

Arizona Christian University is pleased to offer to its enrolled students the opportunity to receive college credit for successfully taking selected computerized tests in the CLEP program. Computerization offers more flexible test scheduling and instantaneous scoring and credit-granting decisions. The tests taken must be for courses required for a degree program offered at ACU and the restrictions listed below must be met.

- Students may take a maximum of thirty (30) hours through CLEP and/or DSST.
- Students must receive a score of 50 (equivalent of 70%) or better on the CLEP exam to receive credit.
- If students pass the CLEP test the credit hours will come in as transfer hours and nothing will be figured into the student's GPA.
- If students fail to pass the test, they must wait six months before retaking the same exam.
- A student may not test out of HIS 212 United States and Arizona Governments.
