About Arizona Christian University (ACU)

ACU is a private, non-profit, Christian University in Glendale, Arizona with a wide variety of majors and areas of study preparing students for successful careers, but also remains committed to its vision of transforming culture with biblical truth.

All students are taught through a biblically-integrated, general education curriculum called ["The CORE"](#). Spiritual development is integrated within the University experience where all campus students receive a minor in Biblical Studies, attend chapel twice a week, and complete service projects each semester.

Arizona Christian University has been ranked among the nation's Best Colleges by U.S. News & World Report – the most respected and comprehensive college ranking system in the nation.

Arizona Christian University was ranked the [number one University in Arizona by College Consensus](#), finishing first ahead of 2) Arizona State University, 3) University of Arizona, 4) Northern Arizona University, and 5) Prescott College. No other Arizona University was ranked by College Consensus, which combines a review of all major national rankings with student experience surveys.

"Our students are getting one of the best educations in the country – one that combines academic excellence with a commitment to spiritual formation," said President Munsil. "We are grateful that the world is noticing what God is doing at ACU."

ACU is a culturally and theologically conservative University where students and their professors are serious about deepening their Christian faith and where relationships and community matter most.

Mission Statement

Arizona Christian University provides a biblically-integrated, liberal arts education equipping graduates to serve the Lord Jesus Christ in all aspects of life, as leaders of influence and excellence.

Vision Statement

Arizona Christian University exists to educate and equip followers of Christ to transform culture with the truth.

A Place in History

Founded in 1960 as Southwestern Conservative Baptist Bible College, classes were initially held in the educational facilities of Bethel Baptist Church in Phoenix, Arizona. Plans for developing a new campus led to the construction of four new buildings and the remodeling of an existing structure on a residential plot in Phoenix. The land had been donated to the Arizona Baptist Convention with a stipulation that a Christian school be established on the property. The college moved to the new site in Phoenix in September of 1964.

Since its founding, the University has undergone a number of name changes, until it became Arizona Christian University in January 2011 in recognition of its growth from a small Bible college to a Christian liberal arts University. As an accredited, degree-granting institution, Arizona Christian University draws students from around the world.

As a result of ACU's rapid growth, ACU and Arizona State University (ASU) transacted a deed swap in November 2018 between ACU's 22-acre Phoenix campus and ASU's 69-acre Glendale campus which for decades had been the home of the Thunderbird School of Global Management. This property

was the historic site of Thunderbird Airfield, on which 16,000 Air Corp Cadets were trained to support the USA and Allied forces, contributing to victory during World War II.

ACU's new campus provides students with a state-of-the-art educational environment to match the nationally ranked academic programs.

Great Location

The new campus of Arizona Christian University is located in Glendale, Arizona close to many attractions in the greater Phoenix area, also known as the "Valley of the Sun".

Phoenix, capital of the state of Arizona and fifth largest city in the United States, is a rapidly growing metropolis of almost 5 million people, and a center of influence for a vast area of the Southwest.

A multitude of outstanding tourist attractions such as the Grand Canyon, Monument Valley, Sedona, Roosevelt Dam, Lake Havasu, Lake Mead, Lake Powell, the Petrified Forest, Montezuma's Castle, London Bridge, and many others are within driving distance from ACU's campus. Cultural attractions in the Phoenix area are many and varied, including the Heard Museum, Phoenix Art Museum, Desert Botanical Garden, Phoenix Symphony, and Phoenix Zoo.

The Phoenix area is the home of many professional sports teams, including the Arizona Cardinals (football), Phoenix Suns (basketball), Arizona Diamondbacks (baseball), Phoenix Rising (soccer) and the Cactus League spring training camps for 15 major league professional baseball teams.

The Phoenix area also benefits from numerous Christian faith communities and houses of Christian worship, offering ACU students significant opportunities to worship and serve.

The Four Pillars of Our Core Values

FAITH

The Bible is the foundation of faith and an ACU education. Every student at ACU earns at least 18 credits of Bible and learns to apply a biblical worldview. Spiritual formation through discipleship, worship, service, prayer, and accountability will always be essential for ACU students.

INFLUENCE

ACU strives to grow in influence by graduating an increasing number of motivated and well-equipped students in an expanded group of professions on multiple campuses with enhanced facilities. It also uses strategic partnerships and alliances to recruit a more diverse student population, and promotes global thinking by attracting international students and offering missions and study abroad options.

RELATIONSHIP

Classmates and professors who know your name is the traditional and relational model at the core of the ACU community. Undergraduates are taught, mentored, and inspired by faculty who love them for who they are in Christ. Students sign a community covenant signifying their willingness to be accountable, authentic and transparent. They also participate in local service projects in order to enhance relationships with the surrounding community. ACU faculty, employees and staff are well-cared for through excellent pay, health and retirement benefits, opportunities for personal and professional growth, and a nurturing, supportive team-oriented workplace.

EXCELLENCE

ACU is committed to glorifying God by pursuing excellence in spiritual formation, academics, the performing arts and athletics. ACU prepares well-rounded leaders who love the Lord with all their heart, soul, mind, and strength. ACU administration, faculty, staff, coaches, and volunteers bring glory to God by using their gifts and striving to do things with excellence as unto the Lord.

 - compassion for the poor
 - biblical understanding of human nature
 - an understanding of God's purposes for limited government
 - personal, economic and religious freedom

- Be a leading conservative Christian liberal arts University.

Statement of Faith

The University shall be positively conservative in its stand regarding the Scriptures, in their 66 canonical books, as being the only trustworthy and authoritative written revelation of God. Its fellowship and discipline shall be predicated upon the following Declaration of Faith:

1. We believe in the Scriptures of the Old and New Testaments as being verbally inspired by God and therefore inerrant in their original writings and the only authority on all issues of faith, life, and practice. Psalm 19:7; Isaiah 8:20; 2 Timothy 3:16-17; 2 Peter 1:20-21
2. We believe in one Triune God, creator of all things, infinite and unchangeable in His being, eternally existent in three persons: Father, Son, and Holy Spirit. Deuteronomy 6:4; Isaiah 45:21-22; Jeremiah 10:10; Matthew 3:16-17; Matthew 28:18-19; I Corinthians 8:6
3. We believe that Jesus Christ, the second person of the Trinity, was conceived by the Holy Spirit, born of the Virgin Mary, is fully God and fully man in one person, and is the only Mediator between God and man. Isaiah 7:14; Matthew 1:18-25; Luke 1:26-38; Luke 2:1-7; John 1:1-14; 1 Timothy 2:5-6
4. We believe the Holy Spirit, the third person of the Trinity, who is from all eternity, is sent by the Father and the Son, as promised, to convict the world of sin, to glorify Jesus Christ and to transform the lives of believers into the likeness of Christ. Psalm 139:7; Matthew 28:19; John 15:26; John 16:8; I Corinthians 2:10-11; Ephesians 4:30
5. We believe that God created man and woman in His image and likeness, so they are thus endowed with immeasurable dignity and worth, but they sinned and therefore all human beings are born separated from God with a sinful nature. Genesis 1:26-28; Genesis 3:1-24; Genesis 9:6; James 3:9; Romans 5:12
6. We believe the Lord Jesus Christ died for our sins and that all who trust in Him alone are justified on the grounds of his shed blood. 2 Corinthians 5:15, 21; Romans 3:23-26, 5:1; 1 Peter 1:18-19; Acts 16:30-31
7. We believe that all who receive the Lord Jesus Christ by faith alone are born again of the Holy Spirit and are called to walk in a manner worthy of this salvation. John 1:12-13; 3:3-7; 14:16-17; Romans 12:1-2; 1 Corinthians 12:12-13; Ephesians 4:1; 4:20-24; Colossians 1:18, 24
8. We believe in the resurrection of the crucified body of our Lord and Savior Jesus Christ, and that He ascended into heaven where He is seated at the right hand of God the Father to rule and intercede for us. Romans 1:4; 6:1-11; 1 Corinthians 15:12-19; Acts 1:9; Hebrews 7:25; Romans 8:31-34
9. We believe in "that Blessed Hope" of Christ's second coming, which is the personal return of our Lord and Savior Jesus Christ. Psalm 110:1; Acts 1:11; Acts 2:34-35; 1 Corinthians 15:22-28; 50-55; Titus 2:13; Revelation 7:10
10. We believe the Church is made up of believers in Christ; which manifests itself in local assemblies, gifted by the Holy Spirit for the building up of one another in love and for engagement, service and influence in the world. Romans 12:4-8; I Corinthians 12:4-13; Ephesians 4:4-13; Philippians 1:1; Colossians 1:8

11. We believe in the bodily resurrection of the just and unjust; the everlasting blessedness of the saved and the everlasting conscious punishment of the lost along with Satan and other fallen angels. Matthew 25:34, 41, 46; Revelation 20:10-15; 2 Thessalonians 1:9

12. We believe God wonderfully and immutably creates each person as either male or female. These two distinct, complementary sexes together reflect the image and nature of God. We believe rejection of one's biological sex is a rejection of the image of God within that person, and is sinful and offensive to God. Gen. 1:26-27

13. We believe the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. We believe God intends sexual intimacy to occur only between a man and a woman who are married to each other. We believe God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman. We believe any form of sexual immorality (including adultery, fornication, homosexual conduct, bestiality, incest, or use of pornography) is sinful and offensive to God. Gen. 2:18-25; 1 Cor. 6:18; 7:2-5; Heb. 13:4; Matt. 15:18-20; 1 Cor. 6:9-10

14. We believe that in order to preserve the function and integrity of Arizona Christian University and to provide a biblical role model to students and the community, all persons employed by ACU in any capacity, or who serve as volunteers, affirm, agree to and abide by all elements of this Statement of Faith, including those relating to gender identity, marriage and sexuality. Matt. 5:16; Phil. 2:14-16; 1 Thess. 5:22

(Every Trustee, faculty member, and employee of the University shall be required to affirm and sign without mental reservation this Statement of Faith at the beginning of each academic year.)

Community Covenant

Arizona Christian University embraces a Community Covenant based on the four pillars of our core values, which spell out the acronym FIRE (Faith, Influence, Relationship, and Excellence). As members of the ACU Firestorm, we covenant together to spread this same vision.

A significant aspect of the Christian college journey is being a part of a grace-filled community. As we follow Jesus together, we want to create an environment for authentic discovery of our true selves in Christ, holistic development of loving relationships and strengths-based discernment of our vocation as members of the body of Christ. We willingly enter into this community and value the following four core commitments.

FAITH

We covenant together to love the Lord our God with all our heart, mind, soul, and strength. We love God by following the life and teachings of Jesus as revealed to us through God's Word by the work of the Spirit. Our response to receiving God's love is recognizing our privilege to worship and serve. Together, we seek to learn the wisdom and ways of God. Our faith compels us to seek understanding within the scope of orthodox, evangelical Christianity.

INFLUENCE

We covenant together to live a lifestyle of integrity. We desire to create a safe environment where we can express authentically our identity in Christ and humanity with honesty. We seek purity of thought and action, uniting our theology with the reality of our lives, and as a result we make a difference in our world. As we grow in this identity – with confidence – we covenant together to pass on the best of ourselves to our community, our nation, and our world, leaving a legacy of commitment to the cause of Christ.

RELATIONSHIP

We covenant together to love others as we love ourselves. We seek to cultivate this love as we celebrate individual strengths, encourage and challenge one another with truth and grace, and forgive one another when hurt or disappointed. As we seek wholeness and establish boundaries, we will pursue healthy relationships. Humility and respect for others are vital as we commit to seek truth together.

EXCELLENCE

We covenant together to pursue excellence in every area of our lives. We want our words and actions to represent Christ and to express gratitude to God. We are committed to the wise use of our time, money, education and resources as good stewards of God's gifts and graces. Out of a heart of thankfulness to our Savior, we choose to live well in the strengths and talents he has granted, in order to bring Him deserved glory.

Our aim is that all faculty, staff and students will actively participate in our community and discover a place of safety, growth and opportunity. As we share life together, we give ourselves to the process of being transformed into the likeness of Christ Jesus, making His life in us attractive to the world.

Student Development Division Mission Statement

The Student Development Division exists to support and enhance the academic setting by providing intentional opportunities that develop a diverse community of students who serve Jesus Christ.

Student Development Division Vision Statement

The Student Development Division aspires to educate, challenge, and support every student for success in college and beyond.

Student Development Division Objectives

Based on the Student Development Division's mission and goals, the following objectives will be pursued:

1. Students will mature in their Christian faith
2. Students will develop a deeper understanding of self
3. Students will succeed academically
4. Students will be leaders
5. Students will feel connected
6. Students will be good citizens
7. Students will grow in their cultural awareness
8. Students will be safe, healthy, and well

Statement of Commitment

After admission, all students are required to sign the ACU Statement of Commitment which states that they explicitly and implicitly agree to consistently work at upholding the University's policies and maintain a lifestyle that is consistent with the student life philosophy of the University. Upholding the University's policies—as stated in the University catalog and other publications—and helping to keep fellow students accountable for their actions is the responsibility of every student. It is not acceptable to actively disobey because one disagrees, does not get caught, or is willing to accept the consequences of disobedience. These attitudes are destructive to one's personal integrity, detrimental to one's character in the University community, and potentially damaging to one's future life and ministry. These guidelines remain in effect for all currently enrolled students, living on or off campus.

In the spirit of community accountability, Arizona Christian University prohibits retaliatory behavior against anyone reporting perceived or actual violations of University policy. Any individual who retaliates against any individual who has either made a complaint or reported a University policy violation will be subject to disciplinary action.

Campus groups (clubs, organizations, teams, etc.) or individuals wishing to use the ACU name, logo, implied name, or ACU brand for any purpose must seek prior approval through the Marketing Department. To begin the approval process or for additional questions, please consult the University's Marketing Department.

Administrative Withdrawal

Arizona Christian University is concerned with the health, safety, and wellness of all students and strives to assist students in being successful academically and socially. In some cases, it may be in the best interest of the student to withdraw from classes and take a leave of absence to focus on their health and well-being and/or protect the health and safety of the University community. In these cases, students will be contacted by Student Development to discuss appropriate steps in voluntarily withdrawing; decisions of involuntary withdrawal for non-academic reasons will be determined by the University Code of Conduct Committee.

The University may initiate or consider requests for an administrative withdrawal when:

1. A student experiences serious medical or health related issues that impede their ability to be academically successful or meet minimal academic or community standards. This includes both physical and mental health.
2. A student experiences a significant event outside of their control that impedes their ability to be academically successful or meet minimal academic or community standards. Examples may include, but are not limited to, serious illness of a dependent child or spouse, death of an immediate family member, etc.
3. A student is suspended or expelled for failing to meet academic requirements or conduct standards (refer to the Academic Catalog for academic related withdrawals).

In unique cases, Arizona Christian University may have to initiate an involuntary withdrawal or leave of absence when a student demonstrates physical, psychological, or emotional behavior that prevents them from meeting minimal academic or community standards. In these cases, decisions on Involuntary Withdrawals are determined by the University Code of Conduct Committee.

This policy applies to students under the following criteria:

- The student's behavior poses a severe danger to the life, health and/or safety of the student or other members of the University community, or to the University, its property, or to the property of another member of the University community. Examples may include threats or attempts of suicide, homicide, self-mutilation, assault, vandalism, or theft.

- The student's behavior severely impedes or disrupts the physical, psychological, or emotional distress of other members of the University community or to the educational process or functions of the University.
- The student refuses to cooperate with a recommended evaluation or treatment procedure, and the student's physical, psychological, or emotional health would continue to deteriorate without the evaluation or treatment, resulting in disability, impairment, or inability to function.
- The student's physical, psychological, or emotional condition is so severe that it is beyond the treatment resources of the University and without outside treatment the student's condition would result in disability, impairment, or inability to function.

When the University has evidence of the behavioral problems listed above, a medical and/or psychological evaluation may be required, the results of which will be provided to the Dean of Students. In addition, the Dean of Students or his/her designee may consult with the student about his/her behavior and to the extent permitted by law may also notify the student's parent, guardian or other appropriate adult. The University Code of Conduct Committee will make the final decision regarding approval of an involuntary withdrawal or leave of absence.

In the event an Involuntary Withdrawal is initiated:

- The student has the right to be informed of all pertinent information leading to the withdrawal/leave of absence decision.
- The length of the withdrawal/leave of absence will be disclosed. The University reserves the right to determine the appropriate length of the Involuntary Withdrawal on a case-by-case basis, including an indefinite period of time.
- The conditions under which a student may return to the University will be identified at the time of the withdrawal/leave of absence.

Students who are administratively withdrawn after the Drop/Add period will receive a grade of W for each course. Additionally, students who are administratively withdrawn after the Drop/Add period lose all tuition, housing/dining and University fees, coursework, or other privileges granted to enrolled students.

Students seeking readmission to the University after an Administrative Withdrawal should refer to the "Readmission after Administrative Withdrawal" section of this Student Handbook.

Alcohol and Substance Abuse Policy

The Drug-Free Schools and Communities Acts Amendments of 1987, Public Law 101-226, requires that, as a condition of receiving funds or any other form of financial assistance under any Federal Program, an institution of higher education must certify that it has adopted and implemented a program to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees. This Federal mandate coincides with the strong desire of the Arizona Christian University administration to maintain a campus free from alcohol, illegal drugs or substances, and the misuse of legal drugs or substances.

Alcohol¹

The ACU campus is a dry campus, and it is expected that its underage students will not engage in behavior that includes alcohol consumption. Possession or use of alcoholic beverages in University owned or operated facilities, during University sponsored academic, athletic, or University trips (conferences, mission trips, athletic competitions or any trip in conjunction with Arizona Christian

University), and during University sponsored activities, is prohibited, no matter what the age of the student. Contributing to the consumption of alcohol or being complicit to alcohol use by underage students at any time, any place is expressly prohibited. Alcoholic beverage containers (beer bottles, beer cans, wine bottles, and hard alcohol bottles), alcoholic paraphernalia (shot glasses, beer bong, etc.), posters, and other items promoting and advertising alcoholic beverages are not permitted in residence halls, or any other setting on campus.

Students violating any part of this policy may be subject to the disciplinary process as expressed in the Student Conduct Process outlined in this handbook, as well as subject to local, state, or federal authorities for prosecution. Intoxication or impairment of any student, regardless of age at any time, on campus property either owned or operated, or at any time off-campus will result in disciplinary sanctions.

Of-age students are allowed to use their discretion as to whether alcohol use will be a part of their lives in off-campus settings. It is the University's hope that students will weigh this decision and pray earnestly about it, processing how alcohol use will affect their ministry and calling on their life. The University, however, will not tolerate underage drinking of any kind, and of-age students found in an environment where underage drinking is present will be entered into the discipline process at the appropriate level. In this sense, the University is asking that its of-age students' role model the inappropriateness of underage drinking by confronting students in situations where illegal behavior is occurring. The University will not tolerate students, whether of legal drinking age or not, supplying or distributing alcohol to anyone under the legal drinking age, contributing to an atmosphere where underage drinking can occur, or serving as the conduit to procure alcohol for individuals under the legal drinking age. In addition, students who are of legal drinking age and are found accountable for "knowledge of a violation of University policy" may face a higher sanction than those students under the legal drinking age.

In accordance with Arizona Christian University's Statement of Commitment, students are expected to help keep fellow students accountable for their actions and upholding all University's policies, including all elements of this Alcohol policy.

Students who find that they are struggling with alcohol, its use, and its role in their lives, are encouraged to come forward on their own will with no threat of disciplinary action, but instead will receive help, guidance, and love.

Potential Sanctions (Alcohol)

The University's response to alcohol violations can vary based on the severity and repetition of the violation(s). In general, a student's third alcohol violation for consumption, possession, or paraphernalia will result in separation from the University in the form of suspension; however, each situation will be handled on a case-by-case basis. Students participating in distributing alcohol may be separated from the University on the first violation. For more information of potential sanctions, see the Student Conduct Process section.

Illegal Drugs and Other Substances²

This section describes the University's policy regarding the sale, manufacture, distribution, possession and use of illegal drugs on or off University property or at University-sponsored events or programs in accordance with federal, state and local laws. Examples of violations include:

- Misuse of over-the-counter drugs.
- Misuse or sharing of prescription drugs.

² Elements of this policy were reprinted and adapted with permission from Colorado Christian University granted on March 7, 2017.

- Possessing, using, being under the influence of, distributing, or manufacturing any form of illegal drug.
- Possessing paraphernalia (i.e., rolling papers, pipes, bongs, etc.) for intended or implied use of any form of illegal drug.
- Possessing paraphernalia that contains or appears to contain illegal drug residue.
- Purchasing or passing illegal drugs from one person to another.
- Using mail services to purchase, pass, or distribute illegal drugs.

As a part of the campus commitment to be drug free, the University upholds all laws against distribution, use, knowing about, and possession of any controlled substance on- or off-campus, in University operated facilities and at University events or activities. Students engaging in activity, which include the presence of illegal drugs or the abuse of legal prescription drugs in any way on campus, or at any time in the off-campus community, will be dealt with swiftly and quickly. It is the University's solid belief that illegal drugs of any kind are wholly inappropriate in the lives of its students. The University will cooperate fully with local and federal authorities when dealing in situations involving them. It is the University's hope that any student who finds himself or herself faced in a situation where drugs are being used will immediately leave the situation or call the appropriate authorities.

In addition to illegal drugs, students are prohibited from using prescriptions that are not prescribed to that individual and substances that are meant to illicit a feeling of being "buzzed", high or intoxicated. The use of any substance to alter one's personality, behavior, physical or emotional state or to enhance academic or athletic performance is strictly forbidden. Violators of this policy will be subject to disciplinary sanctions as outlined in the standards of conduct section of this handbook. Students who find themselves in a dependence situation involving drugs are encouraged to come forward to any faculty or staff member on their own with no threat of disciplinary action and a promise of help, assistance, and love.

Medical and Recreational Marijuana

The use, possession, or cultivation of marijuana for medical purposes is therefore not allowed in any Arizona Christian University housing or any other Arizona Christian University property; nor is it allowed at any University related event or activity on or off campus. Federal laws prohibit marijuana use, possession, and/or cultivation at educational institutions and on the premises of other recipients of federal funds. While recent changes to Arizona state law have sought to permit the use of medical and recreational marijuana by those over the age of 21, ACU is an educational institution and receives federal funds, and is therefore subject to federal laws which prohibit any use, possession, and/or cultivation of marijuana on campus.

More importantly, however, Arizona Christian University is committed to maintaining a God-honoring Christian community and educational environment. Arizona Christian University's conduct standards are not just based on the law but on our expectations for Christian conduct. It is our firm belief that possessing and using drugs like marijuana is damaging to our relationship with Christ, our witness to others, and our ability to transform culture with truth.

Sanctions for violations related to marijuana will be consistent with all other illegal drugs and substances.

Potential Sanctions (Illegal Drugs and Substances)

First violations related to illegal drugs and substances, in particular possession, use, and paraphernalia, is grounds for suspension and/or expulsion and other sanctions. The manufacture or distribution of illegal drugs or substances is grounds for expulsion on the first violation. For more information of potential sanctions, see the Student Conduct Process section.

Drug Testing and Searches

The University exercises its right to require drug testing of any and all students at any time, and also students suspected of drug use, and as a potential sanction for previous drug use. Searches of students, their rooms, possessions, and automobiles will be conducted if reasonable cause exists to suspect possession of illegal drugs or substances and/or alcohol. In the event a drug test is required, the student will be charged for this screening process. Students who fail a drug test will be subject to escalated sanctions, including disciplinary probation, suspension, or expulsion. Refusal of a drug screen will be considered and treated as a drug test failure.

Note: Alcohol and Illegal Drugs or Substances may be turned over to local law enforcement, who may elect to pursue criminal charges separate from ACU's Student Conduct Process.

Concerned Student Clause

Arizona Christian University realizes that this Alcohol and Substance Abuse Policy may discourage students who are under the influence of alcohol and/or illegal drugs or substances from seeking medical or other professional attention for fellow students that are impaired by or under the influence of alcohol and/or illegal drugs and substances. In order to promote the health and welfare of the ACU community, ACU has established a "Concerned Student Clause" that will not subject Concerned Students to the standard Student Conduct Process, unless the situation puts the health and safety of the University community in substantial jeopardy. Following the incident, Concerned Students will still be required to meet with Student Development staff to discuss the incident. The Concerned Student may still receive some consequences for their involvement in the incident, but will not be placed on probation, suspended, or expelled. Information pertaining to a Concerned Student's involvement will be kept for internal, University purposes but will not go on their official University record or be shared with external parties. Permitted under FERPA, parents or guardians of students under the age of 21 found responsible in incidents involving alcohol and/or illegal drugs or substance incidents will be notified via letter.

Alcohol and Substance Abuse Notification Policy

According to the Higher Education Amendments of 1998 to the Family Educational Rights and Privacy Act (FERPA), educational institutions are permitted to notify parents or guardians of students under the age of 21 found responsible in incidents violating federal, state, or local laws or institutional policies related to alcohol and/or illegal drugs or substances.

Arizona Christian University understands that parents and guardians play a vital role in student success and works to involve parents and guardians in situations related to alcohol and/or illegal drugs and substances. Parents or guardians of students under 21 may be notified in the following situations:

1. A student is found responsible for violating federal, state, or local laws pertaining to alcohol and/or illegal drug and substances.
2. A student is found responsible through the Student Conduct Process of violating University policy related to alcohol and/or illegal drug and substances.
3. A student is sent to a medical facility to receive treatment for alcohol and/or illegal drug and substance abuse.
4. A student inflicts harm to him/herself or others while under the influence of alcohol and/or illegal drug and substances.
5. A student is found responsible for vandalism while under the influence of alcohol and/or illegal drug and substances.
6. Other situations deemed appropriate by the Dean of Students.

Health Risks^{3,4}

In accordance with the Drug-Free Schools and Communities Act of 1989, this section provides students with information on the potential health risks associated with the use of alcohol, tobacco, and illegal drugs or substances.

Tobacco and Nicotine

Smokers are more likely than nonsmokers to contract heart disease. Lung, larynx, esophageal, bladder, pancreatic, and kidney cancers also strike smokers at increased rates. Thirty percent of cancer deaths are linked to smoking. Chronic obstructive lung diseases, such as emphysema and chronic bronchitis, are 10 times more likely to occur among smokers than among nonsmokers. Smoking during pregnancy also poses risks, such as spontaneous abortion, pre-term birth, and low birth weights. Fetal and infant deaths are more likely to occur when the pregnant woman is a smoker. Nicotine is both psychologically and physically addictive.

Alcohol

Low doses significantly impair the judgment and coordination needed to operate vehicles. Small amounts can also lower inhibitions. Moderate to high doses cause marked impairments in higher mental functions, and loss of memory and the ability to learn and remember information. High doses cause respiratory depression and death. Long-term consumption, particularly when combined with poor nutrition, can also lead to dependence and permanent damage to vital organs such as the brain and the liver. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described. Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation.

Cannabis (Marijuana, Hashish, Hashish Oil, Tetrahydrocannabinol)

Physical effects of cannabis include increased heart rate, bloodshot eyes, dry mouth and throat, and increased appetite. Use of cannabis may impair or reduce short-term memory and comprehension, alter sense of time, reduce ability to perform tasks requiring concentration and coordination, and impair driving ability. Motivation and cognition may be altered, making the acquisition of new information difficult. Marijuana, hashish, THC, etc., can also produce paranoia and psychosis. Long term use may result in possible lung damage, reduced sperm count and sperm motility, and may affect ovulation cycles. Cannabis can also be psychologically addictive.

Inhalants (Nitrous Oxide, Amyl Nitrite, Butyl Nitrite, Chlorohydrocarbons, Hydrocarbons)

Immediate effects of inhalants include nausea, sneezing, coughing, nosebleeds, fatigue, lack of coordination, and loss of appetite. Solvents and aerosol sprays also decrease the heart and respiratory rates and impair judgment. Amyl and butyl nitrite cause rapid pulse, headaches, and involuntary passing of urine and feces. Long-term use may result in hepatitis or brain damage. Deeply inhaling vapors, or using large amounts over a short time, may result in disorientation, violent behavior, unconsciousness, or death. High concentrations of inhalants can cause suffocation by displacing oxygen in lungs. Long-term use can cause weight loss, fatigue, electrolyte imbalance, muscle fatigue, and permanent damage to the nervous system.

Cocaine (Crack)

Cocaine stimulates the central nervous system. Its immediate effects include dilated pupils and elevated blood pressure, heart rate, respiratory rate, and body temperature. Occasional use can

cause nasal irritation; chronic use can ulcerate the mucous membrane of the nose. Crack or freebase rock is extremely addictive. Physical effects include dilated pupils, increased pulse rate, elevated blood pressure, insomnia, loss of appetite, tactile hallucinations, paranoia, and seizures. The use of cocaine can cause death by cardiac arrest or respiratory failure.

Stimulants (Amphetamines, Methamphetamines, Crank, Ice)

Stimulants cause increased heart and respiratory rates, elevated blood pressure, dilated pupils, and decreased appetite. Users may experience sweating, headache, blurred vision, dizziness, sleeplessness, and anxiety. Extremely high doses can cause rapid or irregular heartbeat, tremors, loss of coordination, and physical collapse. Amphetamine injection creates a sudden increase in blood pressure that can result in stroke, very high fever, or heart failure. In addition to physical effects, feelings of restlessness, anxiety, and moodiness can result. Use of large amounts over a long period of time can cause amphetamine psychosis that includes hallucinations, delusions, and paranoia. The use of amphetamines can cause physical and psychological dependence.

Depressants (Barbiturates, Methaqualone, Tranquilizers)

Small amounts can produce calmness and relaxed muscles, but somewhat larger doses can cause slurred speech, staggering gait, and altered perception. Large doses can cause respiratory depression, coma, and death. Combination of depressants and alcohol can multiply effects of the drugs, thereby multiplying risks. Babies born to mothers who abuse depressants during pregnancy may be physically dependent on the drugs and show withdrawal symptoms shortly after birth. Birth defects and behavioral problems may also result. The use of depressants can cause both physical and psychological dependence.

Hallucinogens (PCP, LSD, Mescaline, Peyote, Psilocybin)

Phencyclidine (PCP) interrupts the functions of the neocortex, the section of the brain that controls intellect and instinct. PCP blocks pain receptors, and users can have violent PCP episodes resulting in self-inflicted injuries. Lysergic acid diethylamide (LSD), mescaline, and psilocybin cause illusions and hallucinations. The physical effects may include dilated pupils, elevated body temperature, increased heart rate and blood pressure, loss of appetite, sleeplessness, and tremors.

Narcotics (Heroin, Methadone, Codeine, Morphine, Meperidine, Opium)

Narcotics initially produce a feeling of euphoria that often is followed by drowsiness, nausea, and vomiting. Users may experience constricted pupils, watery eyes and itching. Overdoses may produce respiratory depression, clammy skin, convulsions, coma and death. Addiction in pregnant women can lead to premature, stillborn, or addicted infants who experience severe withdrawal symptoms. Use of narcotics can cause physical and psychological dependence.

Designer Drugs (Analog of Fenatyl, Analog of Meperidine, MDMA, Ecstasy Analog of PCP)

Many "designer drugs" are related to amphetamines and depressants and have mild stimulant and depressant properties. Use can produce severe neurochemical damage to the brain. Narcotic analogs can cause symptoms such as those seen in Parkinson's disease: uncontrollable tremors, drooling, impaired speech, paralysis, and irreversible brain damage. Analog of amphetamines and methamphetamines cause nausea, blurred vision, chills or sweating, and faintness. Psychological effects include anxiety, depression, and paranoia. Analog of PCP cause illusions, hallucinations, and impaired perception.

Anabolic Steroids

Steroid users subject themselves to more than 70 side effects, ranging in severity from acne to liver cancer, including psychological as well as physical reactions. The liver and cardio-vascular and reproductive systems are most seriously affected by use. In males, use can cause withered testicles,

sterility, and impotence. In females, irreversible masculine traits can develop along with breast reduction and sterility. Psychological effects in both sexes include very aggressive behavior, known as "roid rage", and depression. While some side effects appear quickly, others, such as heart attacks and strokes, may not show up for years.

Legal Sanctions

In accordance with the Drug-Free Schools and Communities Act of 1989, this section provides students with information on the potential legal sanctions associated with alcohol, tobacco, and/or illegal drugs or substances.

Campus Security Act of 1990 (Clery Act)

In compliance with the Student-Right-To-Know and Campus Security Act, Arizona Christian University seeks to provide a safe living environment. The University is concerned about the safety and welfare of its students and personnel. Therefore, in compliance with the Crime Awareness and Campus Security Act of 1990, the most current annual report on campus crime is located in the Campus Safety office. Members of the University family may request to view this report at any time. It covers the past five (5) years of activity.

Emergency Communication

Arizona Christian University has partnered with *Stopit* as our mass notification system to provide an emergency response and direct communications between our Department of Campus Safety, students, faculty, adjuncts, staff, and guests. You can report an emergency quickly by pressing the red button to on-site responders and then discreetly share any additional emergency information through a text, photo, video, or recording. When you report an emergency, your location is sent to responders providing connected campuses and organizations real-time location tracking at the time of the emergency, for the duration of the emergency, and ending when the emergency is resolved.

Stopit allows Campus Safety, law enforcement, and fire department personnel the ability to manage an emergency in a coordinated and efficient manner from the time the emergency is received until it is resolved. ACU's mass notification system has a feature called "Post Tips." Our community can provide tips to Campus Safety relating to crimes, safety concerns, etc. The user in the Stopit App has the ability to provide text messages or photographs to Campus Safety in the event of emergency or other reportable incidents. Download the "Stopit" app to your smart phone to get timely warnings and other University notifications.

Timely Warnings

In the event that a situation arises, either on or off campus that in the judgment of our Director of Campus Safety and Executive Cabinet constitutes an ongoing or continuing threat, a campus-wide timely warning will be issued. The timely warning bulletins must be related to a crime that is reportable under The Clery or SaVE Act and represents a threat to the campus community; i.e. murder, robbery, sexual assault, arson, etc. as defined under Code of Federal Regulations 668.46(e).

Persons with information warranting a timely warning should immediately report the circumstances to the Department of Campus Safety, 1 West Firestorm Way, Glendale, AZ, 85306 or other University supervisory personnel (602-489-5301). The University's President or designee, in consultation with the Director of Campus Safety, will approve all timely warnings prior to posting.

Reasonable steps will be taken to notify campus personnel, including but not limited to emails, texting, cell phones, voice messages, and/or public postings, as appropriate to the situation. Students, staff and faculty who wish to sign up for Stopit, our University's mass notification system, can do so online by logging onto the ACU Campus Safety website, and following the prompts (www.arizonachristian.edu/campussafety).

Emergency Response Plans

Upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus, the University will use this process:

1. Confirm that such an emergency exists;
2. Determine the appropriate segment or segments of the campus community to receive a notification;
3. Determine the content of the notification; and
4. Initiate the notification system.

The Director of Campus Safety, or designee, will initiate the content of the notification, and deploy a message to the University's community if life safety/exigent circumstances exist. Otherwise if time allows, the notification will be reviewed by the University's President, and once approved the notification will be sent out via the University's mass notification system. Campus Safety will respond to and attempt to contain the incident, or mitigate the emergency until law enforcement authorities arrive.

The University President or designee will consult with the Director of Campus Safety as soon as possible for updates on the emergency response, evacuation, and follow up plan of action to return the University back to "normal" operations. The Director of Campus Safety will conduct an annual test of the University's emergency response and evacuation procedures:

- Tests may be announced or unannounced
- Emergency response and evacuation procedures are available through the online Campus Safety Computer web-based training and our Stopit Mass Notification App
- Notification will be done through our University's mass notification system.

Emergencies, accidents, injuries and other unexpected events can occur at any time and in any place. Being prepared both mentally and physically for the unexpected is the first and best defense to minimize an accident. Each of us must take a pro-active approach to providing a safe environment and, although no guide can cover all situations, standard emergency procedures will help prepare you should an emergency arise.

Missing Student Notification

In accordance with the Higher Education Opportunity Act of 2008, Arizona Christian University has established a policy and procedure for reporting missing students. Before making a Missing Student report, individuals should contact all family members, friends, hospitals, social media, etc. to ensure there were no miscommunications or other reasons why the missing person has not be able to be contacted. At that time, a Missing Student report should be made to the Department of Campus Safety at 602-489-5301, and the law enforcement agency with jurisdiction over the incident.

In addition to the Department of Campus Safety, missing students may also be reported to any University official or representative, who will report the missing person to the Department of Campus Safety. The Department of Campus Safety will work with the local law enforcement agencies during the investigation.

Campus Sex Crimes Prevention Act (Arizona Sex Offender Notification Law)

The Campus Sex Crimes Prevention Act mandates that convicted sex offenders, required to register under state law, must also disclose their association with institutions of higher education when applicable. Specifically affected are those registered sex offenders who attend as students, are

employed by or employed at, or volunteer at institutions of higher education. The Arizona Department of Public Safety (DPS) has established the Arizona Sex Offender Information Center as required by Arizona Revised Statutes 13-3827. Arizona DPS is responsible for maintaining the site and annually verifies the addresses of all registered sex offenders. For more information go to www.azdps.gov/services/sex_offender/.

ACU Department of Campus Safety may notify the campus community of a registered sex offender as required by law. The notification process could be through safety alerts on the campus safety webpage or posted at the Campus Safety office.

Student Grievance Policy and Procedure

Arizona Christian University wants undergraduate students to have a positive experience in which their grievances can be expressed openly and honestly. The University is committed to promptly addressing student grievances, both academic (Vice President for Academic Affairs) and non-academic (Dean of Students). Student grievance is taken seriously and will be responded to by the University in a timely manner. Prior to reporting a complaint or grievance, the University encourages individuals to attempt to resolve the issue on their own first. If the issue cannot be resolved, the University encourages individuals to submit a formal complaint.

To register a grievance, the student should write a formal letter detailing the issue and address the grievance to the Dean of Students and/or Vice President for Academic Affairs. The grievance may be difficult to resolve without enough detail to allow the University to understand and respond to the grievance adequately. A grievance may be signed or anonymous. However, if a grievance is

submitted anonymously, it will not be possible to contact or work directly with the student. Therefore, students are encouraged to provide their names.

The grievance will be reviewed by the Dean of Students and/or Vice President for Academic Affairs, who will acknowledge receipt of the grievance and establish a file for the grievance within ten (10) business days. The file will be kept separate from student academic records. The Dean of Students and/or Vice President for Academic Affairs (or designee/s) may schedule a meeting with the student to discuss the grievance. The Dean of Students and/or Vice President for Academic Affairs (or designee/s) will help the student in resolving the grievance. If unable to address the grievance immediately because of policy or procedural requirements, the Dean of Students and/or Vice President for Academic Affairs (or designee/s) will assist the student in directing the grievance to the appropriate University official or office better able to address the matter. Records of grievances and their resolutions are maintained by the Dean of Students and/or Vice President for Academic Affairs.

Grievance Procedure

1. Student submits a grievance by writing a formal letter detailing the issue.
2. The grievance is acknowledged within ten (10) business days and reviewed by the Dean of Students and/or Vice President for Academic Affairs.
3. The Dean of Students and/or the Vice President for Academic Affairs (or designee/s) will help the student in resolving the grievance.
4. Reasonable resolutions to grievances shall be decided by the Dean of Students or the appropriate University officials or department within 30 days.
5. The Dean of Students will communicate the resolution to the student at the time of the decision.
6. Resolutions decided by the Dean of Students or other University officials are considered final.

All additional concerns can be sent to concerns@arizonachristian.edu.

Students who have been charged with or committed a felony or violent crime may be subject to Emergency Action, including Emergency Suspension and/or Emergency Relocation/Removal from Housing.

Note. The University's Student Conduct Process is an entirely separate process from criminal or other legal proceedings and has its own objectives, procedures, authority, jurisdiction, and level of proof when determining responsibility. As a separate system, the University reserves the right to elect to pursue the Student Conduct Process before, during, or after the completion of criminal or other legal proceedings. This is not considered double jeopardy because double jeopardy applies only to successive criminal persecutions for the same offense. Additionally, rulings in criminal or other legal proceedings (e.g. guilty or not guilty) may inform but do not necessarily dictate the outcome or sanction response of the Student Conduct Process.

Arrest Self Disclosure

In order to maintain the health, safety, and welfare of the ACU campus community, the University expects all currently enrolled students who are arrested and/or convicted for violations of local, state, or federal law at any time during their enrollment to self-disclose that information to the Dean of Students and/or Director of Campus Safety within three (3) days of the arrest and/or conviction. Failure to report an arrest and/or conviction may result in escalated disciplinary action by the University upon learning of the arrest and/or conviction, including but not limited to suspension or expulsion from the University. Service and Assistance Animals

In accordance with the Fair Housing Act (FHA), Arizona Christian University will consider requests for reasonable accommodations for students living in on-campus housing who require an Assistance Animal because of a disability. Assistance animals may be considered for on-campus housing but must first receive approval by Disability Services and Residence Life. This policy addresses student requests for an Assistance Animal in on-campus housing and is separate from the process for notifying the University of a need for a Service Animal. Pets, which are companion animals and neither Service Animals nor Assistance Animals, are prohibited from on-campus housing and the campus at large. The University reserves the right to amend this policy as circumstances require. Students may not keep an Assistance Animal in on-campus housing until approval from Disability Services and Residence Life is obtained.

Definitions

- **Service Animal:** A service animal is a dog (unless otherwise approved) specially trained to help persons with disabilities do work or perform tasks. Service animals are not pets. No other type of animal qualifies as a service animal.
- **Assistance Animal:** Assistance animals are animals that may (1) do work, perform tasks, or provide benefits to individuals with a disability or (2) provide emotional support that alleviate symptoms or effects of a disability. Assistance animals are most commonly dogs but other animals may qualify. Assistance animals may or may not be specially trained. Assistance animals are distinct from service animals in that they are not needed for activities of daily living and do not need to accompany the individual at all times. Other terms used for an Assistance Animal have included Emotional Support Animal or Therapy Animal.
- **Pets:** Pets are animals used solely for companionship and are not service animals or assistance animals. Pets are strictly prohibited on University property or in the residence hall. Fish are the only personal pets of any kind that are permitted in the residence hall.
- **Owner:** The student requesting and receiving approval to maintain an Assistance Animal in an on-campus housing room.
- **Disability Services:** The department on campus responsible for providing assistance and accommodations to students with disabilities.
- **Residence Life:** The department on campus responsible for administration and oversight of all on-campus housing operations and programs.

Process for Requesting Assistance Animals

- To ensure that the presence of an Assistance Animal does not create undue administrative burden to the University or significantly alters University housing operations, the University reserves the right to assign owners to a single room without a roommate. Individuals receiving approval for Assistance Animals will not be assigned to specific on-campus buildings because of their disability.
- The request for an Assistance Animal must be reasonable. The University may deny a request if the presence of an Assistance Animal 1) creates undue administrative or financial burden to the University, 2) significantly alters on-campus housing operations, and/or 3) demonstrates a threat to the health and safety of others as well as damage to University property.
- In order for this request to be considered, the student must:
 - Review and sign this form and submit it to the Director of Residence Life by July 15th for Fall Semester and December 15th for Spring Semester.
 - Provide official proof of updated vaccinations of the animal to the Director of Residence Life
 - Provide official documentation from the student's medical provider outlining the disability and the symptoms in which the Assistant Animal provides to assist with that disability to the Director of Academic Services.
 - Provide appropriate certificate or documentation demonstrating completed service animal training.

Criteria for Determining if Presence of the Assistance Animal is Reasonable

The University may find it unreasonable to permit an Assistance Animal if:

- The animal has been owned for less than a 1-year period.
- The animal is less than 1 year old, and, or the size of the animal is over 50lbs.
- The animal's presence would force another student out of housing (such as allergies).
- The animal disturbs the other individual's right to peace and quiet.
- The animal is not housebroken and unable to live with others.
- The animal does not have updated vaccinations.
- The animal poses or has posed a direct threat or aggressive behavior to others.
- The animal causes or has caused excessive damage to on-campus housing beyond reasonable wear and tear.

Access to University Facilities

- Assistance Animals must be contained in the owner's private room at all times, except for when taking the animal out for exercise or relief.
- Assistance Animals are prohibited from entering any other building on campus other than the owner's on-campus residence hall or area. Assistance Animals are strictly prohibited from being on campus grounds, entering classrooms, the library, the Tower, Commons, swimming pool, or any other area other than the residence hall or area of the owner.
- When not in the owner's assigned room, Assistance Animals must be contained at all times in a carrier or controlled by a leash or harness.

Individual Responsibilities

- The Assistance Animal must be in the control of the owner at all times. When attending classes or other activities outside of their room, the owner must ensure the animal is appropriately contained in the owner's room.
- Assistance Animals may not be loose or run at large.
- Assistance Animals may not be left alone in the owner's room overnight or left in the care of others on-campus overnight. If the owner leaves overnight, the animal must accompany them or board off campus.

- Animals found loose or running at large are subject to capture, confinement, and immediate removal from campus and on-campus housing.
- Assistance Animals are not allowed on the turf fields.
- The owner is responsible for the sole care of the Assistance Animal and may not burden the University or others with caring for the animal.
- The owner is responsible for cleaning up after the animal and properly disposing of waste.
- The owner is responsible for ensuring the animal is well cared for and free of abuse. Evidence of abuse may result in removal of the Assistance Animal from housing and/or disciplinary action of the owner and other involved parties.

General Responsibilities

- The owner must abide by all federal, state, or local laws, regulations, or requirements pertaining to ownership of an Assistance Animal. The University has the right to require documentation of up-to-date vaccinations and licenses related to the Assistance Animal prior to approval.

Domestic Violence and Workplace Violence Policy

The personal safety and welfare of the campus community and its visitors are very important. University policy does not tolerate violence, threats of violence, or acts of aggression towards members of the campus community or its visitors.

Any violence, threats of violence, or acts of aggression should be reported immediately to the Department of Campus Safety, local law enforcement, or University personnel. Students, staff, or visitors engaging in this behavior shall be subject to University disciplinary action, or applicable civil or criminal laws from local law enforcement.

Domestic violence can take many forms. Batterers want to control the person through fear. They do this by regularly abusing the person physically, sexually, psychologically and economically. Here are some forms of domestic violence and some behaviors that an abuser might display:

Physical Abuse: Hitting, slapping, kicking, strangling (often referred to incorrectly as choking), pushing, punching, beating.

Verbal Abuse: Constant criticism, making humiliating remarks, not responding to what you are saying, mocking, name calling, yelling, swearing, interrupting, and changing the subject.

Sexual Abuse: Forcing sex on an unwilling partner.

Isolation: Making it difficult for you to see friends and relatives, monitoring phone calls, reading your mail, controlling where you go, taking your car keys.

Coercion: Making you feel guilty, pushing you into decisions, sulking, always insisting on being right, making up impossible rules, and punishing you for breaking them.

Harassment: Following or stalking, embarrassing you in public, constantly checking up on you, and refusing to leave when asked.

Threats and Intimidation: Threatening to harm you, using physical size to intimidate, keeping weapons and threatening to use them.

Destruction of Property: Destroying furniture, punching walls, throwing things, and/or breaking things. **Self-destructive Behavior:** Abusing drugs or alcohol, threatening self-harm or suicide, driving recklessly, deliberately doing things that will cause trouble.

Family Educational Rights and Privacy Act of 1974 (FERPA)

Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution at any age.) These rights include:

1. The right to inspect and review the student's education records within 45 days after the day that Arizona Christian University (ACU) receives a request for access. A student should submit to the Office of the Registrar, in hardcopy or via email to Registrar@arizonachristian.edu, a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar's Office, that office shall advise the student of the correct official to whom the request should be addressed.
 - ACU students have online access to their academic and financial records through their student account in Populi. The student does not need to submit a written request to review these records but may still request an amendment as stated below.

2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask ACU to amend a record should write the Office of the Registrar, clearly identify the part of the record the student wants changed and specify why it should be changed. Note that this process cannot be used to contest or change a grade. This process cannot be used to dispute a charge on a student's account.

If ACU decides not to amend the record as requested, the Office of the Registrar will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before ACU discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

ACU discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official typically includes a person employed by ACU in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of ACU who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities to ACU.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the ACU to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

For more information about FERPA, including other conditions under which records may be released, the U.S. Department of Education has published a document titled "FERPA General Guidance for Students" which can be accessed at the following website:

Marriage and Human Sexuality⁵

Preamble

We believe that all matters of faith and conduct must be evaluated on the basis of Holy Scripture, which is our infallible guide. (2 Timothy 3:16–17) Since the Holy Bible does speak to the nature of human beings and their sexuality, it is imperative that we correctly understand and articulate what the Bible teaches on these matters.

We are committed to the home and family as set forth in Holy Scripture. We believe God has ordained and created marriage to exist between one man and one woman, with absolute marital fidelity. The Bible sets forth specific home and family values, which include the distinct roles of husbands and wives, fathers and mothers, and children. It is our firm conviction that we uphold the dignity of each individual as we embrace the unchanging and longstanding principles of scriptural truth. These principles have been consistently taught and enforced since the University was found in 1960, and are essential to ACU's religious and educational purposes.

Religious Beliefs

Based on the teachings of Scripture and the constant witness of the church throughout the centuries, we believe:

Marriage

Arizona Christian University defines marriage as the permanent, exclusive, comprehensive, and conjugal "one flesh" union of one man and one woman, intrinsically ordered to procreation and biological family, and in furtherance of the moral, spiritual, and public good of binding father, mother, and child. (Genesis 1:27-28, Genesis 2:18-24, Matthew 19:4-9, Mark 10:5-9, Ephesians 5:31-33).

⁵ Adapted from the First Liberty Institute.

Sexual Immorality

Arizona Christian University believes that sexual acts outside marriage are contrary to scriptural teaching and sinful. Consequently, Arizona Christian University community members should resist and refrain from any and all sexual acts outside marriage — including but not limited to adultery, fornication, incest, zoophilia, pornography, prostitution, masturbation, voyeurism, pedophilia, exhibitionism, sodomy, polygamy, polyamory, sologamy, or same-sex sexual acts. (Exodus 20:14, Leviticus 18:7-23, Leviticus 20:10-21, Deuteronomy 5:18, Matthew 15:19, Matthew 5:27-28, Romans 1:26-27, 1 Corinthians 6:9-13, 1 Thessalonians 4:3, Hebrews 13:4, Galatians 5:19, Ephesians 4:17-19, Colossians 3:5). However, as articulated in the section entitled “Sexual Redemption,” God is willing and able to forgive and heal all sexual sin.

Gender

Arizona Christian University believes God created mankind in His image: male (man) and female (woman), sexually different but with equal personal dignity. Consequently, Arizona Christian University community members must affirm their biological sex and refrain from any and all attempts to physically change, alter, or disagree with their predominant biological sex — including but not limited to elective sex-reassignment, transvestite, transgender, or non-binary “genderqueer” acts or conduct. (Genesis 1:26-28, Romans 1:26-32, 1 Corinthians 6:9-11).

Human Sexuality

Arizona Christian University believes that God created and ordered human sexuality to the permanent, exclusive, comprehensive, and conjugal “one flesh” union of man and woman, intrinsically ordered to procreation and biological family, and in furtherance of the moral, spiritual, and public good of binding father, mother, and child. Consequently, Arizona Christian University community members must affirm the sexual complementarity of man and woman and resist any and all same-sex sexual attractions and refrain from any and all same-sex sexual acts or conduct, which are intrinsically disordered. (Genesis 1:27, Genesis 2:24, Matthew 19:4-6, Mark 10:5-9, Romans 1:26-27, 1 Corinthians 6:9-11, Ephesians 5:25-27, Revelation 19:7-9, Revelation 21:2).

Sexual Redemption

Arizona Christian University believes that all have sinned and fall short of the glory of God and should seek redemption through confession, repentance, baptism, and faith in Jesus Christ. Consequently, Arizona Christian University members must welcome and treat with respect, compassion, and sensitivity all who experience same-sex attractions or confess sexually immoral acts but are committed to resisting sexual temptation, refraining from sexual immorality, and conforming their behavior to the Arizona Christian University Statement of Faith. (Matthew 11:28-30, Romans 3:23, Ephesians 2:1-10, 1 Corinthians 10:13, Hebrews 2:17-18, Hebrews 4:14-16).

Celibacy

Arizona Christian University believes that Holy Scripture grants two life-enhancing options for human sexual behavior: (1) the conjugal “one flesh” marital union of one man and one woman, and (2) celibacy. Either is a gift from God, given as He wills for His glory and the good of those who receive and rejoice in His gift to them. Celibacy and faithful singleness are to be celebrated and affirmed within Arizona Christian University. (Genesis 1:27-28; 2:18, 21-24; Matthew 19:4-6; Mark 10:5-8; Hebrews 13:4; 1 Corinthians 7:1-8; Matthew 19:12; 1 Corinthians 12:12-13; Romans 12:10; 1 Timothy 5:1-2).

Holy Scripture:

Marriage and Human Sexuality

Genesis 1:26-28; Genesis 2:18-24; Genesis 19:5-10; Exodus 20:14; Leviticus 18:7-23; Leviticus 20:10-21; Deuteronomy 5:18; Judges 19:22-24; Matthew 5:27-28; Matthew 15:19; Matthew 19:4-

9; Mark 10:5-9; Romans 1:26-27; 1 Corinthians 6:9-13; 1 Corinthians 5:11; Galatians 5:19; Ephesians 4:17-19; Ephesians 5:25-27; Ephesians 5:31; Colossians 3:5; 1 Thessalonians 4:3; Hebrews 13:4; 1 Timothy 1:8-10; Jude 1:7; Revelation 19:7-9; Revelation 21:2.

Pastoral Care

Matthew 11:28-30; Romans 3:23; Ephesians 2:1-10; 1 Corinthians 10:13; Hebrews 2:17-18; Hebrews 4:14-16.

Application

All of our community members, including students, employees, and volunteers, must affirm and adhere to this Doctrinal and Religious statement on marriage and human sexuality to qualify for involvement with Arizona Christian University. This is necessary to accomplish our religious mission, goals and purpose. Behavior or counter-witnessing that does otherwise will impede and burden our integrity and religious mission. We believe that God's grace can wipe clean the slate of guilt and sin, though the consequences are still incurred.

Authority

The Bible is the inspired and infallible Word of God, acting as the source of authority over morality, our beliefs, Christian lifestyle and conduct. The Arizona Christian University Board of Trustees is charged with the ministerial responsibility of Biblical interpretation and promulgating religious policy. The Arizona Christian University Board of Trustees will determine life application as well as final matters relating to church theology, philosophy, Christian practice, faith, divine truth, morality, and theological and doctrinal resolutions.

Non-Disciplinary Policy

Arizona Christian University recognizes that students may struggle with real life issues that might conflict with the University's values, Student Handbook, or other issues that might negatively impact the University community or challenge a student's relationship with Christ. Examples include, but are not limited to, students struggling with issues related to alcohol or drug abuse, marriage and human sexuality, or forms of dishonesty.

ACU encourages students who are struggling with personal issues to voluntarily contact Student Development staff members for guidance and support via the University's Non-Disciplinary Policy. Students who voluntarily contact Student Development staff will be supported without fear of being disciplined under the University's disciplinary processes. Students pursuing the Non-Disciplinary Policy for incidents involving several students will be expected to disclose information about those students and participate in any formal disciplinary process involving those students.

Through the University's Non-Disciplinary system, the University desires to demonstrate and incorporate personal accountability and biblical restoration. We believe that a truly Christian community will be accepting of its members who are struggling with sin. At the same time, however, the community will not condone sin by ignoring it. We are committed to accountability and restoration by consistently speaking the truth in love. Our primary focus is the heart. Behavior is important, but only as an indicator of the condition of a person's heart. Our Non-Disciplinary Policy targets heart change, not mere external conformity or compliance.

Students pursuing the Non-Disciplinary Policy will be expected to agree and participate in various interventions designed to support the student, including, but not limited to, counseling sessions, mentoring sessions, random drug tests, accountability barriers, leaves of absence, or other appropriate directives. Students failing to uphold their agreement or continue in the undesired behavior may be subject to the formal disciplinary process.

Students may not attempt to pursue the Non-Disciplinary Policy if:

- The formal disciplinary process is already underway
- The student was involved in an incident involving law enforcement
- The issue is related to sexual assault or harassment

The Non-Disciplinary Policy is under the authority of the Dean of Students. Based on the nature of the issue, the Dean of Students reserves the right to deny a request for the Non-Disciplinary Policy.

Non-Discriminatory Policy

Arizona Christian University does not discriminate on the basis of gender, genetic information, race, national or ethnic origin, mental and/or physical disability, or age in administration of its educational policies, admissions policies, financial aid programs, athletics, and other University-administered programs.

Parking Procedures and Rules

The Office of Campus Safety oversees the University's policies and procedures related to parking. Please contact the Office of Campus Safety for information on how to obtain a parking pass, pay a parking fine or vehicle citation, or other general questions. The Campus Safety office is located in building #1100 in the Southwest corner of campus (see Campus Map). Campus Safety can also be reached by calling 602-489-5301. **See also the "Campus Safety" section for additional information.*

Payment of Accounts

Financial balances for each term are due and payable in full before classes begin, by the date indicated on the Academic Calendar. The University offers payment plans for students who are unable to pay in full, whereby they agree to make periodic payments according to a prescribed payment plan, as well as pay a fee to administer. Payments made after the payment due date are subject to a late fee. Students whose accounts are delinquent due to a student's failure to pay in full or as agreed according to his or her selected payment plan, to complete necessary financial aid documents, or to attend classes according to the University's Attendance Policies, may be subject to administrative withdrawal on the respective term's add/drop deadline. In addition, students will be prohibited from registering for future terms, and grades, diplomas, and transcripts will not be released until the student's financial obligations have been met.

Pets

Pets are animals used solely for companionship and are not service animals or assistance animals. Pets are strictly prohibited on University property or in the residence hall. Fish are the only personal pets of any kind that are permitted in the residence hall. You may have the fish or turtle in a container or tank up to 10 gallons. Anything over 10 gallons is unacceptable. All fish or turtles need to be properly taken care of. The Director of Residence Life can ask you to remove your fish or turtle at any time. Under no circumstances can your fish or turtle stay on campus during the winter break. Violation of this policy may result in disciplinary action. All other pets must be approved by Arizona Christian University's ADA.

For information about service and assistance animals, please see the "Disability Services" section of this Student Handbook.

Photocopy Machines

Students who need to make photocopies may do so in the Library. The Library staff will provide students with any needed password for use. All photocopy charges must be paid in full at the time of production. It is considered to be unethical conduct for students to use unassigned photocopier passwords or neglect paying for production costs.

Physical Conflict

All members of the ACU community have the right to live, learn, and function in an environment free of actual or threatened unwanted physical touching, physical harm or physical conflict. Examples of physical conflict can include, but not limited to, fighting, hitting, kicking, punching, unwanted touching, or any other form of physical conflict or altercation with the intent to cause harm. Students found responsible for physical conflict will be subject to escalated disciplinary action, including disciplinary probation, suspension, or expulsion.

Posting Policy

Permission to post on campus is limited to members of the University community, including recognized student organizations, University departments, academic units, faculty, staff and students. Off-campus organizations or individuals wishing to advertise non-University information and/or events should contact the Student Development Division by emailing studentdevelopment@arizonachristian.edu. Posting is only permitted on designated "Campus Events" boards found in various locations on campus. Posting anywhere other than these areas is prohibited.

All postings must be approved prior to posting on-campus. Any posting material lacking University approval (denoted by an original, non-reproduced, dated approval stamp) or posted past the noted date will be removed. The University is not responsible for the condition of posted materials and will not return materials that are removed. Approved materials may be posted for no more than 14 days before the event.

Campus groups or individuals wishing to post on the "Campus Events" boards must email a sample of the flyer to studentdevelopment@arizonachristian.edu. Upon approval, campus groups or individuals are responsible for printing their own flyers and bringing them to the Student Development Department to receive an original, time sensitive approval stamp on each flyer. Approved flyers may not be photocopied.

Organizations and/or individuals associated with unauthorized postings may be subject to disciplinary action. For more information, please contact the Student Development Division.

Prohibited Items on Campus

The following items are prohibited to be used and stored on University grounds due to health, safety, and security concerns. Person(s) are subject to disciplinary action for violations of this policy

- Firearms
- BB Guns
- Air Soft Guns
- Fireworks
- Bows and Arrows
- Hover boards or self-balancing transports
- Electric or motorized scooters/bikes
- Drones
- Blow torches

- Knives over 4 inches in length

Please view The Residence Life Handbook for other prohibited items in the dorms.

No person shall operate an unauthorized motor vehicle or motorized device, including motorcycles, mopeds, off designated roadways, paved or unpaved, or on service roads or pedestrian paths, regardless of the surface, on University lands.

This subsection does not apply to University carts or University service equipment, University Drones approved by Campus Safety, and motorized wheelchairs or other mobility devices which have the primary design function of assisting the physically challenged.

All club sports requiring the use of firearms, bows, arrows, etc. will make prior arrangements to store their equipment off campus at an approved secured facility. ACU is not responsible for the expenses to store, removal, etc. of the listed items off campus.

Quiet Hours/Noise Policy

Quiet hours are defined as times when stereos, televisions, conversations and other sound-producing activities are to be kept at a level which do not interfere with other students' sleep or study. Quiet hours apply to all areas surrounding the residence hall and apartments. Upper-floor residents are encouraged to be considerate of lower-floor residents at all times. Quiet hours are 10:00 pm to 10:00 am daily. Residents who have concerns regarding quiet hour violations should respectfully address the issues with the person(s) in violation. If this fails, a Resident Assistant should be consulted. Not adhering to the quiet hours may result in disciplinary action.

Readmission

Students who have stopped pursuing a degree after a specified amount of time may no longer be considered an active, enrolled student by the University. Students should consult Admissions to determine their status with the University and consult the Academic Catalog for proper policies and procedures for readmission.

Readmission after Academic Suspension

In some cases, poor academic performance could result in a student being academically suspended. Please consult the Academic Catalog for information about academic suspension and the process for potential readmission after being academically suspended.

Readmission after Administrative Withdrawal (non-academic)

In unique situations, such as serious medical/health reason, significant personal reasons, or disciplinary reasons, students may be administratively withdrawn by the University (see the Administrative Withdrawal section of this Student Handbook for details).

Students who have received an Administrative Withdrawal (under the direction of the Student Development Office) and wish to return to ACU must submit an appeal for readmission to the Dean of Students. Appeals to be readmitted after an Administrative Withdrawal are not automatically granted, even after the designated time period (if applicable).

In order to be considered for readmission, students must:

- Submit a written appeal to the Dean of Students.
- Complete all assigned sanctions or requirements listed in the student's Administrative Withdrawal letter.

Written appeals are formal letters written by the student to the Dean of Students indicating reasons why the student should be readmitted, ways in which the student has rehabilitated, learned or grown during their time off, and how the student plans to be successful upon returning to the University community. The Dean of Students may request supplemental information in addition to the written appeal when considering a readmission request. Each appeal is considered carefully and individually on its own.

Once all conditions are met, the Dean of Students will review all information and either approve or deny readmission. The decision of the Dean of Students is final.

Students readmitted following an Administrative Withdrawal are required to meet with the Dean of Students prior to attending classes. If readmitted, other restrictions or expectations may be imposed on the student as a condition to remain in good standing with the University.

Replacement of a Grade

Please consult the Academic Catalog for all policies regarding replacing a grade.

Residence Life and Dining

Residence Life Requirements

Arizona Christian University has adopted this Residence Life Policy to advance the University's educational mission to provide a Christian, liberal arts education within a living-learning context. In support of this educational approach, Arizona Christian University has established the following housing requirement, effective for the 2024-25 academic year:

- All full-time, unmarried undergraduate Campus students are required to live in campus residences and have a meal plan during the academic year.
 - The University prohibits premarital cohabitation for commuter students.
- Students that desire to live on campus who are part-time, younger than 17 and older than 25, must petition to live on campus.

Exemptions

This Housing requirement does not apply to undergraduate Campus students who are:

- 23 years of age or older by the first day of classes in August,
- Married and/or has legal custody of children residing with him/her;
- Enrolled part-time (11 or fewer credit hours),
- Living with parents, legal guardians, grandparents, or siblings over the age of 25 in the following cities (Anthem, Deer Valley, El Mirage, Glendale, Litchfield Park, Paradise Valley, Peoria, Phoenix, Sun City West, Surprise, Tolleson, Youngtown)

Process of Reserving Housing (Returning Students)

Arizona Christian University has a process for reserving housing for the next school year. Starting in February returning students will be able to reserve a room with a \$100 pre-payment (this will go toward next years housing bill). Please follow the steps and timeline when it is available.

1. Make your pre-payment of \$100 in February.
2. Create a roommate/suitemate group (if you choose) who those who have also paid their pre-payment.
3. Select your housing during your allotted timeslot.

Dining/M meal Plan Requirements

A residential meal plan is required for all ACU students living on-campus and a commuter meal plan is required for all students approved to live off campus. Meal plans can be purchased online through the housing website.

For the most updated list of residential and commuter meal plans and prices, please consult the Tuition and Fee Schedule on the University's website.

Releases

- Releases from the housing and/or meal plan policy are rare and granted only in special situations when the University is unable to make appropriate accommodations for students with serious health problems and/or disabilities.
- All petitions for release must be submitted to the Department of Residence Life, which may require additional supporting documentation for verification purposes.
- The University reserves the right to grant a release to this policy when determined necessary by University officials, including cases where housing space is unavailable.
- All students approved to live off campus will be required to have a commuter meal plan.
- Releases are granted for all years unless circumstances of release change. In that case it is up to the student to notify Student Development. Failure to do so may result in a housing charge.

Common but Rarely Granted Reasons for Release

- Already signed a lease. A signed off-campus lease does not release a student from the housing requirement. Students are advised not to sign leases until first receiving an approved release from the housing requirement from the Department of Residence Life.
- Allergies and/or asthma. Allergies or asthma rarely prevent students from living or thriving academically in on-campus housing. In severe cases, the University will provide reasonable accommodations to help alleviate symptoms related to allergies. Students who need an accommodation for allergies, asthma, or other health issue should contact Disability Resources for assistance.
- Bad experience with roommate or floor mates. The Department of Residence Life staff works to ensure that all students have a positive and rewarding housing experience. In situations where roommates are not compatible, the staff will encourage mediation or accommodate a room change.
- Finances. It is assumed that students who attend Arizona Christian University are able to pay for the cost of attendance, including the housing requirement. Students who experience a change in their financial situation should contact Financial Aid to explore options.
- Food/Dining. The University works with food service partners to provide campus-wide food service to its students. University food service partners can work with students to accommodate almost all food related allergies, special diets, or other dietary restrictions.
- Lack of Privacy. Sharing a living space is part of ACU's educational experience and students may experience less privacy on campus than in their home off-campus. In cases of severe disturbance of privacy, the Department of Residence Life will intervene and ensure the student privacy is secured via a room change or other appropriate action.

Petition Policy and Procedure

The petition process is open during designated times throughout the academic year, in preparation for the upcoming semester. The petition process allows students who fall into the policy of exemptions to prove that exemption. Once the Department of Residence Life has received a petition, they will submit the paperwork to the Director of Residence Life for review.

Note: Providing false information (verbal or written) related to off-campus housing, including failure to contact the Department of Residence Life prior to any change in off-campus housing classification, will subject the student to moving immediately into a residence hall, being financially responsible for room and meal plan payments for any period of enrollment, for which, or during which, false or no information was provided, and probable disciplinary action through the on-campus community policies. False information may include the location or physical address for off campus housing, names of roommates or suitemates, or other appropriate items necessary for the Department of Residence Life to keep.

Appeals to the Housing Policy

The appeal process is open during designated times throughout the academic year, in preparation for the upcoming semester. Appeals to the housing policy are for those students who desire to live off campus but do not fit into the policy of exemptions. Appeals must be submitted to the Director of Residence Life one (1) week prior to classes starting. This formal written request will be reviewed by the Housing Committee. The Housing Committee will respond to the appeal within ten (10) business days of receipt. The decision of the Housing Committee is considered final.

Appeals to a Housing Committee's Denial

Students wishing to appeal a Housing Committee denial may submit a second appeal to the Director of Residence Life and will be sent to a Housing Appeals Committee for final determination. The Housing Appeals Committee's decision is final and will be communicated to the student by the Director of Residence Life. Additional requests are not permitted.

Please know that second appeals to Housing Committee decisions may only be heard if it meets the criteria for appeal. It is possible for appeals to be automatically denied if they do not meet one or both of following criteria:

- **Procedural error:** The University did not follow its own published procedures, or
- **New Information:** New information not considered during the petition process becomes available and could significantly alter the outcome, including evidence of bias.

Housing Charges

All students under the age of 23 will be automatically charged housing and meal plan services, which will reflect on their student account. Housing and meal plan charges will not be removed from a student's account unless the student is approved to be released from the housing and meal plan requirement. In order to be considered for release from the housing and meal plan requirement, students must submit a formal Housing Petition or Appeal to the Residence Life Department. The Housing Petition will be considered by the Director of Residence Life to be either approved or denied. The Housing Appeal will be sent to the Housing Committee for a decision on approval or not.

Approvable releases from the housing and meal plan requirement include students who are 1) age 23 by the start of classes in August and January for Spring, and/or 2) married and/or have children residing with them.

Students Living Off-Campus (Housing Petition Charges)

Students living off-campus who submit a formal Housing Petition or Appeal for an approved release prior to the second week of classes will be released from the housing requirement without penalty.

Students living off-campus who submit a formal Housing Petition or Appeal for an approved release after the second week of classes will be released from the housing requirement but issued a \$250 administrative penalty.

Students living off-campus who submit a formal Housing Petition or Appeal for an unapproved exemption at any time will be denied a release from the housing requirement, assigned to a room on campus, and be held financially responsible for housing and meal plan charges for the entire academic year.

The following chart outlines the potential penalties discussed above:

	Approved exemption	Unapproved Exemption
Before 2nd Week of Classes	No penalty	Assigned a room; Charged full housing and dining
After 2nd Week of Classes	\$250 fine	Assigned a room; Charged full housing and dining

Students Living On-Campus

Students currently living on-campus who wish to be released from housing should refer to the housing contract for information on that process.

The Department of Residence Life reserves the right to refuse housing to students who (1) are not in good standing with the University based on conduct and/or finances (2) violate the Housing Contract and/or (3) have a criminal record. It is the policy of the University to carefully screen students who have been charged and/or convicted of a crime and make a determination on a case-by-case basis.

For more information and details regarding the policies of living on campus such as refunds, cancellations, terminations, etc. please review the Housing Contract and Agreement.

Residence Life Policies

This Student Handbook contains policies that pertain to all or most of the ACU community, including students that both live on and off-campus. For other detailed policies related to living on campus, please consult the Residence Life Handbook or contact reslife@arizonachristian.edu.

As outlined by the Clery Act, criminal acts that must be reported include Murder and Non-negligent Manslaughter, Sexual Assault, Robbery, Aggravated Assault, Burglary, Motor Vehicle Theft, and Arson. In addition to these offenses, Larceny-Theft, Simple Assault, Intimidation, and Destruction/Damage/Vandalism of Property must be reported if those offenses are Hate Crimes. Arizona law provides for the possibility of enhanced penalties for hate crimes. One of the identified aggravating circumstances is "evidence that the defendant committed the crime out of malice toward a victim because of the because of the perpetrator's bias against the victim's identity.

Incidents of a criminal nature shall be submitted to the proper authorities for prosecution. All incidents involving hate crimes or discrimination will be reported to Campus Safety, Human Resources, or Student Development. Arizona Christian University is committed to securing and maintaining a safe environment that encourages academic success and social integration. Arizona Christian University recognizes the human dignity of all individuals and works to ensure all students, faculty, staff and other community members are valued and treated with the utmost respect. Examples of verbal harassment could include, but not limited to, jokes, rumors, name-calling, unwelcome comments, or threats in written, spoken, or digital forms. Examples of physical harassment could include, but not limited to, unwelcome touching, assaults, or acts of violence. Generally, harassment involves any unwanted or unwarranted conduct that violates another individual's dignity or creates an offensive, intimidating, hostile, degrading, or humiliating atmosphere for another individual.

Students with knowledge of or who have experienced harassment should report the incident to the Student Development Division by emailing studentconduct@arizonachristian.edu. *Note: If the incident is related to Sexual Harassment, please consult the Title IX/Sexual Misconduct Process section of this Student Handbook.*

Sale and Solicitation

ACU prohibits solicitation, sales, or door-to-door canvassing by students or non-students on University property, except with permission of the Dean of Students or his/her designee.

Sexual Harassment Policy

Arizona Christian University is committed to providing an environment free of discrimination. In implementing this commitment, Arizona Christian University maintains a strict policy prohibiting unlawful harassment, including sexual harassment. It is important to note that jokes, stories, cartoons, nicknames, and comments about appearance may be offensive to others. All students and employees are required to report any incident of harassment they witness or they are subjected to.

Sexual harassment includes, but is not limited to, making unwanted sexual advances and request for sexual favors where either; (1) submission to such conduct is made an explicit or implicit term or condition of employment or of the individual's status in a program, course or activity; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions, a criterion for evaluation, or a basis for academic decisions or other decisions affecting such individual; (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance and/or educational experience and/or creating an intimidating, hostile, and/or offensive work and/or educational environment. Employees and/or students who violate this policy are subject to discipline, up to and including termination of employment, and expulsion for a student.

If you believe that you have been harassed, you should promptly report the facts of the incident(s) and the names of the individuals involved to your supervisor, Human Resources, or the Dean of Students. Supervisors should immediately report any incidents of harassment to Human Resources,

or the Dean of Students. The Dean of Students will investigate all such claims and ACU will take appropriate corrective action, including disciplinary action when it is warranted.

The University does not condone retaliation against any member of the faculty, staff, student body, or other employee of the University who has made a report of alleged sexual harassment or against anyone that has testified, assisted, or participated in the investigation of such a report. Retaliation is a violation of Title VII and Title IX and also will lead to disciplinary action by the University against the offender.

Social Media

The University reserves the right to investigate and take action against any Campus group or student for posting of material on an internet site that violates, or appears to violate, University code of conduct. Internet postings, chats, or messaging that may violate these guiding principles include but are not limited to: postings of information, images or language that inappropriately represent the University to the public, including but not limited to partial or total nudity, sexual misconduct, violations of the University's alcohol and substance abuse policies, hazing activities, indecent or obscene behavior, language, or gestures, racist or offensive racial imagery, and/or threatening or violent content.

Campus groups (clubs, organizations, teams, etc.) or students who would like to create a blog or social media account branded with the ACU name, logo, implied name, or ACU brand (including a Facebook page, Twitter account, Instagram, Snapchat, TikTok, Vimeo account, or YouTube channel, etc.), must seek prior approval through the Marketing Department. A representative from the Marketing Department must be provided with administrative access to the account. Consultation for social media promotion is available upon request.

Spiritual Formation Program (Campus Students)

The mission of the Spiritual Life Department is to engage and equip the ACU Community in following Jesus through Worship, Discipleship and Service. Spiritual Life at ACU complements the classroom experience and the local church in spiritual formation. The Spiritual Life office works with students, faculty and staff in creating opportunities to love God and others through gatherings, events, programs and community partnerships.

All full-time campus students (12 or more credit hours) are automatically enrolled and required to participate in SSR100 Chapel each semester. SSR100 Chapel is a 0-credit Pass/Not Pass co-curricular course that has no impact on a student's academic grade point average (GPA). SSR100 Chapel has two parts: 1) Chapel attendance, and 2) service projects. To receive a Pass grade, students must attend at least 22 Chapels and participate in at least 2 service projects each semester (22 & 2). The 22 & 2 requirement must be completed by the Monday of Finals week.

Chapel

Arizona Christian University gathers for chapel every Tuesday and Thursday from 10:00 am to 11:00 am during the Fall and Spring semesters (except during holidays or breaks). The purpose of Chapel is to gather for worship, fellowship, personal development and spiritual formation. Therefore, chapel is considered a vital part of a student's academic and spiritual experience at ACU. Speakers include pastors, youth pastors, missionaries, faculty members, Christian leaders, and students. Its purpose is to bring us closer to our primary goal of loving God.

Chapel Attendance Policy

There are 30 chapel gatherings each semester and students must attend at least 22. Students are welcome and encouraged to attend more than 22 chapels each semester, but only 22 will be counted toward their 22 Chapel requirement. Students will only receive chapel credit for attending chapel – no other outside programs (e.g. attending church, seminars, etc.) will count as chapel attendance.

Students are required to present their own photo Student ID to scan in at the computer to record attendance. Students may not scan in another student for chapel. Students engaging in deceptive behavior as it pertains to chapel attendance will be subject to having attendance revoked, as well as disciplinary action. Students may scan in between 9:50 am and 10:10 am. Students arriving after 10:10 am are welcome to stay for Chapel but they will not be able to scan in and attendance will not be counted. Students who are disruptive or leave Chapel before it concludes will be subject to having chapel attendance revoked, as well as disciplinary action.

The University allows students to miss up to eight (8) chapels each semester for any reason without penalty. The University does not consider any chapel absence to be excused or unexcused. All absences from chapel, including those attributed to illness, personal matters, or extracurricular activities (including athletic team travel), must be within the 8 absences permitted by the University. Students with between 9-12 absences may request to complete up to four (4) Spiritual Formation make-assignments to bring their total absences back to eight (8). Please see the “Request to Complete Chapel Make-Up Assignments” section for details and guidelines. Students with 13 or more absences will fail the Spiritual Formation requirement for that semester.

Checking Your Chapel Attendance Progress

To check your chapel attendance progress, including how many chapels you have attended and/or number of chapel absences you have accrued, go to the chapel course in Populi (SSR100 Chapel).

Chapel attendance is collected and saved upon scanning in at the beginning of each Chapel with your Student ID. Attendance is formally recorded and uploaded to the student’s attendance report in Populi within 2-3 business days of that chapel date.

Students should regularly check their attendance reports to confirm that attendance is recorded accurately. If there is a dispute or error regarding attendance, students have three (3) business days from the date of the chapel in question to request a review. Requests for review must be sent to spiritual.formation@arizonachristian.edu. The Spiritual Formation team will review the request and determine if the student was present or absent based on the original chapel scan records. The Spiritual Formation team’s decision is final. Requests to review attendance more than three (3) business days after the date of the chapel in question will not be considered and the student’s original attendance determination will stand.

It is the student’s responsibility to keep track of their chapel attendance progress and ensure all chapel attendance records are accurate and up to date.

Chapel Petition Policy

Students should plan their class and work schedules to be able to participate in the Spiritual Formation Program. In some situations, it may be extremely difficult or impossible for students to attend Chapel. Students may request to be exempt from attending Chapel by filing a petition to spiritual.formation@arizonachristian.edu explaining the student’s circumstances. Petitions must be received by Census Day of that semester, soon after the first day of classes (refer to the Academic

Calendar for the specific date). By submitting a petition, students are requesting to be exempt from Chapel attendance. Exemption is not guaranteed.

In lieu of completing the 22 & 2 requirement, students who successfully petition out of chapel must complete the two (2) service project opportunities each semester – including service in the local church, or other approved areas of service. Students with pending petitions should attend chapel until the petition is approved or denied.

Students may be exempt from attending chapel under the following circumstances:

- The student does not have classes on Tuesdays or Thursdays and is commuting 30 or more miles (must provide residential documentation)
- The student is part-time (11 or fewer credit hours)
- The student is student teaching (must provide documentation from the Roden School of Education)
- Other circumstances will be reviewed by the Spiritual Life Team and approved or denied on a case-by-case basis.

The Spiritual Formation Team will review the petition and decide to approve or deny the request. Petitioning students will be notified via email of the Spiritual Formation Team's decision from spiritual.formation@arizonachristian.edu.

Students who do not have classes on Tuesdays or Thursdays and are commuting 30 or more miles must fill out a petition that includes the student's residential address and send an email with a scanned copy of one (1) of the following to spiritual.formation@arizonachristian.edu in order to establish proof of residency:

- Selective service card, vehicle registration card or title, voter registration card, utility or telephone bill, checking or savings account statement, property tax bill or receipt, mortgage account or proof of home ownership, residential rental contract (apartment lease or other rental of real property), check with printed name and address

Education Majors who cannot attend chapel due to student teaching must fill out a petition and have the Head of the Roden School of Education send an email confirming your student teaching status to spiritual.formation@arizonachristian.edu.

Chapel Petitions, if approved, are permitted for one (1) semester. If a student wishes to be exempt from chapel in future semesters, additional petitions must be submitted for each subsequent semester.

Note: Providing false information (verbal or written) related to a chapel petition will subject the student to immediately resume chapel attendance, and probable disciplinary action through the Student Conduct Process. If it is determined that false information was provided for past semesters, students will fail the Spiritual Formation requirement for the semester(s) in question and be issued the appropriate sanction(s), including all fines and related disciplinary actions, if applicable.

Service Projects

Outside of the 22 chapel hours, students must participate in two (2) service projects or service opportunities each semester. Serving is a great opportunity to put your faith into action! You are responsible to initiate service opportunities, whether they be offered on campus, in the community, at your local church, with your small group or sports team, or any other way you are connected to serve. Both service projects must be completed by the Monday of Finals Week. If you are not sure whether your service opportunity will be approved, please email spiritual.formation@arizonachristian.edu for a determination.

Service projects/opportunities are uploaded in Populi by the student each semester. They will be reviewed by the Spiritual Formation Office each semester to ensure proper credit.

It is the student's responsibility to keep track of their Spiritual Formation progress and ensure all Chapel attendance and service hours are submitted and up to date.

Chapel Make-Up Assignments

Students should regularly check their chapel attendance and service hours progress to ensure they will complete the 22 & 2 requirement each semester.

Students in jeopardy of failing to attend 22 Chapels may request to do up to four (4) make-up assignments before final grades are posted. Each make-up assignment is worth 1 Chapel. Information will be provided at the beginning of each semester on the process for requesting to do make-up assignments.

Request to Complete Spiritual Formation Make-up Assignments

A student may request to do up to four (4) make-up assignments at any time between the first chapel of the semester to the last day of classes of the semester. Information will be provided at the beginning of each semester on the process for requesting to do make-up assignments.

Requests to complete make-up assignments cannot be submitted after final grades have been posted (see Academic Calendar for final grade posting dates).

Exemplary, original work is expected for chapel make-up assignments including, but not limited to, grammar, punctuation and content. ACU's Academic Integrity policy applies to chapel make-up assignments. Students are expected to put forth an honest, respectful, and thoughtful effort. Failure to complete make-up assignments under these standards and instructions may result in failing Spiritual Formation hours for that semester as well as further disciplinary action under the University's Failure to Comply policy, with sanctions including disciplinary probation, suspension or expulsion.

Late Submissions and Final Grade Posting

All 22 & 2 requirement, including make-up assignments, must be submitted by the Monday of Finals Week each semester. Students who submit make-up assignments late from the Tuesday of Finals Weeks through the next Monday (7 days) may be issued a \$50 administrative fine. On the next Monday, final grades will be posted to the student's transcript. Make-up assignments will not be available for submission after final grades have been posted and the student will fail the Spiritual Formation requirement for that semester.

Failing to Meet Spiritual Formation Requirements

The Spiritual Formation Program is a Pass or Not Pass program. Students who fail to attend a minimum of 22 Chapels and complete 2 service projects will be subject to disciplinary sanctions. Multiple semesters of failed spiritual formation requirements will result in a probationary status that will be evaluated by the University Conduct Committee for sanctions that may include, but are not limited to: monetary fines, placing a hold on the student's account (preventing future registrations, graduating, receiving a diploma, obtaining transcripts), campus activity probation, or suspension from the University. The University reserves the right to review each situation on a case-by-case basis and determine the appropriate sanction or response.

Appeals Procedure

Appeals of Spiritual Life Team decisions may only be heard if one of the following grounds are met:

- **Procedural error:** The University did not follow its own published procedures.
- **New Information:** New information not considered during the request becomes available and could significantly alter the outcome, including evidence of bias.

Appeal requests must be submitted in writing by the student to the Dean of Students no more than five (5) business days after final grades have been posted. Written requests must include the following information. Requests failing to meet these instructions will not be considered:

- Name, address, telephone number, and University identification number of the appellant;
- The grounds for appeal and any supporting documentation;
- Signature of the appellant and date of submission

The Dean of Students will respond to the appeal within five (5) business days of receipt. If criteria for an appeal are not met, the Dean of Students will notify the Appellant that the request is denied and the original decision is final. Additional requests are not permitted. If criteria for an appeal are met, the Dean of Students will review all documentation and either uphold or reverse the original decision within ten (10) business days. The decision of the Dean of Students is final and no other appeals may be submitted. Students will be notified via email of the Dean of Students decision.

Changes to Spiritual Formation Requirements

The University reserves the right to modify the requirements or structure of this Spiritual Formation program at any time in order to meet its educational and operational objectives. In the event a change is necessary, the University will communicate those changes to students.

Student-Employee Relationships

Arizona Christian University generally prohibits dating or romantic relationships between students and employees of the University (i.e. faculty or staff). Consensual relationships between students and employees potentially create an environment where trust and authority of employees are compromised or power differences between employees and students may be exploited.

Inappropriate or unwelcome behavior initiated by an employee can be reported to the University's Title IX Coordinator or to Human.Resources@arizonachristian.edu for review.

Student Employment

The University offers several opportunities for employment on-campus, including opportunities under the Federal Work Study program. In order to qualify for positions under the Federal Work Study program, students must demonstrate financial need and show academic promise sufficient to maintain good standing. Further information regarding on-campus student employment may be obtained by visiting the Student Jobs page on the website. Enrolled students may be restricted in the total number of hours per week they are authorized to work. The limitations are determined by the number of semester credits they are carrying in any given semester.

In addition to employment opportunities at ACU, many opportunities exist for employment in the local community. Businesses near the campus have been a source of jobs for Arizona Christian University students. Students and alumni can also contact ACU's Career Services program for information on career opportunities on and off-campus by emailing careerservices@arizonachristian.edu.

Student Organizations

Arizona Christian University highly encourages students to become involved in extracurricular leadership opportunities, including student clubs and organizations. Student organizations are required to apply annually for formal recognition by Arizona Christian University through the Student Development Division. Formal recognition provides Arizona Christian University the ability to extend resources and support to student organizations and to manage opportunities to enhance the student experience, enrich the campus community, and advance the mission and vision of the University. After receiving University recognition, student organizations must remain in good standing.

Students are highly encouraged to start student organizations that fit their interests and align with the mission and vision of Arizona Christian University. In order to start a club or organization, students must:

1. Attend a student organization orientation
2. Submit a student organization application, and
3. Receive a decision from Student Development

In the student organization application, petitioning student organizations must provide:

1. Organization information
2. Student leader information
3. Faculty/Staff Advisor information
4. An organization constitution
5. Agreement to the Student Organization Rights and Responsibilities

To begin the process of creating a student organization or for more information about student organizations, visit the Student Engagement team in the Student Success Center.

Student Leadership Opportunities

Arizona Christian University offers numerous opportunities for students to lead on campus, including opportunities within Student Development Division and Athletics. Examples of student leadership opportunities include:

- Resident Assistants

Student Code of Conduct

Philosophy

The purpose of the disciplinary system of Arizona Christian University is to promote personal growth and to maintain an atmosphere conducive to maximum academic and spiritual growth. Student Development personnel, staff and faculty are ready to help.

Through our system, we desire to demonstrate and incorporate personal accountability and biblical restoration. We believe that a truly Christian community will be accepting of its members who are struggling with sin. At the same time, however, the community will not condone sin by ignoring it. We are committed to accountability and restoration by consistently speaking the truth in love. Our primary focus is the heart. Behavior is important, but only as an indicator of the condition of a person's heart. Our accountability and restoration system targets heart change, not mere external conformity or compliance.

The system is here for the welfare of all students. Failure to adhere to the system renders the student liable to discipline.

Arizona Christian University is committed to conducting its Student Conduct Process in a way that is centered on fairness, education, and respect.

- **Fairness.** Arizona Christian University will structure its Student Conduct Process in a consistent manner that is free of bias or favoritism, providing all students with a fair hearing and decision.
- **Education.** Arizona Christian University will structure its Student Conduct Process in a manner that promotes the education, development, and spiritual growth of students into personally responsible members of the ACU community.
- **Respect.** Arizona Christian University will structure its Student Conduct Process in a manner that respects the privacy and dignity of all individuals participating in the process.

Jurisdiction

The Arizona Christian University Student Code of Conduct applies to all conduct on-campus, all conduct at University-related events off-campus, and any conduct on or off-campus that adversely affects the University, its objectives, and/or the health, safety and welfare of the members of the ACU community, as determined by University officials. All student conduct occurring on social media, email, text, or other forms of electronic communication are subject to this Student Code of Conduct. In addition to the rules and policies outlined in this Student Code of Conduct, students are expected to obey and uphold all local, state, and federal laws with violations subject to disciplinary action. Students are responsible for their conduct and subject to this Student Code of Conduct beginning at the time of enrollment through graduation or date of withdrawal. All questions regarding the Student Code of Conduct should be directed to the Student Development Division.

Authority

Arizona Christian University reserves the right to initiate the Student Conduct Process for any reported student or student organization conduct occurring during or between any periods of enrollment. The Student Conduct Process is under the authority of the Dean of Students and the Student Development Division, as delegated by the President and the Chief Operating Officer of Arizona Christian University. The Dean of Students, as well as Student Development staff members or other designees appointed by the Dean of Students, may initiate the Student Conduct Process, conduct hearings, determine responsibility, and issue sanctions. The Dean of Students and his/her designees may determine the most appropriate action for handling student conduct violations, including initiating the formal Student Conduct Process or speaking informally to the student. The Dean of Students and his/her designees reserve the right to place a Student Services hold on student accounts of students who fail to comply with the Student Conduct Process or fail to carry out the assigned sanctions. Student Services holds prevent students from registering for classes, graduating, receiving a diploma, or obtaining transcripts.

Level of Proof

Arizona Christian University's Student Conduct Process is separate from Criminal or Civil Systems. As an educational institution, Arizona Christian University has created its Student Conduct Process to promote the education, development, and spiritual growth of its students and it is not to be equated with Constitutional Due Process. With that, Arizona Christian University's Student Conduct Process does not adhere to the standard rules of evidence used in Criminal Systems when determining guilt or responsibility (i.e. beyond a reasonable doubt). Instead, Arizona Christian University's Student Conduct Process utilizes a Preponderance of Evidence standard (i.e. 50.1%; more likely than not) when determining responsibility.

Confidentiality

Incidents involving student conduct are part of student's educational record and are therefore protected under the Family Educational Rights and Privacy Act (FERPA) of 1972. Individuals involved in the Student Conduct Process are permitted to only discuss the matter with the student, unless permitted under FERPA, Title IX, Clery Act or other federal regulation related to student privacy. All individuals involved in the Student Conduct Process are prohibited from making public comments on the matter. All requests for public comments should be referred to the President of the University.

Standards of Student Conduct

Arizona Christian University students are expected to uphold all rules, policies, and expectations described in this Student Handbook, including the University's Core Values, Core Commitments, Statement of Faith, and Community Covenant. Upon enrollment, students are expected to be familiar with these rules, policies, and expectations described in this Student Handbook, as well as other documents related to student behavior or expectations (e.g. Residence Life policies, Course Syllabi, etc.). - Description of the alleged violation(s).
- Date, time and place of the alleged violation(s).
- Name of the student(s) involved in the alleged violation(s).
- Name of the student organization(s) involved in the alleged violation (if applicable).
- Name of witness(es) to the alleged violation(s).
- Name, phone number, and email address of the individual filing the report.
- Any other supporting documentation or information related to the incidents

Upon receiving a report, the Dean of Students (or his/her designee) will review the allegation and serve as the official Hearing Officer through the entire disciplinary process, from the time an incident is reported through completion.

Student Conduct Process

As a Christian University, ACU strives to offer loving accountability and to be redemptive in its approach to students who have violated the Community Standards.

Every situation is handled on a case-by-case basis.

The student will be referred to one of the following processes:

- Meet with the Student Conduct Coordinator
- Meet with the Dean of Students

- Meet with a Resident Director
- Meet with the Student Conduct Board
- Meet with the Vice President for Academic Affairs (*matters of Academic Integrity*)
- Student will be given the opportunity to further discuss the incident in order to determine involvement and possible sanctions. Sanctions can be enhanced all the way up to being banned from campus housing

If the Student Conduct Coordinator or Student Conduct Board deem it appropriate based on the circumstances, a student can be referred to the Dean of Students for suspension or expulsion from the University. All conduct situations involving the potential for a student's removal from campus will be determined by a University Code of Conduct Committee. The Dean of Students will work directly with the University Code of Conduct Committee on a final determination.

The Student Conduct Coordinator will determine the composition of the Student Conduct Boards and determine which process is appropriate for the student. Any student serving on the Student Conduct Board is bound by a strict confidentiality agreement. The Student Conduct Coordinator will develop policies for the administration of the Student Conduct Board Hearings that are not inconsistent with the provisions of the Student Conduct Process. Decisions made by the Student Conduct Board or the Student Conduct office will be final, pending the normal appeal process. If a student fails to report to an assigned Resident Director and/or conduct meeting, a fine may be assessed up to \$50.00 for the first occurrence and may be found guilty and responsible for the violations that they were charged with.

Serious offenses for which the Dean of Students and/or Student Conduct Coordinator may recommend suspension or expulsion from the University will be reviewed and decided by the University Code of Conduct Committee.

If a student is subject to State or Federal court fines and/or community service hours, the Student Conduct Coordinator will make the decision to whether or not to allow those fines and hours to replace that of the Student Conduct Board.

Any question of interpretation or application of the Community Standards and Student Conduct Process will be referred to the Dean of Students or his/her designee for final determination.

Student Conduct Board Hearing

At a Student Conduct Board Hearing, the technical rules of evidence, process and procedure used in a civil or criminal court will not apply.

Students who are subject to meet with the Student Conduct Board are notified by the Student Conduct Office. The student will be notified of the date, time and place of their hearing through text or email at least 24 hours prior to the meeting.

If a student fails to appear before the Student Conduct Board, the Board will discuss the sanctions they feel are appropriate for the student. In most cases the absent student will be given the same sanction as other students who were involved in the same incident. If a student is the only person involved in the incident, the Board will base appropriate sanctions on the facts found in the RD or Campus Safety report and as they appear in the guidelines for sanctions.

During the Student Conduct Board Hearing, students are not permitted to be accompanied by third parties or attorneys and may not document the hearing by the use of a recording device. The University will record the hearing and the recording will be University property. Students are introduced to the Board members and informed of the hearing's agenda. The students will then have

chance to speak about the incident, give their account for the incident and accept or deny responsibility for the incident. Students then will be asked any pertinent questions that the Board may have and then the student will then be told the minimum sanctions, if any, for the corresponding incident. Before the student is dismissed, the student is informed of a timeline when they can expect to hear the Board's decision and to pick up their sanction letter, if applicable.

After the student is dismissed from the hearing, the Student Conduct Board will decide whether to hold the student responsible or not for the incident. The determination of the Board is made on the basis of whether it is more likely than not that the student violated the Community Standards.

As a rule, the student will be informed of the Student Conduct Board's decision in person or in writing.

A student may be referred to a restorative justice process, where there will be dialogue between the responsible party and the harmed party/community.

Appeals of Student Conduct Sanctions

Appeals of sanctions given by the Student Conduct Coordinator are only accepted within 72 hours of when the student is informed of the decision, either verbally or in writing, whichever is first (except for fines related to missed Hall Meetings, as noted below). Appeals are not accepted after this time. Appeals must include the student's reason for the appeal, personal contact information, and the sanctions the student is disputing. Appeals not including all this information will not be accepted.

Appeals will only be accepted for the following reasons:

- There was a procedural error in the Student Conduct Process that unfairly and materially affected the outcome of the Student Conduct Board's decision.
- Evidence has been discovered that was not reasonably available at the time of the hearing.
- The sanctions that were assigned were substantially disproportionate to similar violations.

If a student wishes to appeal sanctions imposed by the Student Conduct Board or a Student Conduct Officer, they can do so by emailing studentconduct@arizonachristian.edu.

	Time to Appeal	Appeal Review
Student Conduct Coordinator decision	72 hours	Student Conduct Board
University Code of Conduct Committee decision	72 hours	Dean of Students & UCC
Fine/Charges given by Residence Life	30 days	Director of Residence Life

Suspension or Expulsion from the University

It is always the goal of the Student Conduct Board to restore and redeem a student who violates a school policy. However, there may be times when a student's suspension or expulsion from the University may be necessary for the health and safety of the entire community. In such cases, suspension or expulsion from the University will occur with a recommendation is made by the

Student Conduct Coordinator/Board and the Dean of Students to the University Code of Conduct Committee.

Students Who Fail to Complete Sanctions

If a student fails to complete an assigned sanction by the given deadline as outlined in a sanction letter, a hold will be placed on the student's academic and housing accounts. Having the ability to select housing will not be permitted until the sanctions have been completed.

Students Who Seek Retaliation after Receiving Sanctions

Students who seek retaliation after receiving their sanctions may be considered in violation and receive additional consequences.

Abuse of the Student Conduct Process

Abuse of the Student Conduct Process is strictly prohibited and includes, but is not limited to:

- Failure to obey the notice from the Student Conduct Coordinator or a Resident Director to appear for a hearing or meeting as part of the Student Conduct Process.
- Falsification, distortion, or misrepresentation of information before a Student Conduct Board or Residence Life staff member.
- Disruption or interference with the orderly conduct of a Student Conduct Board meeting.
- Attempting to discourage an individual's proper participating in, or use of, the Student Conduct Process.
- Harassment (verbal, physical, social media) and/or intimidation of a member of a Student Conduct Board prior to, during, and/or after a Student Conduct Board meeting.

Multiple Violations

Students found responsible for violating the University's Student Code of Conduct on multiple occasions will be seriously considered for escalated sanctions, including disciplinary probation, suspension, or expulsion.

Student Records

Student records are maintained through the Registrar's office. Each student's academic and personal records are considered a private matter and are open only to the administration and individuals designated by the student. See also the "Family Educational Rights and Privacy Acts of 1974 (FERPA)" section.

Tampering with Security Equipment

Arizona Christian University has equipment throughout campus that help protect the safety and security of the University and its community members, including doors with key access equipment, surveillance cameras, smoke detectors, etc. Tampering with security equipment is strictly prohibited and could result in disciplinary action.

Textbooks and Learning Materials

Each semester, Arizona Christian University dedicates itself to ensuring that students have the best education and growth opportunities. To help us deliver the best education, every student should arrive to each class with required books and other learning supplies such as pens and paper for notetaking.

While ACU does not have an on-campus bookstore, most textbooks can be purchased from any major online retailer. Some textbooks are provided online and can be purchased or accessed through the Populi dashboard or Canvas class pages.

Students are encouraged to order books at least two weeks prior to the beginning of each semester to allow time for shipping. Because publishers revise textbooks often, students are encouraged to purchase textbooks using the ISBN number of the assigned book to ensure they receive the correct edition. In most courses, reading assignments will be given on the first day of class, and students who have all of their books in advance tend to be the most successful academically.

Theft Policy

All members of the ACU community are expected to respect property owned by the University, as well as property owned by individual members of the ACU community, including faculty, staff, and students. Students may not steal property owned by the University or other students. Students may not use property that does not belong to them without permission from the rightful owner. Students found stealing property from the University or other individuals will be subject to disciplinary action.

In order to minimize risk and liability to the University, guests are not allowed on academic field trips. Participation on field trips is limited to faculty, staff, and enrolled students and approved volunteers of the University only.

University-owned vehicles are to be used for transportation on all academic field trips and the use of transportation provided by ACU for the field trip is strongly urged. Please note that students who choose to instead use a privately-owned or commercially-rented vehicle and students who choose to be passengers in such a vehicle operated by another private party for transportation on an academic field trip do so at their risk. All individuals who travel to the site of a field trip early, leave the group, and/or remain after the field trip is officially completed, do so at their own risk.

Personal Vehicles may only be used after all parties have a clear understanding of the best practices guidelines related to field trip insurance coverage issues:

- The University does not provide insurance for the use of personal automobiles.
- ACU does not insure or accept liability for any damage, loss or injury resulting from the use of a student participant's own personal vehicle. Students who use personal vehicles should have a valid driver's license and liability insurance on their vehicle.
- Please note that all participants who chose to ride in a private vehicle do so voluntarily and at their own risk.
- When using their own personal vehicle, faculty, staff and volunteers should have a valid driver's license and liability insurance on their vehicle. Under no circumstances will ACU provide coverage for damage to personal vehicles. The faculty, staff or volunteer's personal automobile liability insurance will have to respond up to the limits of its liability.
- All drivers and passengers must abide by all applicable federal, state and local safety standards and laws. All traffic and parking violations are the sole responsibility of the operator of the vehicle.

Unauthorized Entry Policy

Students are expected to refrain from entering restricted areas throughout campus without permission. Areas that could be considered restricted include, but are not limited to, Event Center, residence halls, athletic fields, faculty or staff offices, rooftops, or entering or exiting through windows, etc. Students found entering restricted areas without permission may be subject to disciplinary action. Unauthorized entry into University Residence Halls is also addressed in more detail in the Residence Life Handbook. Additionally, at no time should students be on the roof of any University property, unless so authorized by the Maintenance Department or the Dean of Students.

University Property and Damages

Preventative maintenance and care for University property is expected from those who use it. Damaged or malfunctioning equipment should be reported via email to the Residence Assistance or Residence Director. In the case of emergencies, the student should go directly to the on-call Residence Assistant. Students who abuse or misuse University property through neglect or knowledgeable carelessness must make arrangements to pay for or replace the property through the Business Office.

Residence Life Property and Damages

Whether intentional or accidental, students are held individually responsible for any damage found in their assigned rooms and any damage to or loss of furnishings. All University furniture must stay in the suite upon move-in as additional storage is not available. All room and/or furniture alterations must be approved in writing by the Department of Residence Life. Students are subject to being charged an amount determined by the University if furniture is misplaced or damaged in any way. Additionally, students are responsible for common areas within the Residence Hall, including hallways and lobbies. Students causing damage or removing University property will be held responsible and subject to disciplinary action. If the Department of Residence Life is unable to identify who is responsible for damage/loss of school property within a shared space, all residents of a room, hall, floor or building will be subject to sharing the cost of the repairs or replacements.

Visitation and Visitor/Guest Policy

In order to promote the health, safety, and welfare of the campus community, Arizona Christian University has established the following visitation policy within the residential areas:

- A visitor/guest is defined as a nonresident of a particular residential area and includes both students and non-students.
- Residents, upon agreement with their roommate(s), are permitted to have visitors/guests of the same sex visit in their residence hall room, suite, or in the public areas of their residential floors at any time.
- Residents are not permitted to have visitors/guests of the opposite sex visit in their residence hall room or suite at any time. Members of the opposite sex are not permitted to loiter in the halls of any residential area of the other sex.
- Residents must notify their Residence Director if family members of the opposite sex are visiting prior to their arrival. Visitors/guests under the age of 12 must be accompanied by a parent.
- Residents are encouraged to socialize with members of the opposite sex in common areas throughout campus, including, but not limited to, residential and communal lounges, The Commons, Tower Grill, Library, or other common space.

Visitation is defined as those times which residents may have guests in their rooms, suites, or in the public areas of residential floors. Specific visitation boundaries should be outlined by roommates/suitemates stating the maximum hours during which visitors or guests may visit.

Visitation is a privilege but is secondary to a resident's right to privacy within her or his room. Residents may not exercise their visitation privileges if doing so interferes with the rights of the roommate or of other residents.

Visitation privileges can be revoked for an individual, a room(s), a floor(s), or an entire area by the Department of Residence Life and the Student Development Division. Additionally, changes to this visitation policy can be made at the discretion of the Department of Residence Life at any time. Any changes that are made will be communicated.

If an RA, Campus Safety, or an ACU staff member finds a student of the opposite sex in a room/suite, the resident and guest will be subject to disciplinary action. The Director of Residence Life reserves the right to revoke the visitation privileges for repeated violations of this policy, other discipline issues, safety, and/or security reasons. Revoking visitation privileges can be reserved for a room(s), a floor(s), or entire areas.

All visitor(s) should be escorted by a resident when he/she leaves the room/suite. He/she should go with the resident when leaving the building, abide by Residence Life and ACU policies while in the hall and must have permission from room/suitemates to be there. Visitors are not allowed to remain in the Residence Hall when the resident leaves the building.

Overnight visitors must be of the same sex and must be cleared by prior arrangement with the Resident Assistant by filling out a "Guest Registration Form." These forms can be obtained in the Department of Residence Life or by a Resident Assistant. Failure to submit a guest registration form can result in a fine. Overnight visitors are responsible to abide by all residence life policies including quiet hours. There will be a \$25 fine if you guest is not signed in before 6pm of the evening they are staying. If the guest is here and not signed in the will be asked to leave the property first thing in the morning unless community standards are broken then they will be asked to leave immediately.
