Administrative Withdrawal**

In unique situations, such as serious medical/health reason, significant personal reasons, or disciplinary reasons, students may be administratively withdrawn by the University (see the Administrative Withdrawal section of this Student Handbook for details).

Students who have received an Administrative Withdrawal and wish to return to ACU must submit an appeal for readmission to the Dean of Students. Appeals to be readmitted after an Administrative Withdrawal are not automatically granted, even after the designated time period (if applicable).

In order to be considered for readmission, students must:

- Submit a written appeal to the Dean of Students.
- Complete all assigned sanctions or requirements listed in the student's Administrative Withdrawal letter.

Written appeals are formal letters written by the student to the Dean of Students indicating reasons why the student should be readmitted, ways in which the student has rehabilitated, learned or grown during their time off, and how the student plans to be successful upon returning to the University community. The Dean of Students may request supplemental information in addition to the written appeal when considering a readmission request. Each appeal is considered carefully and individually on its own.

Once all conditions are met, the Dean of Students will review all information and either approve or deny readmission. The decision of the Dean of Students is final.

Students readmitted following an Administrative Withdrawal are required to meet with the Dean of Students prior to attending classes. If readmitted, other restrictions or expectations may be imposed on the student as a condition to remain in good standing with the University.

## Replacement of a Grade

Please consult the Academic Catalog for all policies regarding replacing a grade.

### Dining/Meal Plan Requirements

A residential meal plan is required for all ACU students living on-campus and a commuter meal plan is required for all students approved to live off campus. Meal plans can be purchased online through the housing website.

For the most updated list of residential and commuter meal plans and prices, please consult the Tuition and Fee Schedule on the University's website.

### Releases

- Releases from the housing and/or meal plan policy are rare and granted only in special situations when the University is unable to make appropriate accommodations for students with serious health problems and/or disabilities.
- All petitions for release must be submitted to the Office of Residence Life, which may require additional supporting documentation for verification purposes.
- The University reserves the right to grant a release to this policy when determined necessary by University officials, including cases where housing space is unavailable.
- Releases from the housing and/or meal plan policy are limited only to the academic year for which it was granted. A release granted during one year in no way guarantees that a student will be granted that same release the following year.
- All students approved to live off campus will be required to have a commuter meal plan.

### Common but Rarely Granted Reasons for Release

- Already signed a lease. A signed off-campus lease does not release a student from the housing requirement. Students are advised not to sign leases until first receiving an approved release from the housing requirement from the Office of Residence Life.
- Allergies and/or asthma. Allergies or asthma rarely prevent students from living or thriving academically in on-campus housing. In severe cases, the University will provide reasonable accommodations to help alleviate symptoms related to allergies. Students who need an accommodation for allergies, asthma, or other health issue should contact Disability Resources for assistance.
- Bad experience with roommate or floor mates. The Office of Residence Life staff works to ensure that all students have a positive and rewarding housing experience. In situations where roommates are not compatible, the staff will encourage mediation or accommodate a room change.
- Finances. It is assumed that students who attend Arizona Christian University are able to pay for the cost of attendance, including the housing requirement. Students who experience a change in their financial situation should contact Financial Aid to explore options.
- Food/Dining. The University has partnered with Sodexo to provide campus-wide food service to its students. Sodexo can work with students to accommodate almost all food related allergies, special diets, or other dietary restrictions.

- **Lack of Privacy.** Sharing a living space is part of ACU's educational experience and students may experience less privacy on campus than in their home off-campus. In cases of severe disturbance of privacy, the Office of Residence Life will intervene and ensure the student privacy is secured via a room change or other appropriate action.

### **Petition Policy and Procedure**

Under unique circumstances, students required to live on campus under this policy may petition to be released from the requirement. Petitions are open during designated times throughout the academic year, in preparation for the upcoming semester. Once the Office of Residence Life has received a petition and additional required documentation (if necessary), they will submit the paperwork to the Director of Residence Life for review. The Director of Residence Life's decision is considered final.

Note: Providing false information (verbal or written) related to off-campus housing, including failure to contact the Residence Life Office prior to any change in off-campus housing classification, will subject the student to moving immediately into a residence hall, being financially responsible for room and meal plan payments for any period of enrollment, for which, or during which, false or no information was provided, and probable disciplinary action through the on-campus community policies.

### **Appeals Procedure for Denied Petitions**

Appeals of Office of Residence Life decisions may only be heard if one of the following grounds are met:

- **Procedural error:** The University did not follow its own published procedures.
- **New Information:** New information not considered during the petition process becomes available and could significantly alter the outcome, including evidence of bias.

Appeal requests must be submitted to the Director of Residence Life no more than five (5) business days after the initial decision is communicated. Written requests must include the following information. Requests failing to meet these instructions will not be considered:

- Name, address, telephone number, and University identification number of the appellant;
- The grounds for appeal and any supporting documentation;
- Signature of the appellant and date of submission

The Director of Residence Life will forward the appeal to a Housing Committee for review and decision. The Housing Committee will respond to the appeal within ten (10) business days of receipt. If criteria for an appeal are not met, the appeal will be denied and the original decision is final. Additional requests are not permitted. If criteria for an appeal are met, the Housing Committee will either uphold or reverse the original decision. The decision of the Housing Committee is final and no other appeals may be submitted.

### **Housing Charges**

All students under the age of 23 will be automatically charged for General Housing and a residential meal plan which will reflect on their student account. General Housing and residential meal plan charges will not be removed from a student's account unless the student is approved to be released from the housing and meal plan requirement. In order to be considered for release from the housing and meal plan requirement, students must submit a formal Housing Petition to the Office of Residence Life. The Housing Petition will be considered by the Director of Residence Life to be either approved or denied.

### Students Living Off-Campus (Housing Petition Charges)

Students living off-campus who submit a formal Housing Petition for an approved release prior to the second week of classes will be released from the housing requirement without penalty.

Students living off-campus who submit a formal Housing Petition for an approved release after the second week of classes will be released from the housing requirement but issued a \$250 administrative penalty.

Students living off-campus who submit a formal Housing Petition for an unapproved exemption at any time will be denied a release from the housing requirement, assigned to a room on campus, and be held financially responsible for housing and meal plan charges for the entire academic year.

The following chart outlines the potential penalties discussed above:

	Approved exemption	Unapproved Exemption
Petition submitted before 2nd Week of Classes	No penalty	Assigned a room; Charged full housing and dining
Petition submitted after 2nd Week of Classes	\$250 fine	Assigned a room; Charged full housing and dining

### Students Living On-Campus

Students currently living on-campus who wish to be released from housing should refer to the housing contract for information on that process.

The Residence Life Office reserves the right to refuse housing to students who (1) are not in good standing with the University based on conduct and/or finances (2) violate the Housing Contract and/or (3) have a criminal record. It is the policy of the University to carefully screen students who have been charged and/or convicted of a crime and make a determination on a case-by-case basis.

For more information and details regarding the policies of living on campus such as refunds, cancellations, terminations, etc. please review the Housing Contract and Agreement.

## Residence Life Policies

This Student Handbook contains policies that pertain to all or most of the ACU community, including students that both live on and off-campus. For other detailed policies related to living on campus, please consult the Residence Life Handbook or contact [reslife@arizonachristian.edu](mailto:reslife@arizonachristian.edu).

Hazing does not include customary athletic events or similar contests or competitions and is pertaining to those actions taken and situations created in connection with initiation into or affiliation with any organization. Regardless of intent or motive, any student participating in an activity which potentially endangers or adversely affects another is subject to disciplinary action.

### **Clery Act**

In compliance with federal regulations, Arizona Christian University annually reports all criminal activity mandated by the Clery Act. As outlined by the Clery Act, criminal acts that must be reported include Murder and Non-negligent Manslaughter, Sexual Assault, Robbery, Aggravated Assault, Burglary, Motor Vehicle Theft, and Arson. In addition to these offenses, Larceny-Theft, Simple Assault, Intimidation, and Destruction/Damage/Vandalism of Property must be reported if those offenses are Hate Crimes. Arizona law provides for the possibility of enhanced penalties for hate crimes. Arizona Revised Statute 13-701 says, in part, that for the purpose of sentencing the court shall consider a number of aggravating circumstances. One of the identified aggravating circumstances is "evidence that the defendant committed the crime out of malice toward a victim because of the because of the perpetrator's bias against the victim's identity.

Incidents of a criminal nature shall be submitted to the proper authorities for prosecution. All incidents involving hate crimes or discrimination will be reported to Campus Safety, Human Resources, or Student Development. The Department of Campus Safety will conduct the initial investigation, and forward the findings to Students Development for review. Student Development will determine the discipline for each incident ranging from No Action to Expulsion.

Arizona Christian University is committed to securing and maintaining a safe environment that encourages academic success and social integration. Arizona Christian University recognizes the human dignity of all individuals and works to ensure all students, faculty, staff and other community members are valued and treated with the utmost respect. Arizona Christian University rejects and strictly prohibits all forms of harassment among students, faculty, staff, and other community members. threats in written, spoken, or digital forms. Examples of physical harassment could include, but not limited to, unwelcome touching, assaults, or acts of violence. Generally, harassment involves any unwanted or unwarranted conduct that violates another individual's dignity or creates an offensive, intimidating, hostile, degrading, or humiliating atmosphere for another individual.

Students with knowledge of or who have experienced harassment should report the incident to the Student Development Division by emailing [studentconduct@arizonachristian.edu](mailto:studentconduct@arizonachristian.edu). *Note: If the incident is related to Sexual Harassment, please consult the Title IX/Sexual Misconduct Process section of this Student Handbook.*

In the report, individuals must provide the following information:

- Description of the alleged violation(s).

## Sale and Solicitation

ACU prohibits solicitation, sales, or door-to-door canvassing by students or non-students on university property, except with permission of the Dean of Students or his/her designee.

## Sexual Harassment Policy

Arizona Christian University is committed to providing an environment free of discrimination. In implementing this commitment, Arizona Christian University maintains a strict policy prohibiting unlawful harassment, including sexual harassment. It is important to note that jokes, stories, cartoons, nicknames, and comments about appearance may be offensive to others. All students and employees are required to report any incident of harassment they witness or they are subjected to.

Sexual harassment includes, but is not limited to, making unwanted sexual advances and request for sexual favors where either; (1) submission to such conduct is made an explicit or implicit term or condition of employment or of the individual's status in a program, course or activity; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions, a criterion for evaluation, or a basis for academic decisions or other decisions affecting such individual; (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance and/or educational experience and/or creating an intimidating, hostile, and/or offensive work and/or educational environment. Employees and/or students who violate this policy are subject to discipline, up to and including termination of employment, and expulsion for a student.

If you believe that you have been harassed, you should promptly report the facts of the incident(s) and the names of the individuals involved to your supervisor, Human Resources, or the Dean of Students. Supervisors should immediately report any incidents of harassment to Human Resources, or the Dean of Students. The Dean of Students will investigate all such claims and ACU will take appropriate corrective action, including disciplinary action when it is warranted.

Sexual harassment is also prohibited by Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972. Title IX complaints will be forward to Dr. Jared Black, the University's Title IX Coordinator and Dean of Students, who will initiate the University's investigation.

The University does not condone retaliation against any member of the faculty, staff, student body, or other employee of the University who has made a report of alleged sexual harassment or against anyone that has testified, assisted, or participated in the investigation of such a report. Retaliation is a violation of Title VII and Title IX and also will lead to disciplinary action by the University against the offender.

## Social Media

The University reserves the right to investigate and take action against any Campus group or student for posting of material on an internet site that violates, or appears to violate, University code of conduct. Internet postings, chats, or messaging that may violate these guiding principles include but are not limited to: postings of information, images or language that inappropriately represent the University to the public, including but not limited to partial or total nudity, sexual misconduct, violations of the University's alcohol and substance abuse policies, hazing activities, indecent or obscene behavior, language, or gestures, racist or offensive racial imagery, and/or threatening or violent content.

Campus groups (clubs, organizations, teams, etc.) or students who would like to create a blog or social media account branded with the ACU name, logo, implied name, or ACU brand (including a Facebook page, Twitter account, Instagram, Snapchat, Google+ page, Vimeo account, or YouTube channel, etc.), must seek prior approval through the Advancement Department. A representative from the Advancement Department must be provided with administrative access to the account. Consultation for social media promotion is available upon request.

## Spiritual Formation Program (Campus Students)

The mission of the Spiritual Life Department is to engage and equip the ACU Community in following Jesus through Worship, Discipleship and Service. Spiritual Life at ACU complements the classroom experience and the local church in spiritual formation. The Spiritual Life office works with students, faculty and staff in creating opportunities to love God and others through gatherings, events, programs and community partnerships.

All full-time campus students (12 or more credit hours) are automatically enrolled and required to participate in SSR100 Chapel each semester. SSR100 Chapel is a 0-credit Pass/Not Pass co-curricular course that has no impact on a student's academic grade point average (GPA). SSR100 Chapel has two parts: 1) Chapel attendance, and 2) service hours. To receive a Pass grade, students must attend at least 22 Chapels and serve at least 14 service hours each semester (22/14). The 22/14 hours of Spiritual Formation must be completed by the Monday of Finals week.

### Chapel

Arizona Christian University gathers for chapel every Tuesday and Thursday from 10:00 a.m. to 11:00 a.m. during the Fall and Spring semesters (except during holidays or breaks). The purpose of Chapel is to gather for worship, fellowship, personal development and spiritual formation. Therefore, chapel is considered a vital part of a student's academic and spiritual experience at ACU. Speakers include pastors, youth pastors, missionaries, faculty members, Christian leaders, and students. Its purpose is to bring us closer to our primary goal of loving God.

### **Chapel Attendance Policy**

There are 30 chapel gatherings each semester and students must attend at least 22. Students are welcome and encouraged to attend more than 22 chapels each semester, but only 22 will be counted toward their 22/14 Spiritual Formation requirement. Students will only receive chapel credit for attending chapel – no other outside programs (e.g. attending church, seminars, etc.) will count as chapel attendance unless pre-approved and authorized by the Dean of Students.

Students are required to present their own physical photo Student ID to swipe in at the computer to record attendance. Students may not swipe in another student for chapel. Students without a Student ID will not be counted. Students engaging in deceptive behavior as it pertains to chapel attendance will be subject to having attendance revoked, as well as disciplinary action. Students may swipe in between 9:50 a.m. and 10:10 a.m. Students arriving after 10:10 a.m. are welcome to stay for Chapel but they will not be able to swipe in and attendance will not be counted. Students who are disruptive or leave Chapel before it concludes will be subject to having chapel attendance revoked, as well as disciplinary action.

The University allows students to miss up to eight (8) chapels each semester for any reason without penalty. The University does not consider any absence to be excused or unexcused. All absences from chapel, including those attributed to illness, personal matters, or extracurricular activities (including athletic team travel), must be within the 8 absences permitted by the University. Students with between 9-12 absences may request to complete up to four (4) Spiritual Formation make-assignments to bring their total absences back to eight (8). Please see the “Request to Complete Spiritual Formation Make-Up Assignments” section for details and guidelines. Students with 13 or more absences will fail the Spiritual Formation requirement for that semester.

### **Checking Your Chapel Attendance Progress**

To check your chapel attendance progress, including how many chapels you have attended and/or number of chapel absences you have accrued, go to the chapel course in Populi (SSR100 Chapel).

Chapel attendance is collected and saved upon scanning in at the beginning of each Chapel with your Student ID. Attendance is formally recorded and uploaded to the student’s attendance report in Populi within 2-3 business day of that chapel date.

Students should regularly check their attendance reports to confirm that attendance is recorded accurately. If there is a dispute or error regarding attendance, students have three (3) business days from the date of the chapel in question to request a review. Requests for review must be sent to [spiritual.formation@arizonachristian.edu](mailto:spiritual.formation@arizonachristian.edu). The Spiritual Formation team will review the request and determine if the student was present or absent based on the original chapel scan records. The Spiritual Formation team’s decision is final. Requests to review attendance more than three (3) business days after the date of the chapel in question will not be considered and the student’s original attendance determination will stand.

It is the student’s responsibility to keep track of their chapel attendance progress and ensure all chapel attendance records are accurate and up to date.

### **Chapel Petition Policy**

Students should plan their class and work schedules to be able to participate in the Spiritual Formation Program. In some situations, it may be extremely difficult or impossible for students to attend Chapel. Students may request to be exempt from attending Chapel by filing a petition to [spiritual.formation@arizonachristian.edu](mailto:spiritual.formation@arizonachristian.edu) explaining the student’s circumstances. Petitions must be received by Census Day of that semester, approximately two weeks after the first day of classes

(refer to the Academic Calendar for the specific date). By submitting a petition, students are requesting to be exempt from Chapel attendance. Exemption is not guaranteed.

In lieu of completing the 22/14 requirement, students who successfully petition out of chapel must complete 36 hours of Spiritual Formation through ACU's Spiritual Life opportunities, service in the local church, or other approved areas of discipleship and unpaid service. Students with pending petitions should attend chapel until the petition is approved or denied.

Students may be exempt from attending chapel under the following circumstances:

- The student does not have classes on Tuesdays or Thursdays AND is commuting 30 or more miles (must provide residential documentation)
- The student is part-time (11 or fewer credit hours)
- The student is student teaching (must provide documentation from the Roden School of Education)
- Other circumstances will be reviewed by the Spiritual Life Team and approved or denied on a case-by-case basis.

The Spiritual Formation Team will review the petition and decide to approve or deny the request. Petitioning students will be notified via email of the Spiritual Formation Team's decision from [spiritual.formation@arizonachristian.edu](mailto:spiritual.formation@arizonachristian.edu).

Students who do not have classes on Tuesdays or Thursdays AND are commuting 30 or more miles must fill out a petition that includes the student's residential address and send an email with a scanned copy of one (1) of the following to [spiritual.formation@arizonachristian.edu](mailto:spiritual.formation@arizonachristian.edu) in order to establish proof of residency:

- Selective service card, vehicle registration card or title, voter registration card, utility or telephone bill, checking or savings account statement, property tax bill or receipt, mortgage account or proof of home ownership, residential rental contract (apartment lease or other rental of real property), check with printed name and address

Education Majors who cannot attend chapel due to student teaching must fill out a petition and have the Head of the Roden School of Education send an email confirming your student teaching status to [spiritual.formation@arizonachristian.edu](mailto:spiritual.formation@arizonachristian.edu).

Chapel Petitions, if approved, are permitted for one (1) semester. If a student wishes to be exempt from chapel in future semesters, additional petitions must be submitted for each subsequent semester.

*Note:* Providing false information (verbal or written) related to a chapel petition will subject the student to immediately resume chapel attendance, and probable disciplinary action through the Student Conduct Process. If it is determined that false information was provided for past semesters, students will fail the Spiritual Formation requirement for the semester(s) in question and be issued the appropriate sanction(s), including all fines and related disciplinary actions, if applicable.

### **Service Hours**

Outside of the 22 chapel hours, 14 additional service hours must be completed each semester. These 14 hours can be completed by participating in ACU's Spiritual Life opportunities, service in the local church, or other approved areas of discipleship and service. Effective Fall 2019, any additional chapels attended above 22 may no longer be applied to a student's service hours.

If you complete your additional hours through ACU Spiritual Life opportunities, the Office of Spiritual Life will record your attendance. Examples of ACU Spiritual Life opportunities include:

- SHOP Prayer Gatherings
- Project 306
- Day of Outreach
- ACU Small Groups
- ACU Athletic Team Devotionals and Service Projects
- Mentoring (by ACU faculty/staff)
- Involvement in ACU Student Leadership
- Other ACU Service Projects

If you complete your additional hours through your local church or another organization, your pastor or supervisor will need to email [spiritual.formation@arizonachristian.edu](mailto:spiritual.formation@arizonachristian.edu) detailing your work and hours by the Monday of Finals Week. Please note that peers or family members cannot submit Spiritual Formation hours. Examples of opportunities in the local church include:

- Children and Youth Ministry
- Worship and Media Teams
- Service Projects (providing help or service to peers or family members not included)
- Mission Trips
- Sunday School
- Small Groups
- Mentoring (peers and family members not included)

### **Submitting Service Hours**

Students will submit their service hours using an online platform called Galaxy Digital. This platform can be accessed by going to <https://arizonachristian.galaxydigital.com/>. Students can email [spiritual.formation@arizonachristian.edu](mailto:spiritual.formation@arizonachristian.edu) for any questions.

### **Checking Your Service Hours Progress**

To check your Spiritual Formation progress, including how many hours you have completed and/or number of Chapel absences you have accrued, please email [spiritual.formation@arizonachristian.edu](mailto:spiritual.formation@arizonachristian.edu).

It is the student's responsibility to keep track of their Spiritual Formation progress and ensure all Chapel attendance and service hours are submitted and up to date.

Chapel attendance is automatically uploaded to an attendance report upon scanning in at the beginning of each Chapel with your student ID. Service hours, whether completed through ACU Spiritual Life opportunities or submitted by an outside supervisor, must be submitted through Galaxy Digital or by contacting [spiritual.formation@arizonachristian.edu](mailto:spiritual.formation@arizonachristian.edu).

### **Spiritual Formation Make-Up Assignments**

Students should regularly check their chapel attendance and service hours progress to ensure they will complete the 22/14 requirement each semester. Students in jeopardy of failing the 22/14 requirement may request to do up to four (4) make-up assignments before final grades are posted. Each make-up assignment is worth 1-hour and can be applied to either one (1) chapel attendance or one (1) service hour. Please see the "Request to Complete Spiritual Formation Make-Up Assignments" section for details and guidelines.

### **Request to Complete Spiritual Formation Make-up Assignments**

A student may request to do up to four (4) make-up assignments at any time between the first chapel of the semester to the last day of classes of the semester. To begin the process, the student

must email [spiritual.formation@arizonachristian.edu](mailto:spiritual.formation@arizonachristian.edu) and make the request. Requests to complete make-up assignments cannot be submitted after final grades have been posted (see Academic Calendar for final grade posting dates). The Spiritual Formation Team will review the request and decide to approve or deny the request.

If the request is denied, the student will be informed via email of the decision. If the request is approved, the student will be given specific instructions on how to complete the make-up assignments by the Spiritual Life Department. Exemplary, original work is expected for chapel make-up assignments including, but not limited to, grammar, punctuation and content. ACU's Academic Integrity policy applies to chapel make-up assignments. Students are expected to put forth an honest, respectful, and thoughtful effort. Failure to complete make-up assignments under these standards and instructions may result in failing Spiritual Formation hours for that semester as well as further disciplinary action under the University's Failure to Comply policy, with sanctions including disciplinary probation, suspension or expulsion.

### **Late Submissions and Final Grade Posting**

All 22/14 Spiritual Formation hours, including make-up assignments, must be submitted by the Monday of Finals Week each semester to [spiritual.formation@arizonachristian.edu](mailto:spiritual.formation@arizonachristian.edu). Students who submit their hours (or make-up assignments) late from the Tuesday of Finals Weeks through the next Monday (7 days) will be issued a \$50 administrative fine. On the next Monday, final grades will be posted to the student's transcript. Spiritual Formation hours (and make-up assignments) submitted after final grades have been posted will not be accepted and the student will fail the Spiritual Formation requirement for that semester.

### **Failing to Meet Spiritual Formation Requirements**

The Spiritual Formation Program is a Pass or Not Pass program. Students who fail to attend a minimum of 22 Chapels and complete 14 service hours will be subject to the following disciplinary sanctions. The University reserves the right to review each situation on a case-by-case basis and determine the appropriate sanction or response.

### **Changes to Spiritual Formation Requirements**

The University reserves the right to modify the requirements or structure of this Spiritual Formation program at any time in order to meet its educational and operational objectives. In the event a change is necessary, the University will communicate those changes to students.

#### First Semester Failed

- \$375 fine, 'NC' (No Credit) on student record.
- Failing to pay the \$375 fine will result in a Student Services Hold placed on the student's account. Student Services Holds prevent students from registering for classes, graduating, receiving a diploma, or obtaining transcripts.

#### Second Semester Failed

- \$500 fine, Spiritual Formation probation, 'NC' (No Credit) on student record.
- Spiritual Formation probation is a status in which a third failure of Spiritual Formation hours could result in escalated sanctions by the University, as determined by the Dean of Students. Spiritual Formation probation will remain on the student's record for the duration of his/her enrollment.
- Failing to pay the \$500 fine will result in a Student Services Hold placed on the student's account. Student Services Holds prevent students from registering for classes, graduating, receiving a diploma, or obtaining transcripts.

### Third (or More) Semester Failed

- \$500 fine, 'NC' (No Credit) on student record, review by the Dean of Students.
- The Dean of Students will review the student's case and determine the appropriate action or sanction, which might include suspension or expulsion from Arizona Christian University.
- Failing to pay the \$500 fine will result in a Student Services Hold placed on the student's account. Student Services Holds prevent students from registering for classes, graduating, receiving a diploma, or obtaining transcripts.

*\*Note: Students must attend a minimum of 22 chapels and complete a minimum of 14 service hours each semester. Any chapels attended above 22 may not be counted toward service hours, and any service hours accumulated above 14 may not be counted toward chapel hours.*

### **Appeals Procedure**

Appeals of Spiritual Life Team decisions may only be heard if one of the following grounds are met:

- **Procedural error:** The University did not follow its own published procedures.
- **New Information:** New information not considered during the request becomes available and could significantly alter the outcome, including evidence of bias.

Appeal requests must be submitted in writing by the student to the Dean of Students no more than five (5) business days after final grades have been posted. Written requests must include the following information. Requests failing to meet these instructions will not be considered:

- Name, address, telephone number, and University identification number of the appellant;
- The grounds for appeal and any supporting documentation;
- Signature of the appellant and date of submission

The Dean of Students will respond to the appeal within five (5) business days of receipt. ## **Student-Employee Relationships**

Arizona Christian University generally prohibits dating or romantic relationships between students and employees of the University (i.e. faculty or staff). Consensual relationships between students and employees potentially create an environment where trust and authority of employees are compromised or power differences between employees and students may be exploited. Inappropriate or unwelcome behavior initiated by an employee can be reported to the University's Title IX Coordinator or to [Human.Resources@arizonachristian.edu](mailto:Human.Resources@arizonachristian.edu) for review.

## **Student Employment**

The University offers several opportunities for employment on-campus, including opportunities under the Federal Work Study program. In order to qualify for positions under the Federal Work Study program, students must demonstrate financial need and show academic promise sufficient to maintain good standing. Further information regarding on-campus student employment may be obtained by contacting the Career Services offices within the Student Development Division. Enrolled students may be restricted in the total number of hours per week they are authorized to work. The limitations are determined by the number of semester credits they are carrying in any given semester.

In addition to employment opportunities at ACU, many opportunities exist for employment in the local community. Businesses near the campus have been a source of jobs for Arizona Christian University students. Students and alumni can also contact ACU's Career Services program for information on job opportunities on and off-campus by emailing [jobs@arizonachristian.edu](mailto:jobs@arizonachristian.edu).

## Student Organizations

Arizona Christian University highly encourages students to become involved in extracurricular leadership opportunities, including student clubs and organizations. Student organizations are required to apply annually for formal recognition by Arizona Christian University through the Student Development Division. Formal recognition provides Arizona Christian University the ability to extend resources and support to student organizations and to manage opportunities to enhance the student experience, enrich the campus community, and advance the mission and vision of the University. After receiving University recognition, student organizations must remain in good standing.

Students are highly encouraged to start student organizations that fit their interests and align with the mission and vision of Arizona Christian University. In order to start a club or organization, students must:

1. Attend a student organization orientation
2. Submit a student organization application, and
3. Receive a decision from Student Development

In the student organization application, petitioning student organizations must provide:

1. Organization information
2. Student leader information
3. Faculty/Staff Advisor information
4. An organization constitution
5. Agreement to the Student Organization Rights and Responsibilities

To begin the process of creating a student organization or for more information about student organizations, contact Student Development at [studentorganizations@arizonachristian.edu](mailto:studentorganizations@arizonachristian.edu).

# Student Code of Conduct

## Philosophy

The purpose of the disciplinary system of Arizona Christian University is to promote personal godliness and to maintain an atmosphere conducive to maximum academic and spiritual growth. Student Development personnel, staff and faculty are ready to help.

Through our system, we desire to demonstrate and incorporate personal accountability and biblical restoration. We believe that a truly Christian community will be accepting of its members who are struggling with sin. At the same time, however, the community will not condone sin by ignoring it. We are committed to accountability and restoration by consistently speaking the truth in love. Our primary focus is the heart. Behavior is important, but only as an indicator of the condition of a person's heart. Our accountability and restoration system targets heart change, not mere external conformity or compliance.

The system is here for the welfare of all students. Failure to adhere to the system renders the student liable to discipline.

Arizona Christian University is committed to conducting its Student Conduct Process in a way that is centered on fairness, education, and respect.

- **Fairness.** Arizona Christian University will structure its Student Conduct Process in a consistent manner that is free of bias or favoritism, providing all students with a fair hearing and decision.
- **Education.** Arizona Christian University will structure its Student Conduct Process in a manner that promotes the education, development, and spiritual growth of students into personally responsible members of the ACU community.
- **Respect.** Arizona Christian University will structure its Student Conduct Process in a manner that respects the privacy and dignity of all individuals participating in the process.

## Jurisdiction

The Arizona Christian University Student Code of Conduct applies to all conduct on-campus, all conduct at University-related events off-campus, and any conduct on or off-campus that adversely affects the University, its objectives, and/or the health, safety and welfare of the members of the ACU community, as determined by University officials. All student conduct occurring on social media, email, text, or other forms of electronic communication are subject to this Student Code of Conduct. In addition to the rules and policies outlined in this Student Code of Conduct, students are expected to obey and uphold all local, state, and federal laws with violations subject to disciplinary action. Students are responsible for their conduct and subject to this Student Code of Conduct beginning at the time of enrollment through graduation or date of withdrawal. All questions regarding the Student Code of Conduct should be directed to the Student Development Division.

## Authority

Arizona Christian University reserves the right to initiate the Student Conduct Process for any reported student or student organization conduct occurring during or between any periods of enrollment. The Student Conduct Process is under the authority of the Dean of Students and the Student Development Division, as delegated by the President and the Provost and Chief Operating Officer of Arizona Christian University. The Dean of Students, as well as Student Development staff members or other designees appointed by the Dean of Students, may initiate the Student Conduct Process, conduct hearings, determine responsibility, and issue sanctions. The Dean of Students and his/her designees may determine the most appropriate action for handling student conduct violations, including initiating the formal Student Conduct Process or speaking informally to the

student. The Dean of Students and his/her designees reserve the right to place a Student Services hold on student accounts of students who fail to comply with the Student Conduct Process or fail to carry out the assigned sanctions. Student Services holds prevent students from registering for classes, graduating, receiving a diploma, or obtaining transcripts.

### **Level of Proof**

Arizona Christian University's Student Conduct Process is separate from Criminal or Civil Systems. As an educational institution, Arizona Christian University has created its Student Conduct Process to promote the education, development, and spiritual growth of its students and it is not to be equated with Constitutional Due Process. With that, Arizona Christian University's Student Conduct Process does not adhere to the standard rules of evidence used in Criminal Systems when determining guilt or responsibility (i.e. beyond a reasonable doubt). Instead, Arizona Christian University's Student Conduct Process utilizes a Preponderance of Evidence standard (i.e. 50.1%; more likely than not) when determining responsibility.

### **Confidentiality**

Incidents involving student conduct are part of student's educational record and are therefore protected under the Family Educational Rights and Privacy Act (FERPA) of 1972. Individuals involved in the Student Conduct Process are permitted to only discuss the matter with the student, unless permitted under FERPA, Title IX, Clery Act or other federal regulation related to student privacy. All individuals involved in the Student Conduct Process are prohibited from making public comments on the matter. All requests for public comments should be referred to the President of the University.

### **Standards of Student Conduct**

Arizona Christian University students are expected to uphold all rules, policies, and expectations described in this Student Handbook, including the University's Core Values, Core Commitments, Statement of Faith, and Community Covenant. Upon enrollment, students are expected to be familiar with these rules, policies, and expectations described in this Student Handbook, as well as other documents related to student behavior or expectations (e.g. Residence Life policies, Course Syllabi, etc.). Student Conduct policies fall within one of the University four core values: Faith, Influence, Relationship, and Excellence. Examples of standards of conduct within these values include, but are not limited to:

### **Reporting a Code of Conduct Violation**

Any individual, both inside and outside the ACU community, may report an alleged violation of the Student Code of Conduct by contacting the Student Development Division. In the report, individuals are asked to provide as much information as possible, including but not limited to:

- Description of the alleged violation(s).
- Date, time and place of the alleged violation(s).
- Name of the student(s) involved in the alleged violation(s).
- Name of the student organization(s) involved in the alleged violation (if applicable).
- Name of witness(es) to the alleged violation(s).
- Name, phone number, and email address of the individual filing the report.
- Any other supporting documentation or information related to the incidents

Upon receiving a report, the Dean of Students (or his/her designee) will review the allegation and assign the case to the appropriate Hearing Officer within the Student Development Division, including Student Life and Residence Life staff. These Hearing Officers are trained by the Dean of Students to oversee the University's disciplinary processes. These individuals will serve as the official Hearing Officer through the entire disciplinary process, from the time an incident is reported through completion.

## **Student Conduct Process**

### Review and Investigation

When the Hearing Officer (or other designees) becomes aware of an alleged student conduct violation, he/she will review and investigate the allegation. During the review and investigation stage, students involved will be asked to meet with the Hearing Officer to discuss the incident. During the meeting, students are given the opportunity to respond to the allegations by either accepting, partially accepting, or denying responsibility. All individuals who are asked to participate in an investigation are expected to cooperate or risk being held responsible for the violations and/or risk further disciplinary action under the University's Failure to Comply Policy. Additionally, individuals may not obstruct the University's investigation process or risk further disciplinary action.

Upon completion of the investigation and reviewing the available information, the Hearing Officer may:

- Pursue no action and close the incident.
- Pursue an informal administrative action, such as speaking informally to the student(s) or issuing a Written Warning or Letter of Concern. Informal administrative actions do not appear on a student's official record, however, a file will be kept for administrative purposes.
- Pursue the formal Student Conduct Process by issuing reasonable consequences or sanctions for the violation(s).

Hearing Officers will determine if a student is responsible for student conduct violations using a preponderance of evidence standard (50.1%, more likely than not). The decision of the Hearing Officer (or other designees) is considered final.

If the Hearing Officer determines the student is responsible, he/she may issue reasonable consequences or sanctions for the violation and notify the student of the decision. Students will be notified via their official university-issued email address or other reasonable form of communication. All students are required to check their official university-issued email regularly for official university communication. The incident is considered closed when the Hearing Officer notifies the student of the decision. If the Hearing Officer determines the student is not responsible, the Hearing Officer may dismiss the incident.

### *Support Advisor*

In some cases, students may be permitted to have one (1) Support Advisor accompany them during the review and investigation stage. A Support Advisor must be an ACU faculty or staff member. In general, Support Advisors are prohibited from speaking or participating in an investigation or risk being excused by the Hearing Officer. Support Advisors may not speak on behalf of the student. Students must send a request for approval for a Support Advisor to the Hearing Officer prior to the meeting. The approval of a Support Advisor is at the sole discretion of the Hearing Officer. The purpose of the Student Conduct Process is educational and not a matter of civil or criminal proceedings, therefore, attorneys are not permitted to be Support Advisors and may not attend review and investigation meetings of Student Conduct incidents.

### Outcome and Sanctions

Through the Student Conduct Process, students found responsible may be issued specific consequences or sanctions. Arizona Christian University reserves the right to issue consequences or sanctions that achieve its educational objectives and are based on fairness, education, and respect. In most cases, potential consequences or sanctions for Student Code of Conduct violations might include, but are not limited to:

- Verbal Reprimand
- Written Reprimand

- Removal of University Housing
- Restitution and/or Fines
- Reflection Essays
- Letters of Apology
- Required attendance in educational seminars, programs, etc.
- Drug Testing
- Loss of privileges
- Permanent No-Contact Orders
- Permanent No-Trespass Order
- Disciplinary Probation\*. Disciplinary Probation is defined as a designated period of time in which any further disciplinary issues could put the student at risk for escalated sanctions by the University, including suspension or expulsion. At a minimum, the disciplinary probation period involves the rest of the current semester. The University reserves the right to determine the appropriate length of a disciplinary probation.
- Suspension\*. Suspension involves removal from the University community for a designated period of time with the possibility of readmission. Suspended students are prohibited from entering any University owned or operated property or attend any University function without written consent from the Dean of Students. At a minimum, the length of suspension generally includes the rest of the current semester plus one (1) full semester. Depending on the circumstance, the University reserves the right to determine the effective date and appropriate length of a suspension, including an indefinite suspension. If the suspension occurs after the Drop/Add period, suspended students will be involuntarily withdrawn and receive a grade of W for each course. Additionally, suspended students lose all tuition, housing/dining and University fees, coursework, or other privileges granted to enrolled students.
- Expulsion\*. Expulsion involves permanent removal from the University community without the possibility of readmission. Expelled students are prohibited from entering any University owned or operated property or attend any University function without written consent from the Dean of Students. If the expulsion occurs after the Drop/Add period, expelled students will be involuntarily withdrawn and receive a grade of W for each course. Additionally, expelled students lose all tuition, housing/dining and University fees, coursework, or other privileges granted to enrolled students.

\*Sanction option reserved for Dean of Students only.

*Note.* In addition to the alleged violations at hand, students may be investigated and held responsible for other violations of University policies discovered during the review and investigation stage. In the event other alleged violations of University policies are discovered, the Hearing Officer may add those to the original conduct incident.

#### Completion

If a Hearing Officer (or other designees) finds a student responsible and issues consequences and sanctions accordingly, he/she must complete the process by notifying the Dean of Students office of the incident by submitting a Student Conduct Form and all supplemental evidence and/or documentation. The Dean of Students office officially documents all information related to incidents of Student Conduct and records it to the student's permanent file.

#### Failure to Complete Sanctions

Students found responsible for conduct violations are expected to meet all requirements, obligations, and/or deadlines of the assigned sanction. Additionally, in cases where students are assigned educational sanctions (including, but not limited to, reflection essays, letters of apology,

participating in a seminar, etc.), students are expected to put forth an honest, respectful, and thoughtful effort. Failure to complete sanctions under these standards may result in further disciplinary action under the University's Failure to Comply policy, with sanctions including disciplinary probation, suspension or expulsion.

### Appeals

Students wishing to appeal a Student Conduct decision must submit the request in writing to the Dean of Students no more than two (2) business days after the initial outcome and sanction decision is communicated. Only decisions of suspension or expulsion are eligible for appeal. Appeal requests may only be considered if one of the following criteria are met:

- **Procedural error:** The University did not follow its own published procedures.
- **New Information:** New information not considered during the process becomes available and could significantly alter the outcome, including evidence of bias.

Written requests must include the grounds for which the appeal is being requested and any supporting documentation, including new information. The Dean of Students will respond to the appeal within five (5) business days of receipt. If criteria for an appeal are not met, the Dean of Students will notify the Appellant that the request is denied and the original outcome and sanction is final. Additional requests are not permitted. If criteria for an appeal are met, the Dean of Students will render a decision that will either:

- Uphold the original outcome and sanction(s)
- Uphold the original outcome and lessen the sanction(s)
- Reverse the original outcome
- The Dean of Students cannot increase sanctions

In cases where the Dean of Students served as the initial Hearing Officer, appeals will be reviewed and decided by a Student Conduct Committee consisting of ACU faculty and/or staff. The Dean of Students or Student Conduct Committee decision is final and no other appeals may be submitted. Students are only permitted one (1) appeal.

### **Multiple Violations**

Students found responsible for committing a second (or more) student conduct violation will be subject to the Student Conduct Process under the direction of the Dean of Students. Students found responsible for violating the University's Student Code of Conduct on multiple occasions will be seriously considered escalated sanctions, including disciplinary probation, suspension, or expulsion.

## **Student Records**

Student records are maintained through the Registrar's office. Each student's academic and personal records are considered a private matter and are open only to the administration and individuals designated by the student. See also the "Family Educational Rights and Privacy Acts of 1974 (FERPA)" section.

Please note that students who choose to instead use a privately-owned or commercially-rented vehicle and students who choose to be passengers in such a vehicle operated by another private party for transportation on an academic field trip do so at their risk. All individuals who travel to the site of a field trip early, leave the group, and/or remain after the field trip is officially completed, do so at their own risk.

Personal Vehicles may only be used after all parties have a clear understanding of the best practices guidelines related to field trip insurance coverage issues:

- The University does not provide insurance for the use of personal automobiles.

- ACU does not insure or accept liability for any damage, loss or injury resulting from the use of a student participant's own personal vehicle. Students who use personal vehicles should have a valid driver's license and liability insurance on their vehicle.

## University Property and Damages

Preventative maintenance and care for University property is expected from those who use it. Damaged or malfunctioning equipment should be reported via email to [maintenance@arizonachristian.edu](mailto:maintenance@arizonachristian.edu) and typing REQ in the subject line. In the case of emergencies the student should go directly to the Maintenance Supervisor or Business Office. Students who abuse or misuse university property through neglect or knowledgeable carelessness must make arrangements to pay for or replace the property through the Business Office.

At no time should students be on the roof of any University property, unless so authorized by the Maintenance Department or the Dean of Students.

## Residence Life Property and Damages

Whether intentional or accidental, students are held individually responsible for any damage found in their assigned rooms and any damage to or loss of furnishings. All University furniture must stay in the suite upon move-in as additional storage is not available. All room and/or furniture alterations must be approved in writing by the Residence Life Office. Students are subject to being charged an amount determined by the University if furniture is misplaced or damaged in any way (please see the Fines and Fee List and Checkout Damage/Fine List). Additionally, students are responsible for common areas within the Residence Hall, including hallways and lobbies. Students causing damage or removing University property will be held responsible and subject to disciplinary action. If the Residence Life Office is unable to identify who is responsible for damage/loss of school property within a shared space, all residents of a room, hall, floor or building will be subject to sharing the cost of the repairs or replacements.

## Visitation and Visitor/Guest Policy

In order to promote the health, safety, and welfare of the campus community, Arizona Christian University has established the following visitation policy within the residential areas:

- A visitor/guest is defined as a nonresident of a particular residential area, and includes both students and non-students.

- Residents, upon agreement with their roommate(s), are permitted to have visitors/guests of the same sex visit in their residence hall room, suite, or in the public areas of their residential floors at any time.
- Residents are not permitted to have visitors/guests of the opposite sex visit in their residence hall room or suite at any time. Members of the opposite sex are not permitted to loiter in the halls of any residential area of the other sex.
- Residents must notify their Residence Director if family members of the opposite sex are visiting prior to their arrival. Visitors/guests under the age of 12 must be accompanied by a parent.
- Residents are encouraged to socialize with members of the opposite sex in common areas throughout campus, including, but not limited to, residential and communal lounges, The Commons, Tower Grill, Library, or other common space.

Visitation is defined as those times which residents may have guests in their rooms, suites, or in the public areas of residential floors. Specific visitation boundaries should be outlined by roommates/suitemates stating the maximum hours during which visitors or guests may visit. Visitation is a privilege but is secondary to a resident's right to privacy within her or his room. Residents may not exercise their visitation privileges if doing so interferes with the rights of the roommate or of other residents.

Visitation privileges can be revoked for an individual, a room(s), a floor(s), or an entire area by the Residence Life Office and the Student Development Division. Additionally, changes to this visitation policy can be made at the discretion of the Office of Residence Life at any time. Any changes that are made will be communicated.

If an RA, Campus Safety, or an ACU staff member finds a student of the opposite sex in a room/suite, the resident and guest will be subject to disciplinary action. The Director of Residence Life reserves the right to revoke the visitation privileges for repeated violations of this policy, other discipline issues, safety, and/or security reasons. Revoking visitation privileges can be reserved for a room(s), a floor(s), or entire areas.

All visitor(s) should be escorted by a resident when he/she leaves the room/suite. He/she should go with the resident when leaving the building, abide by Residence Life and ACU policies while in the hall and must have permission from room/suitemates to be there. Visitors are not allowed to remain in the Residence Hall when the resident leaves the building.

Overnight visitors must be of the same sex and must be cleared by prior arrangement with the Resident Assistant by filling out a "Guest Registration Form." These forms can be obtained in the Office of Residence Life or by a Resident Assistant. Failure to submit a guest registration form can result in a fine. Overnight visitors are responsible to abide by all residence life policies including quiet hours. There will be a \$5.00 per night fee for non-family overnight visitors.

Out of respect for ACU residents, non-ACU residents/visitors can stay no more than 12 nights in a semester and no more than 3 consecutive nights at a time. Non-ACU residents/visitors are not allowed access to the room while the assigned occupant(s) are not present. Non-ACU residents/visitors cannot utilize and/or have possession of a key to enter a room that does not belong to them, they cannot use the bathroom and shower facilities as if one lived in that room/suite, and they cannot keep belongings such as clothes, bedding, toiletries and/or books in the room for a long period of time as if one lived there. Any student found in violation of the visitor/guest policy will be subject to disciplinary action.

## Weapons Policy

Arizona Christian University does not allow firearms or any deadly weapon on campus or at events sponsored by Arizona Christian University. Persons possessing a current Carry Conceal Permit may leave/store their weapon as noted in ARS 12-781 in the vehicle locked and not visible to the public.

This policy prohibits students from possessing, use, or sale of BB guns, Air-Soft, paintball guns, ammunition, explosives, fireworks or other dangerous weapons, as defined in Arizona Revised Statutes and Glendale City Codes. Any person violating this policy shall be ordered to leave the campus. Any person who refuses to leave, shall be subject to arrest under ARS 13-1502 Third Degree, Criminal Trespass. Students and staff who violate this policy are subject to University discipline.

The Department of Campus Safety will conduct the University's initial investigation and forward the report to Student Development for review when the incident involves a student. Student Development will determine the discipline for each incident ranging from No Action to Expulsion.

The Department of Campus Safety will conduct the University's initial investigation and forward the report to the University's Human Resources Manager for review when the incident involves a University employee.
