Admission Policies and Procedures

The following section titled “Veterans and War Orphans” on page 21 of the current 2021-2022 catalog has been removed since it is duplicated on pages 32-33 of the current catalog.

Veterans and War Orphans

Arizona Christian University is authorized for the training of veterans and war orphans under the VA chapters 30, 31, 32, 33, 35, and 106. The student should contact the local Veterans Administration Office for a “Certificate of Eligibility” well in advance of plans to attend Arizona Christian University. A “Certificate of Eligibility” can also include a “Statement of Benefits” obtained from the Department of Veterans Affairs (VA) website – eBenefits, or a VAF 28-1905 form for chapter 31 authorization purposes. Any questions concerning veterans and war orphan benefits should be directed to the ACU financial aid office. Please also visit the VA website, www.gibill.va.gov, for additional information.

Financial Information

Financial Aid

The following policy was updated after the publication of the 2021-2022 catalog and replaces the section titled “Veteran Benefits” on pages 32-33 of the current 2021-2022 catalog.

Current Policy:

Veteran Benefits

Arizona Christian University is approved for the training of veterans and eligible dependents under the VA Chapters 30, 31, 33, 35, and 1606. Students should contact the local Veterans Administration office for a “Certificate of Eligibility” (COE) or go online to <https://www.va.gov/education/> and print their COE (or a VAF 28-1905 form for Chapter 31 authorization purposes) well in advance of plans to attend Arizona Christian University. Please note that not all degree programs at Arizona Christian University are approved for use of VA Chapter benefits. The student will want to verify their program is approved prior to enrollment. Below is a checklist of what is necessary to certify a student’s VA benefits:

- Unofficial transcripts from all prior institutions including military training, college coursework and vocational training. The University will need to evaluate all previous education and training as required in (38CFR 21.4253(d) (3)) Prior Education and Training and according to our Transfer Credit Policy.
- Certificate of Eligibility, Statement of Benefits obtained from the Department of Veterans Affairs (VA) website, or VAF 28-1905 form.
- VA approved ACU Degree/Program Plan
- ACU Application for Admission/Enrollment Agreement
- ACU Class Schedule
- ACU Student Account Statement

Any questions concerning veterans and war orphan benefits should be directed to the Office of Financial Aid. Please also visit the VA website, <https://benefits.va.gov/gibill/> for additional information.
